

185th Annual Report

of the

TOWN OF NATICK

MASSACHUSETTS

for the

Year ending December 31

1965

WELLESLEY PRESS, INC.
Wellesley, Massachusetts

Information for Voters

Natick was incorporated as a town on February 19, 1781.

Location: 18 miles west of Boston.

Population: 30,365 (1965 census).

Registered Voters: 14,953 (October, 1965).

Area: 15.99 square miles.

Assessed Valuation: Real Estate, \$154,923,800.

Personal Property, \$4,988,700.

Town Offices: Masonic Building and Clark's Block;
Tax Collector, 8 East Central Street.

State Senator: William I. Randall of Framingham.

United States Senators: Leverett Saltonstall and Edward M. Kennedy.

Representative in Congress: Philip V. Philbin of Clinton, 3rd Congressional District.

Representative in General Court: Walter T. Burke.

Member of Governor's Council: George F. Cronin, Jr.

Voting Qualifications: Must be 21 years of age, born in United States or fully naturalized; a resident of Massachusetts one year and of Natick six months, both continuously.

Registration of Voters: (1) Monday evenings, 7:30 to 8:30, Registrars' Office in Clark's Block. (2) Special sessions previous to all elections.

Where to Vote:

Precinct No. 1 — Center School, Natick.

Precinct No. 2 — School House Hall, South Natick.

Precinct No. 3 — Brown School, West Natick.

Precinct No. 4 — First Congregational Church, Natick.

Precinct No. 5 — Lilja School, Oak Street, East Natick.

Precinct No. 6 — Bennett-Hemenway School on East Evergreen Road.

Precinct No. 7 — Harold Johnson School on South Main Street.

Precinct No. 8 — West School on Mill Street.

Tax Bills: Due and payable on or before October 1. Law provides for addition of interest from October 1 on bills unpaid after November 1. Motor excise taxes and water bills are payable 30 days from date of issue.

Library Hours: Morse Institute, daily except Sundays and holidays, 9 A.M. to 6 P.M. Mondays, Wednesdays and Fridays to 9 P.M.

Children's Library, 12 Noon to 6 P.M. Saturdays and vacations 10 A.M. to 6 P.M.

Bookmobile schedule available at the Library.

<i>YEAR</i>	<i>BUDGET</i>	<i>EXPENDED</i>
1963	\$7,939.00	\$7,608.51
1964	8,158.00	7,625.15
1965	8,080.00	7,661.52

Regular Activities

During the year 1965 the Board held 43 Regular Meetings, 15 Special Meetings and 1 Joint Meeting with other Departments. The Board issued 175 Licenses, granted 44 permits, held 31 Edison Light Hearings, 10 Telephone Hearings and 10 grants without hearings to the Edison Light Company, made 64 appointments for Democratic and 64 appointments for Republican Election Officers, appointed 41 Special Police for Custodians of the School Department, 43 Special Police for protection of Life and Property and to assist the Regular Police when needed, 4 new Traffic Supervisors for School Duty, 31 regular appointments including the Building Inspector and the Deputy Building Inspector.

Police Department

During 1965 the following were appointed as Reserve Patrolman John Donahue, Richard M. Donovan, Robert Sweeney and Robert Seaholm. The following were appointed to Regular Patrolman, John F. Zaccagnini as of April 1, 1965. On April 21, 1965 Henry Hutchinson, Walter F. Horning, John T. Garvey, Jr., Peter Reynolds, William E. Moores, Jr., Robert N. Ritchie, Rodney A. Frazer were added. On May 18, 1965 Ralph V. Mastro was appointed a Sergeant. On March 16, 1965 William J. Garvey retired, on September 20, 1965 Raymond T. Angleton and William Haywood resigned, James Linton and Harold J. Bouret were appointed as Temporary Reserve Patrolmen for 60 days or 240 hours.

Town Meetings

Eighty-four Articles were received for the Annual Town Meeting by the Board and were included in the Warrant for the Annual Town Meeting which was called for March 9, 1965 at 7:30 P.M. in the Senior High School Auditorium. On March 9, 1965 an addition to the Warrant for the Annual Town Meeting One (1) Article was acted upon. On March 23, 1965 One (1) Article for the Public Works Department was acted upon. On November 9, 1965 a Special Town Meeting was called at the Senior High School at 7:30 P.M. to act on Three Articles.

Traffic Rules and Orders

During 1965 many requests and petitions were received by the Board. The Selectmen have observed conditions relating to traffic and Hearings have been held and amendments established which were approved by the State Department of Public Works.

Stop and Enter

Stop and Enter signs were installed for South Bound Drivers on "FOX HILL DRIVE AT INGLESIDE ROAD." "WEST BOUND DRIVERS ON WEST STREET AT OAKLAND STREET." "NORTH BOUND DRIVERS ON THIRD AND FISHER STREET." and "SOUTH BOUND DRIVERS ON LOKER STREET AT FISHER STREET."

Commercial Vehicles Excluded Over 2½ Tons

On Mill Street, between Hartford Street and West Central Street, the alternate route shall be Hartford Street, Speen Street and West Central Street. Washington Avenue, one sign at West Central and Washington Avenue, and one sign at North Main and Washington Avenue.

Steel Fence

A steel fence was erected at the end of Cooper Road.

Dead End

Dead End Signs have been erected on Highland Street at Middle Street.

Go Slow

"Slow Children" signs have been painted on all cross walks at School Crossings and White Lines were painted on all Cross Walks for the Safety of every one all over town. Many signs have been erected in the Town. Three Ten Minute Parking Signs have been erected in front of the Telephone Office on East Central Street.

Parking Meter Fees

Fees collected for Parking Meters for 1965 were \$11,568.45.

Annual Town Report

The Board appointed the Town Report Committee for 1965 with Herbert A. Black, 2nd, Chairman, with Ruth Leavitt, Edmund Coolidge, Albert Ames and Joseph Connolly. It was voted to have 3500 copies printed. The Selectmen advertised for bids and two bids were received. One from the Buck Printing Company of Boston at \$26.75 per page and one from the Wellesley Press Inc., of Wellesley at \$24.30 per page. The Board accepted the Bid of the Wellesley Press Inc., in the amount of \$24.30 per page, complete.

Gasoline and Fuel Storage

After Public Hearings were held the Board of Selectmen granted the following permits for storage of Gasoline — Pentane Class A Fluid and #2 Fuel Oil.

Bestpak Incorporated, 24 Superior Drive: Pentane Class A — Fluid (for owners' use only), #2 Fuel Oil (for owners' use only).

Clement E. Garvin, 137 West Central Street: 20,000 Gallons of Gasoline in underground tanks.

Perambulation of Town Bounds

The Town Bounds of Wellesley, Wayland, Weston, and Dover were perambulated as follows with the Selectmen or a designated substitute: Wellesley, November 30, 1965; Wayland, December 9, 1965; Weston, December 16, 1965; Dover, December 18, 1965.

Street Lighting

The Annual Town Meeting of 1965 authorized the Selectmen to install additional Street Lights for the year. After investigation of each request the following street lights were ordered installed.

- (3) 11,000 Lumen Mercury Lights
- (6) 7,000 Lumen Mercury Lights
- (48) 3,500 Lumen Lights
- (4) Spot Lights

Notes and Bonds

During the year the Selectmen approved and signed notes for the borrowing of \$3,350,000 Tax Anticipation, \$2,320,000 Bonds for School project loan and \$35,000 Water Bonds.

Other Activities

A Special Meeting of the Board was held on March 3, 1965 to organize for the ensuing year, Mr. Donald R. Sims, Chairman, Mr. George P. Sellew, Jr., Clerk. Jeremiah J. Healy, Jr., as the third member. At the regular meeting of the Board on March 8, 1965, Raymond J. Dowd was appointed Town Counsel to fill the vacancy caused by the resignation of Richard Trifiro. Richard Fahey was unanimously appointed as Fire Chief to succeed Chief Lyman G. Brown upon his retirement. The following yearly appointments here made: Director of Veterans' Services, Michael J. Torti; Moth Superintendent, William F. Young; Lock-Up Keeper, W. Joseph Shea; Veterans' Graves Officer, Michael J. Torti; Field Driver, Edward A. Zullo; Pound Keeper, Edward A. Zullo; Veterans' Burial Officer, Michael J. Torti; Fence Viewers, Board of Selectmen; Dog Officer, Pompilio Zullo; Board of Registrars for three years, Mary Gilleran; Civil Defense Director, Jeremiah J. Healy, Jr.; Minna Satterfield was appointed to the Board of Appeals for 3 years, Col. Daniel J. Murphy, Jr., was appointed an alternate member of the Board of Appeals. Mary Getchell, Town Forest Committee for three years, George H. Wallace, Town Forest Committee for 3 years, Richard A. Robbins, Town Forest Committee for 3 years, William F. Young an ex officio member of the Town Forest Committee for 3 years, Leo J. Richard, Council for the Aging; Richard F. Gould, Town Comptroller having resigned, the Selectmen appointed Mr. Augustini Laurini to

fill the vacancy. Mr. Frederick Sanford was appointed as Building Inspector as of June 7, 1965, and Robert A. Durkee was appointed Deputy Building Inspector as of November 22, 1965. Mrs. Dorothy Sue Young was reappointed to the Conservation Commission for a period of three years.

During 1965 the Board continued its efforts begun in 1963 to have the Massachusetts Department of Public Works correct the dangerous traffic conditions existing on Route 9. The Board have had many meetings with the Route 9 Safety Committee and the State Department of Public Works and as of December 31, 1965 we find that Phase I has been given the "Go Ahead" for 4 sets of synchronized lights and storage lanes from Speen Street to just beyond Shoppers' World.

The Selectmen are most appreciative of the continued cooperation received from the various Town Offices, Department Heads, Special Committees, and citizens of the Town who have been so often called upon to meet with them during the year.

DONALD R. SIMS, *Chairman*

GEORGE P. SELLEW, JR., *Clerk*

JEREMIAH J. HEALY, JR.

Your Selectmen

Town Clerk

<i>Year</i>	<i>Employees</i>	<i>Budget</i>	<i>Expended</i>
1964	2	\$13,800.00	\$13,218.30
1965	2	14,359.00	13,705.35

During 1965 there were 819 Births, 270 Marriages, 332 Deaths, as compared with 900 Births, 270 Marriages, 333 Deaths in 1964; 1476 Dog Licenses were issued in 1965 and the sum of \$3,357.50 turned over to the Town Treasurer, as against 1471 Licenses in 1964 totaling \$3,227.25.

To comply with the policy of the Town Report Committee in curtailing the voluminous reports of some Town Departments, this department is pleased to co-operate by omitting the enumerating of the many duties of the Town Clerk as established by Statute.

It is requested that the parents of children born in Natick return the Verification Report sent them by the Town Clerk, at once as required by law, otherwise the record of that child will be incomplete.

JAMES H. FLEMING, *Town Clerk*

Sealer of Weights & Measures

I hereby respectfully submit the following report for 1965:

During the year weighing and measuring devices have been tested and sealed or condemned as follows:

	<i>Adjusted</i>	<i>Sealed</i>	<i>Not Sealed</i>	<i>Condemned</i>
Scales: over 10,000 lbs.	1	2	0	0
over 5,000 lbs.	1	4	0	0
100 to 5,000 lbs.	5	87	1	1
10 to 100 lbs.	24	164	5	0
1 to 10 lbs.	0	21	0	0
Weights	0	524	0	0
Gasoline Pumps	9	131	1	1
Grease and Oil Meters	0	46	0	0
Bulk Plant (Oil) Meters	2	10	0	0
Fuel Oil Truck Meters	7	45	0	0
Cloth Measuring Devices	0	17	0	0
Wire Measuring Devices	0	1	0	0
Yardsticks	0	19	0	0
Totals	49	1071	7	2

Reweighing of commodities put up for sale:

	<i>Total Tested</i>	<i>Correct</i>	<i>Under</i>	<i>Over</i>
Packaged Meats	886	637	216	23
Other Food Items	3716	3526	140	50

The following inspections were made:

Peddlers Licenses	17
Clinical Thermometers	235
Milk Jars	270
Junk Scales	4
Ice Cream Cartons	75
Other Cartons	40
Marking on Food Cartons	810
Total	<hr/> 1451

Sealing fees amounted to an aggregate of \$1,014.95, which were turned over to the Town Treasurer.

Particular emphasis will continue to be placed on reweighs and trial weighings of prepackaged commodities, especially meat in Super Markets.

Citizens are urged to inform this office of any actual or suspected malfeasance or error in any transaction involving weights or measures.

At this time I would like to offer a silent prayer and a word of tribute to my predecessor and friend, Thomas H. Shinkwin, who through the year passed on to his eternal reward. For over twenty years his faithful and untiring efforts won him the respect and esteem of all.

In conclusion I wish to thank the Board of Selectmen, the merchants of the town and others who assisted me in the performance of my duties.

JOHN J. MULLANEY, JR.
Sealer of Weights and Measures

Conservation Commission

The main purpose of the Natick Conservation Commission is to promote and develop the natural resources of the Town and provide protection of the watershed resources in particular.

The activities of the Conservation Commission during 1965 included the following:

1. Cosponsoring with the Natick Kiwanis Club a conference entitled "Clean Water" in observance of National Wildlife Federation Week — March 14th through the 20th. Seventy-five representatives of Conservation Commissions, sportsmen's groups, and other interested citizens attended.
2. One member serving as Director of the Charles River Watershed Association.
3. Two members serving on the Board of Directors for the Conservation Association of Natick.
4. Sponsoring bird walks in the Town Forest on May 1, 8, and 15 to observe the peak of spring migration. 60 adults and children participated to record a total of 50 species.
5. Independence Day Float on the theme "Conservation Means Multiple Use".
6. Completion of a survey by the United States Department of Agriculture Soil Conservation Service of the Sunkaway drainage area and filing of their recommendations for improvements to the water control structures at Jennings Pond.
7. Sponsoring an article in the Town Warrant calling for a detailed soils interpretative report of the Town of Natick prepared by the USDA Soil Conservation Service.
8. Development of "Goals of the Conservation Commission". This document is presented in entirety below.

Goals adopted at a special meeting of the Conservation Commission
October 26, 1965

- A. Program for development and utilization of open areas with emphasis on publicly-owned land.
 1. The Commission will compile and maintain a complete inventory of all open areas, identifying the following types of lands:
 - (a) Wetlands and ridge areas
 - (b) Access areas to lakes and ponds
 - (c) Greenbelt areas adjacent to and intermingled with developed areas

- (d) A network of lands or easements to make possible a system of trails for walking or bicycling and interconnecting, where possible, all public open spaces
 - (e) Sites of special significance: historic, scenic, or of natural history value
- 2. A master plan, identifying parcels of land suitable for acquisition with suggested utilization of said land, to be developed by the Conservation Commission with the assistance of a Community Committee composed of representatives from the following:
 - (a) Conservation Association of Natick
 - (b) Natick Recreation Commission
 - (c) Natick Planning Board
 - (d) Natick Schools
 - (e) Natick Department of Public Works
 - (f) Interested citizens
- 3. Land may be acquired by gift, purchase, grant, bequest, devise, lease or otherwise the fee in such land or water rights, easement, covenant, or other contractual right including conveyances on conditions or with limitations or reversions.
- 4. Periodically the Conservation Commission will publish a map or bulletin to inform the public of the location and utilization of all open areas.

B. Suggested Education Projects

- 1. Provide conservation training experiences to elementary and secondary school teachers by utilizing the services of the Massachusetts Audubon Society and the Massachusetts Department of Education amongst others.
- 2. Demonstration plantings on certain parcels of land (food for wildlife, ground cover to prevent soil erosion).
- 3. Beautification of school and other public grounds by special planting projects.
- 4. Clean-up programs where needed: Dug Pond, Jennings Pond, Beaver Brook, local railroad station.
- 5. A continuing series of newspaper articles on special subjects: trees, birds, water, geology.
- 6. Publication of special bulletins and maps.
- 7. A roster of speakers (with slides) available for use by community organizations.

C. Role of Conservation Commission in the Community

The Conservation Commission will attempt to:

- 1. Serve as the conservation conscience of the Town.

2. Provide community leadership for natural resources planning.
3. Assist and coordinate town resource projects undertaken by community groups.
4. Cooperate with Town agencies, boards, and commissions in projects relating to Town development involving natural resources.
5. Maintain membership and/or close contact with State and Regional conservation groups.
6. Keep informed of activities of neighboring Conservation Commissions and meet with them at least once a year if possible.

The Conservation Commission wishes to extend its appreciation to Mr. and Mrs. Robert Brainerd and the youth of the Unitarian Church for cleaning up Jennings Pond and to the late Arthur Hathorne for his helpfulness in encouraging and maintaining proper utilization of Jennings Pond and the Town Forest.

GEORGE H. WALLACE, *Chairman*

Veterans' Services

I hereby submit my report for the Department of Veterans' Services for the year ending December 31, 1965.

Veterans' Benefits

Number of Natick settled people aided: 2113

Number of State settled people aided: 10

5 Death Cases

2 Liens Pending

4 Assignments Pending

Veterans' Services

1200 photostatic copies of the following were made:

Discharges of Veterans

Birth Certificates

Marriage Certificates

Divorce Certificates

Letters and Documents

Checks

(Some of these were made for Town Officials.)

This past year we have helped widows and parents of deceased veterans to make applications for bronze plaques for Veterans' graves. These are supplied by the Veterans Administration.

Every year we help hundreds of Veterans of World Wars I, II, and Korea, widows and parents, fill out their Veterans Administration financial income cards. These must be in by the 31st of January of every year. If they are not filled properly, the person will be penalized by not receiving their pension check on time.

We still have Veterans asking questions on G.I. Loans which will run out July 25, 1967 for World War II Veterans.

This past year we have had widows and parents of Veterans and Veterans ask this office about Medicare and how it will affect those who come under our program.

Have helped many Natick Veterans to be admitted to Veterans Administration Hospitals.

Have helped Veterans, widows, and parents to get their nonservice connected pension. This, alone, is a big financial savings to the taxpayer and the Town of Natick.

Have helped many Veterans in making application for the new G.I. Insurance. The deadline to make application for this insurance is May 1, 1966.

State Veterans' Services Agents Association

At our summer conference, I was nominated and elected to Sergeant-at-Arms. Also was appointed as Chairman for our mid-winter conference which will be held January 1966. In our Middlesex County Veterans' Services Agents Association, I was nominated and elected President for the 1965-1966 year.

Selective Service

As Registrar of Local Board No. 18 for the Town of Natick, I find that most of the boys know that they should register within five days after their eighteenth birthday for their Selective Service Identification Card.

For complete details, list of expenditures and receipts of the Department of Veterans' Services, I would refer you to the report of the Town Comptroller.

MICHAEL TORTI, *Director, Department of Veterans' Services*

I hereby submit my report of the Care of Veterans' Graves for the year 1965:

In the past year, there have been thirty-four veterans buried in the Natick cemeteries:

- 15 World War I
- 18 World War II
- 1 Korean

In examining every veteran's grave in Natick, I found missing and corroded bronze markers and flags. I replaced these in all of the Natick cemeteries so that every Veteran's grave would be properly marked.

The Town of Natick appropriates \$531.00 a year for the care of Veterans' graves. Expenditures are:

Caretaker of North Cemetery	\$200.00
Caretaker of Eliot Cemetery	76.00
Caretaker of Glenwood Cemetery	30.00

The balance of this appropriation is used for bronze markers and flags and maintenance of maps.

MICHAEL TORTI, *Veterans' Graves and Burial Officer*

Michael J. Torti,
Director of Veterans' Services

Town Counsel

I submit herewith the Annual Report of the Legal Department of the Town of Natick.

I attended the Annual Town Meeting, one Special Town Meeting, the Selectmen's weekly and Special Meetings and many other meetings of Town Departments and Committees. I also noted a considerable volume of correspondence with the Boards, Departments and Committees of the Town.

I made two land takings by eminent domain on behalf of the Town and appeared at the Appellate Tax Board, the Civil Service Commission, the Natick District Court and the Middlesex Superior Court on many varied cases.

At the present time there is a considerable number of cases pending at the Appellate Tax Board and the Middlesex Superior Court.

RAYMOND J. DOWD, *Town Counsel*

Police Department

<i>Year</i>	<i>Full Time Employees</i>	<i>Part Time Employees</i>	<i>Budget</i>	<i>Expended</i>
1963	43	23	\$353,915.00	\$336,736.84
1964	43	23	367,962.00	355,938.63
1965	50	24	409,467.00	387,385.61

Below is a comparison of the Department Statistics for the years 1964 to 1965:

	<i>1964</i>	<i>1965</i>
Complaints requiring investigation	10,552	11,743
Arrests following investigations	1,210	1,253
Fines levied after investigations	\$16,591	\$26,743
Jail sentences	24 yrs. 6 mos.	27 yrs. 2 mos.
Value of goods recovered	\$41,550.99	\$21,817.00
Parking tags issued	3050	3167
Checks made on vacant homes, by request	7350	7475
Monies collected from parking meters	\$11,579.62	\$11,568.45
Parking fines levied	\$366.00	\$393.00
Miles police cruisers traveled	322,937	354,156
Persons fingerprinted (Aliens, Civil Service, etc.)	573	621
Violations referred to Registrar for action	220	365
Fees received from insurance companies for copies of accident reports	\$444.00	\$681.00

An article by James Mills, and published in *Life Magazine* of December 3rd, provoked an exceptional response from the public indicating an awakened interest in Law Enforcement problems. This is a hopeful sign to all who have labored in this field, hampered by Court decisions and general apathy. In Natick, we are fortunately free from most problems common to other communities. Race riots, youth problems, and serious crimes were practically nonexistent in the year 1965.

Crimes against the public order, at a low 165 for 1964, took another drop to 128 in 1965. This is due to the vigilance and ability of trained personnel. Crimes against persons have risen from 14 to 26, however, 21 of the 26 listed were for simple assault arising from family arguments, and were not of a serious nature. Crimes against property did increase from 60 in 1964 to 90 in 1965. A problem which has plagued our Department during past years is the vandalism occurring at our Public Schools. During the year 1965, we started an all-out drive to curb this vandalism. This drive has proved to be an outstanding success. We have received word from the Business Manager of the Natick Public Schools that there has been a decrease of approximately 50% during the year 1965, compared to 1964. We will continue these efforts in 1966, with the hope of curtailing this vandalism completely. Juvenile arrests total 36 in 1965, a decided improvement over the 52 of last year.

In 1965, Natick experienced two fatal accidents; this is one less than in 1964. Like every community, we had numerous personal injuries and

property damage cases following motor vehicle collisions. However, Natick will be honored by the A.A.A. with a Pedestrian Award, due to the absence of pedestrian deaths in 1965. The huge bottleneck at Speen Street and Route 9 is still our largest problem. The State Department of Public Works is now installing traffic lights from this area to Shoppers' World in Framingham, in an effort to alleviate conditions.

During the early part of 1965 an appeal went out from the Registrar of Motor Vehicles to all Police Chiefs throughout the Commonwealth, requesting the assistance of the local Departments in serving notices to delinquent Excise Taxpayers, and the picking up of their Registration plates, until these taxes were paid. Our Department has cooperated with the Registrar in this endeavor, and subsequently, thousands of dollars in delinquent tax revenue has been collected by the Town of Natick. We have received and processed over one hundred of these notices during the past year. This has required substantial time and effort by our officers, but the benefits received by the town have been rewarding.

The professional planned training of new recruits has been continued in 1965. Five officers were graduated from the State Police Academy and more will be sent in 1966. Two of our graduates have received high honors from the Academy. Richard Cashman earned a perfect mark of 100%, and Peter Reynolds received the title of top pistol shot in his class. This program has been supplemented by a one week of firearms instruction held for the entire Department at the outdoor range.

During the latter part of 1965 a new Alarm Console has been installed at the "Booking Area" of the Police Station. The Console has increased the efficiency and appearance of this area tremendously. It includes all the Burglar and Holdup alarms, which had previously been scattered at different locations throughout the area, and also includes the Police Radio and Receivers, call box recorders, and other paraphernalia necessary in the running of the "Booking Desk." The cost and installation of this new Console has been borne by the Banks and Merchants who have alarms installed at the Station, thus saving the Town of Natick a substantial amount of money.

The value of Natick's Auxiliary Police Force was proven once more during the power failure last fall. In every emergency and on all occasions, this group of public spirited citizens respond willingly.

The Policewomen form another valuable assist to the Police Department in their expert handling of traffic at school crossings and protection of children.

In conclusion, gratitude is expressed to the Townspeople and Town Officials for their interest and cooperation.

The entire number of arrests for 1702 offenses committed in Natick for the year 1965 was 1253. Of these 118 were males and 125 were females. The number of residents was 197, while the number of non-residents was 1054. There were 36 Juveniles included in this overall total. In addition there were some 1580 Warrants and Summonses served for other jurisdictions. A total of 36 Juveniles appeared before the Juvenile Session of the Natick District Court during the year 1965. Of the Juveniles, 20 were residents and 16 were non-residents of this town. 28 of the Juveniles were Males, and 8 were Females.

During the year 1965 there were 406 accidents investigated, which is an increase of 22 over last year. There were 249 Personal Injury Accidents investigated in which there were 401 persons injured. This represents an increase of 60 more persons injured this year, than in 1964. Included in this figure are 22 accidents in which pedestrians were involved, which also represents an increase of 7 this year.

On January 1, 1965, shortly after midnight, a 19 year old Wellesley youth was fatally injured, when the vehicle which he was operating struck an Edison Pole on Route 9, near the intersection of New Hampshire Avenue. At 9:00 PM on March 7, 1965, a 55 year old Ashland man was fatally injured, as the result of an accident in which the vehicle he was driving struck a tree on West Central Street, near Forest Street.

W. JOSEPH SHEA, *Chief of Police*

Fire Department

<i>Year</i>	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1963	78	\$542,256.00	\$526,432.33
1964	78	576,923.50	558,907.62
1965	84	599,029.70	587,404.65

PERSONNEL

- 1 Chief
- 4 Deputy Chiefs
- 7 Captains
- 8 Lieutenants
- 60 Fire Fighters
 - 1 Fire Fighter assigned as Mechanic
 - 2 Civilians assigned to Fire Alarm Division
 - 1 Civilian Clerk

APPARATUS

Engine #1, FWD 1949, 750-gallon pumping engine, located at the Summer Street Station is in good condition.

Engine #2, GMC 1955, 750-gallon pumping engine, located at the South Natick Station is in good condition.

Engine #3, 1957 GMC 750-gallon pumpimg engine, located at the East Natick Station is in good condition.

Engine #4, 1942 Seagrave 750-gallon pumping engine, located at the East Natick Station is in poor condition, in need of major repairs. Replacement of this pumping engine has been requested.

Engine #5, 1961 FWD 750-gallon pumping engine, located at the West Natick Station is in good condition.

Engine #6, 1956 International, combination Forest Fire and Foam truck is located at the Summer Street Station and is in good condition.

Quad #1, 1952 Diamont T, 750-gallon pump, hose, and hand ladder truck is located at the Summer Street Station and is in good condition.

Rescue #1, 1948 Dodge, is located at the Summer Street Station and is in fair condition.

Ladder #1, 1964 FWD, is located at the Summer Street Station and is in good condition.

Ladder #2, 1942 Seagrave, is located at the West Natick Station and is in fair condition.

Car 1 — 1966, Ford, located at the Summer Street Station is in good condition.

Car 2 — 1965, Chevrolet Station Wagon is located at the Summer Street Station and is in good condition.

GMC 1961 Panel Truck is located at the Summer Street Station is in fair condition. This unit should be replaced in 1966.

Fire Prevention car, 1962 Ford, is located at the Summer Street Station and is in fair condition.

Fire Alarm Truck, 1959 Ford, is located at the East Natick Station and is in fair condition.

Your new Fire Chief

Communications Division

FIRE ALARM

The fire alarm system is in good repair. Bimonthly tests were performed on all boxes including auxiliary systems in all schools, rest homes, and churches. Daily tests were made on all circuits and equipment. A total of approximately 20% of the fire alarm boxes were painted during the year. Necessary tree trimming has been done on all circuits and transfers made on poles being replaced or relocated.

New boxes have been installed at the Oblate College, the Highland building at the Walnut Hill School, the Outdoor Store, Filene's, and the Kennedy Junior High School. Subdivision developers have provided boxes on Indian Ridge Rd. (2) and on Roundwood Rd. and Deerfield Lane.

New street box installations include the following:

- School and Jefferson Sts.
- Fern and Proctor Sts.
- Oak and Bacon Sts.
- Worcester St. and Sears Drive
- Worcester St. and Wheeler Lane
- Clifton Rd. and Ridge Ave.
- West St. and Durant Rd.
- W. Central St. and Linwood Rd.
- Walnut St. and Walnut Ave.
- Shady Oak Lane and Madonna Ave.

Our underground cable system was extended with the installation of one and one-half miles of cable. Our aerial circuits have been extended

with a total of three miles of open wire. One-half mile of old line wire was also replaced this year.

The program of modernization and expansion should continue with the addition of ten street boxes per year to the areas with little coverage and completion of the **Fire Alarm operators console center**.

A mutual aid agreement is now being planned to provide quicker response to certain areas utilizing automatic alarm circuits.

POLICE ALARM AND TRAFFIC CONTROLS

The police alarm system has been serviced and periodically tested. Two new boxes were added to the system in the Sears Shopping Center area. Four additional police spotlights were installed on Worcester Street at both entrances to Sears and at Filene's entrance.

Beginning this year, this division has the responsibility of complete maintenance of the Police radio system. These radios have been serviced and required tests have been made. Preventive maintenance is now being performed to assure breakdown-free operation.

CIVIL DEFENSE EQUIPMENT

The ten audible electronic warning units have been tested and serviced monthly. Radio communications equipment has been maintained and required tests have been performed.

Fire Prevention

INSPECTIONS:

Nursing and Rest Homes	72
Hospital	27
Mercantile	3913
Schools — Public and Private	162
Churches and Synagogue	171
Clubs, Day Camps, Rooming Houses	66
Occupancy, Complaint and Investigations	51
Manufacturing	565
Oil Burners:	
a — applications for installation permits	128
b — inspection and permits issued	91
Liquefied Petroleum Gas Storage Permits Issued	15

An In-Service inspection program was started this past year and will continue. Each fire company will make inspections of commercial buildings in its own district. This program should reduce fire losses and provide the members of the fire department knowledge of potential hazards and their location and type of construction of the premises.

Record of Fire Alarms

The total number of calls responded to by the Fire Department increased in 1965 by more than 170 over the previous year which was an all time high for any one year.

Department activities were as follows:

	1963	1964	1965
Total number of calls	1325	1286	1457
Building and vehicles	221	221	198
Grass, brush, etc.	427	343	428
Emergency calls*	287	284	395
False and needless	157	164	167
Mutual aid rendered	16	18	24
All other	223	256	245

*Emergency calls include accidents, resuscitator, boat, and all rescue operations.

The year 1965 has been recorded as the dryest in history. Brush and woods fires increased and presented the department with many hazardous situations. However, with the apparatus and equipment being in good condition coupled with 100% effort put forth by the members of the department each instance was adequately coped with.

Year	Value of Property	Amount of Damage
1963	\$3,447,630.00	\$133,557.28
1964	1,132,605.00	57,743.13
1965	1,879,071.00	198,425.18

RICHARD D. FAHEY, *Chief of Department*

Fire Chief Fahey supervises nursing home fire safety and evacuation

Public Works Department

This is the forty-fifth Annual Report of the Public Works Department. Mr. Thomas L. Huddy was re-elected for a 3-year term to the Board of Public Works in March.

Mr. Roger Amoroso, Division Foreman of the Equipment Maintenance Department, retired after 38 years of faithful and competent service. We extend to him our best wishes for many years of health and happiness in his retirement.

The Department deeply regrets to report the death of Rudy Kadlik who passed away in October. Mr. Kadlick gave the town 14 years of true and faithful service.

Highway Division:

New Equipment: 1 Heavy Duty Dump Truck and Snow Plow
1 Sign Fabricating Machine
2 Chain Saws

The rest of the construction of Mill Street southerly to West Central Street is awaiting the buildup of our Chapter 90 allotments to include the cost of the bridge over the railroad.

The Chapter 90 Maintenance funds were spent on Eliot Street, South Main Street and North Main Street.

Catch Basins and the Storm Drainage System throughout the town were flushed.

The following streets were treated with asphalt and oiled peastone; in whole or portions of:

Auburn Street
Broad Avenue
Brooks Street
Carlisle Terrace
Cohns Street
Dover Road
Dwight Avenue
East Evergreen Road
Everett Street
Farrant Road
Felch Road
Front Street
Flynn Street
Glen Street
Hammond Road

Water Division:

No New Equipment was added in 1965.

1965 continued to be an extremely dry year. Water consumption increased but the peak use periods were not as high as other years because of the voluntary ban on water. The Commissioners wish to thank the townspeople for their cooperation. Construction of the new Water Reservoir in the Town Forest was started and should be completed by midsummer of 1966. This will help alleviate the areas troubled with low pressure during the heavy flow periods.

The Pine Oaks Water Pumping Station #3 was completed this year.

Seventy (70) new water services were installed with seventy-four (74) services being relaid.

Following are lengths and sizes of water mains installed in 1965:

<i>Name of Streets</i>	<i>Size of Pipe</i>	<i>Length in Feet</i>	<i>Size of Gates</i>	<i>Number Installed</i>	<i>Hydrants</i>
Indian Ridge Road	8"	1050'	8"-6"	4	2
Speen Street	12"	1500'	6"-12"	3	1
Fiske Lane	8"	900'	8"-6"	3	1

The Commissioners of Public Works wish to express their appreciation to all Employees of the Department for their service rendered during the year.

THOMAS L. HUDDY, *Chairman*

RICHARD A. ROBBINS

DANIEL J. O'LEARY
Board of Public Works

Forestry Department

The Forestry Dept. reports the removal and disposal of 20 confirmed Dutch Elm diseased trees on private property, under Article No. 43, passed at annual town meeting of 1961. Bills were issued to the property owners so involved. The department also reports the removal and disposal of 100 confirmed Dutch Elm diseased trees on town property. The sanitation method such as proper trimming, pruning, spraying, removal and disposal of diseased trees continues to be our best weapon in controlling the disease.

In accordance with the provisions of Section 21C of Chapter 94B of the General Laws, inserted by Chapter 521 of the Acts of 1962, licenses have been granted to 4 present employees of the department to apply pesticides to land of another in the Commonwealth of Massachusetts.

In late March and early April a dormant spray was applied to the Elm trees in an effort to curtail the elm bark beetle, which is the carrier of Dutch Elm disease. A leaf spray was applied to our elms for elm leaf beetle through April, June and July. The department continues to use only the insecticides approved and recommended by the Shade Tree Laboratory at Amherst and the Waltham Field Station.

Our program of pruning and trimming for deadwood, hanging limbs, for sidewalk and street clearance was again carried out throughout the town.

One of the biggest problems facing shade trees this past year was the drought. One season of drought does little harm to the trees, but with 3 seasons and 2 years of this lack of sufficient rainfall, trees are becoming weaker. The possibility of failure to leaf out at all is possible on some of the weaker trees.

The sturdy maples, hardiest of the New England shade trees are being severely affected by the prolonged drought. Other contributing factors are — girdling roots, narrow tree belts, soil compaction, absence of topsoil, mechanical injuries, gas, construction, grading and vandalism. The street trees have suffered because of their location of being hemmed in by sidewalks and surfaced roads and therefore, they lose the rain that does fall, as it runs off into surface drains.

Limbs of affected trees should be pruned after the extent of the die back becomes known. Fertilizer and water throughout the summer will help restore affected trees.

Oak trees have withstood the drought better than many other varieties of shade trees. They have proved to be more drought resistant.

Trees were removed at the following schools in cooperation with the School Department: Coolidge Jr. High, Eliot, Lilja and the West schools.

This department received assistance from the Dept. of Natural Resources, Bureau of Insect Pest Control in the form of removing of diseased elm "butts" and scouting of the town for suspected diseased elm trees.

Extensive trimming of the Town Forest roads and trails is being carried on at the present time and will continue in the future. A total of 60 stumps were removed throughout the town during the past year.

WILLIAM F. YOUNG

Tree Warden and Moth Superintendent

School Committee

The School Committee must each year review and evaluate the *total* program of the school system. In this process, reading instruction, pupil guidance, programs for the gifted, foreign language instructions, library services, and the entire curriculum spectrum must all be reviewed and maintained, curtailed or expanded in the next year's budget. At the same time basic policies concerning class size and salary schedules, each having a substantial impact upon the budget, must be adopted. Arrangements must be made for the operation and maintenance of the plants. Each competing demand must be weighed against the local tax rates needed to finance them. Thus, the School Committee from its vantage point must face up to the hard choices of budget making for the total program and the realities of getting the job done.

The School Committee must also project capital needs for a five year period. The housing facilities for the secondary level appear to be resolved for the immediate future with the completion of Kennedy Junior High School and the fine progress on the high school addition. The time schedule for capital outlay projects, subject to annual review, is as follows:

- 1966 - a) Land acquisition in the South Natick area.
b) Funds to prepare plans and specifications for a Field House at Memorial Field.
- 1967 - a) Construction of Field House
b) Acquire funds to prepare plans and specifications for the elementary school in South Natick.
- 1968 - a) Appropriation of funds to construct and equip a new elementary school.
- 1971 - a) Consideration to the abandonment of at least two of three schools built originally in 1903 and replacing these facilities with up-to-date teaching spaces.

Three Shakespearian plays were presented by a professional repertory group under the sponsorship of the Herald-Traveler Corporation. The School Committee enthusiastically endorsed this cultural program and made the High School Auditorium available for a period of six weeks. Its success was gratifying since over 30,000 students from Natick and the surrounding communities attended and enjoyed the performances.

Among many actions taken by the Committee was the approval of a teacher exchange program under the sponsorship of the U.S. State Department and the U.S. Office of Education. Raffaello G. Guiliani of Aberdeen, Scotland is a member of the Wilson Junior High School Staff as a teacher of English, while James F. Murphy has assumed his duties in Scotland. The interchange has been most interesting and worthwhile.

A committee of faculty members has been assigned the task of acquiring information regarding a program for Continuing Education for Adults. The interim reports have been very encouraging and a decision will be forthcoming during the next few months.

Much of the time of the School Committee has been devoted to new and proposed legislation that will have a direct bearing on the future of education. As a result of the adoption by the Legislature of the report of the Massachusetts Education Study Commission, the state education program will be revised and educational opportunities equalized. The federal government has passed a number of laws relating to general education. All of these require time and personnel to review and evaluate the impact in relation to individual school systems.

The School Committee was pleased to name the auditorium in the Kennedy Junior High School after Leland G. Hollingworth, an educator and author, who devoted nineteen years of dedicated service to the students of Natick as a member of the Natick School Committee.

It was with regret that the School Committee received the resignation of Roger D. Williams effective September 8, 1965. His contributions to the school system as well as the community at large have been tremendous. His loss was keenly felt by all concerned but his move to New York City for business reasons made it necessary for him to leave Natick. On September 20, 1965 at a joint meeting of the Board of Selectmen and the School Committee, held in accordance with the provisions of Section 11, Chapter 41, of the Annotated Laws of the Commonwealth of Massachusetts, C. Bernie Sigalove was elected to serve until the next annual election.

Sincere thanks are extended to the town officials and boards, to the Parent-Teacher Associations, and to the citizens of Natick for their cooperation and assistance. Their support and confidence has been both gratifying and appreciated.

PAUL S. AMBLER, *Chairman*

GAIL E. COSGROVE
FRANCIS E. ORDWAY

School, police and fire officials jointly plan safety

Superintendent of Schools

The respective roles of the federal, state, and local governments are coming into clearer focus. Federal and state programs will have an effect on the budgetary plan at the local level. They have been specifically designed to supplement, not supplant, local assistance programs and should be considered apart from regular budget planning. The principal instrument stimulating this new partnership was the Elementary and Secondary Education Act of 1965 passed by the United States Congress. The question is not whether the federal government should be a partner but how to use the partnership. Close cooperation between public schools and colleges will help close the gap between research and classroom practice. Bringing private school children under the federal aid umbrella creates a new partnership between public and private schools.

The role of the state is well defined by law and tradition. It is required to establish and maintain a system of free public education. Although this is exercised by delegating responsibility to local school districts, it does not remove the authority and fundamental legal responsibility of the Commonwealth. The local school committees have the delegated obligation under law for operating public elementary and secondary schools. Policies governing this operation are developed and are enforced to the end that the education programs are adjusted to local conditions. Educational needs are best known at the local level.

Over the years many studies have been initiated in the General Court to resolve and improve education throughout the entire state. The most recent and possibly the most significant was the report of the Massachusetts Education Study Commission. As a result of this report, legislation has been passed to equalize educational opportunity as well as to improve the level of quality. These measures will be meaningless, if adequate state funds are unavailable to cities and towns for the implementation of the Commission recommendations. To achieve the goals established by the Educational Study Commission not only will it be necessary to provide the monies, but it will also be necessary to assure that the funds be distributed on the basis of the need, ability and effort of each community.

To keep informed on the ramifications of each new legislative act, as it might affect Natick, requires the talent of many staff members. These able people devote much of their time beyond regularly assigned duties studying legislation, and suggesting and writing projects in order to meet the eligibility requirements for the funds. Major projects under PL-89-10 are underway at this time — creation of a Supplemental Education Center in cooperation with four area communities — submission of a project to improve and expand our library facilities — preparation of plans for the planetarium — as well as a project that will have implications on our summer school program.

We can be proud of our achievements to date — without being satisfied. We must be alert to changes in education, to possibilities of improvement in the future and to set higher goals for succeeding years. Education is an investment that we cannot afford to abandon by default. For the

first time the nation as a whole is gearing up to the urgent educational reforms demanded by the challenges of the times.

Your attention is directed to the following reports submitted by the Assistant Superintendents.

ELEMENTARY EDUCATION

Establishing a functional curriculum which will prepare our elementary school pupils to meet the challenges on the basis of what we know and what we need to know becomes the primary task of the public schools.

It is apparent that our elementary school program in order to accomplish successfully its goals must take into account the explosive development of modern teaching tools. In other words, we must continually supplement our methods of instruction with educational devices, which will help students in the acquisition of knowledge and make it possible for them to reinforce their skills of learning.

In order to provide students with educational opportunities adequate for our time, the Natick Public Schools have established a program of educational research. Committees composed of staff members have worked on a continual basis studying and revising where necessary our curriculum. It is interesting to note that our curriculum guides are up-dated on an annual basis and completely rewritten every five years. We are pleased with the results of this cooperative research, especially since there is a significant rise in the achievement scores of our students.

A comprehensive program of research and development is an essential part of our public school system and must be expanded in order to assure the future growth of our elementary schools. There must be a constant evaluation of such educational practices as instructional grouping, team teaching, and ungraded classrooms. We must periodically decide whether

Physical education starts early in the elementary schools

33,000 students and over 7,000 adults attended three Shakespeare plays at Natick High School during the fall. The program was sponsored by the Boston Herald-Traveler Foundation

or not a specific educational program should be retained, modified, or replaced. There are a number of experimental curriculum programs presently in operation in our elementary schools. These pilot studies are being evaluated in terms of the following criteria:

1. Does the new program improve a child's learning?
2. In what way, and to what extent, is the curriculum change an improvement over the procedure employed in the past?
3. Does the new program create a more appropriate atmosphere for the acquisition of knowledge and the development of the skills of learning?

Kindergartners are introduced to art

Field trips such as this one to the Great Seal at the State House teaches students about government operation

It is apparent that the success of our educational program depends to a large degree upon the creative administrative talents of our principals. For example, the elementary school principal provides instructional leadership through a comprehensive program of supervision. He serves as a resource person. It is apparent that secretarial assistance has made it possible in recent years for the principal to devote more time to the important duty of classroom supervision.

The elementary schools are justly proud of our curriculum resource personnel — specialists in their respective professional fields who provide services that complement the daily work of the classroom teachers. This supervisory staff includes a Curriculum Coordinator, Audio Visual Aids Director, Reading and Testing Consultants and Library Assistant. In addition, teaching specialists instruct on a scheduled basis in the fields of art, music, and physical education.

We acknowledge the fact that parents play a significant role in the total implementation of our elementary school program. For example, Parent-Teacher organizations help to create an environment of mutual understanding, which adds to the effectiveness of our instructional process. The schools are certainly appreciative of the assistance provided by parents who volunteer to work on a daily basis in our elementary school libraries. Perhaps such volunteers might be used in future years to assist teachers on non-instructional duties, especially in kindergartens and special classes.

Special educational services for the elementary school children have been expanded recently. Such services are in accord with modern educational theory, and provide qualified personnel in the fields of psychology, speech, hearing, counselling, and health. During the next school year these

educational services will also include programs in guidance and special education for emotionally disturbed children.

In order to house adequately our elementary school children additional classrooms will be needed in the immediate future. Facilities should also be provided for personnel who serve as instructional specialists. This problem should be partially solved, if a new elementary school is built in South Natick.

We are pleased to report that federal funds have made it possible for the elementary schools to purchase additional reference books and instructional equipment. Teachers are now able to present a more meaningful educational program, with such up-dated equipment as over-head projectors, photo-copying machines, and special training devices. It is interesting to note that approximately five thousand dollars in federal funds was received for instructional purposes in the elementary schools during the past year.

Educators generally agree that kindergarten instruction constitutes the foundation of a child's school life. In this regard, Natick can be justly proud of its accomplishments. The kindergarten curriculum is structured so as to include a comprehensive readiness program. Consequently, a child quickly adjusts to his school environment, while preparing for the academic formalities of his future education.

SECONDARY EDUCATION

The goal of the Natick Secondary Schools, as has been emphasized in my previous reports, can be stated in one word — "excellence". The educational program of our high school and our junior high schools must be geared to excellence and the excellence must reach every pupil in those schools. Recognizing that the business of education is our primary function, we have given top priority to the improvement of the instructional program. In a system of our size, with an infinite variety of pupils' intellectual capacities, this might appear to be a difficult task. Difficulty, however, is no excuse. It merely means greater effort.

There are three areas in which our continuing efforts must always be concentrated — curriculum development, improvement of instructional materials, and the supervision of teaching. With reference to the latter category, you have been kept informed through the teacher evaluation reports of the excellent work performed by the principals, vice principals, department heads, and special supervisors. I shall not, therefore, comment upon what is repetitious and will confine my observations briefly to the areas of curriculum development and the improvement of instructional materials.

As part of our continuing effort to keep our curriculum and courses of study up to date and responsive to the changing needs of our students, we have completed in coordination with the Division of Elementary Education the fifth year of a broad summer program involving two-week curriculum workshops. During these five years several dozen teachers, supervisors, and curriculum consultants participated in rewriting curriculum guides for the language arts, social studies, mathematics, science, foreign languages, business education, physical education, and for the special classes. Although

some valuable work in curriculum revision is done in after-school meetings during the school year, the real vitality and essence for success in such work can be accomplished in the summer months. The summer workshops make it possible to assemble a professional staff of wider experience and talents for this exacting work without disrupting the instructional program during the normal school year. Periodic in-service meetings of short duration have taken place, however, since the opening of school with representatives of specific subject areas in attendance. To meet the requirements of the National Defense Education Act these latter groups have developed long range plans for the improvement of instruction in English, science, foreign languages, and mathematics. Their commendable plans have been cited by the Massachusetts Department of Education for their depth, their foresight, and their over-all excellence. The plans have been used by that

Behind the educational scenes skilled personnel operate the communication system and repair teaching equipment

agency as examples to be followed by other communities. As a result of the work of the "long range" groups, special projects from the secondary schools valued at over \$150,000 have been approved during 1965. The federal government will participate in the cost of projects to the extent of about \$44,000.

The ever-increasing needs of our children within a complex society make it necessary for us to surround them and our teachers with special instructional materials, equipment, and textbooks. The acquisition of such will cost much money and explains in part the annual increases in the budget requests of the secondary schools. Budget increases based mostly on the factor of increased enrollment cannot be reconciled. The effective educational development of an entire generation of Natick pupils is at stake. They must be kept abreast of the technological advances and the "knowledge explosion" which have had such a tremendous impact on the kinds of materials we employ in our classrooms. In striving for excellence throughout each of the Natick secondary schools, we intend to seek new approaches and innovations. While the preservation of "old" knowledge and the established methodology of imparting it are considered sound, new facts and new urgencies will no longer permit the comfortable assumption that "the old ways are always the best ways".

To determine the educational and occupational objectives of our students, an annual follow-up report is conducted for each graduating class. Below is listed this pertinent information for the Class of 1965:

Summary of Those Attending School of the Class of 1965

	<i>Number</i>	<i>Percent</i>
Four-year degree-granting colleges	200	40.0
Junior College	36	7.2
Business Schools	30	6.0
Preparatory Schools	20	4.0
Schools of Nursing (non-degree)	13	2.6
All other schools (technical, art, beauty culture, etc.)	22	4.4
	<hr/> 321	<hr/> 64.2

Summary of Occupations of the Class of 1965

<i>Employed</i>	<i>Number</i>	<i>Percent</i>
In offices	42	8.4
In Retail Trade	41	8.2
In Construction and Maintenance	25	5.0
In Industry	25	5.0
In Transportation and Communications	7	1.4
At Home	7	1.4
Members of Armed Services	17	3.4
Married	9	1.8
American Field Service	1	.2
Unknown	5	1.0
	<hr/> 179	<hr/> 35.8

It must be pointed out that the operational success of the entire school program results from the cooperative efforts of many. We are fortunate to have competent staffs and administrators eager to convert their professional training and experience into educational service to the students and to the community. They recognize their deep responsibility and pledge to continue to provide students with a program of educational excellence.

I express my deep appreciation to the School Committee, to the administrative staff and to both the teaching and non-teaching personnel for providing the young people of Natick with the best possible education. Their cooperation and dedication, along with the cooperation of other town departments and committees, have been a source of gratification.

	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1964.....	11	\$102,086.00	\$89,053.08
1965.....	11	111,215.53	98,232.14

The Morse Institute Annual Report for 1965 is hereby submitted.

A total of 270,260 books were circulated at the Morse Institute in 1965. This is one of the largest circulations in the history of the library. Three thousand eight hundred and twenty-four new books were added to the library's collection and 2,755 were discarded. All of this was accomplished in spite of all the difficulties and inconveniences in connection with the new construction and renovations to the old building.

Since the library expects to have an increased book budget in 1966, it plans to buy more books and to weed extensively the old, out of date material and replace it with new editions wherever possible. In the field of science the subject matter changes very rapidly and these books, which are expensive, have to be brought up to date quite frequently.

Natick is part of the Massachusetts Eastern Regional Library System, which is the last of the regional systems in the state to be organized. Since this region covers such a large area, there are many technicalities and legal points to be settled before the service can be in full operation. In July, a beginning was made when a new Inter-Library Loan system was inaugurated, whereby all inter-library loan books are requested through the Boston Public Library. This service is proving very efficient and helpful. It is expected that other services will be available in 1966.

Again in 1965 the sum of \$7,207.75 was paid to the Town Treasurer by the State Treasurer, as the library had met the minimum requirements for the "State Grant for Free Public Libraries." This money was then appropriated by the Town Meeting as part of the Library Budget for the purchase of books, records and microfilm.

This past year there have been no Great Books Discussion Groups, due to lack of interest. By another year it is hoped that there will be enough people to form a group.

Both Bookmobiles continued to provide library service for those borrowers living some distance from the center of town. The Adult Bookmobile added four new stops to their schedule: Appleton Road, Crescent Street, Fiske Street and Pine Street. These have proved very rewarding. The School Bookmobile has a full schedule with its weekly visits to six elementary schools. In July, it made stops twice a week at the school playgrounds. In August this Bookmobile was painted on the inside. It is now fourteen years old and will need to be replaced in the near future. Since April the two Bookmobiles have been garaged in their new quarters at the

library. It is much more convenient for loading and unloading books and in cold weather, the temperature inside is warm when they start out in the morning.

The Children's Library opened its attractive new room to the public the last of June, after being closed only one week, while the books were moved from the old room to the new one. The new room has a gift of a lovely stained glass window, depicting "Alice in Wonderland." The color scheme and the carpet on the floor, as well as the new furniture, add warmth and an atmosphere conducive to browsing and quietness. It is most gratifying that the parents and the children are very happy with their new surroundings. Each class from the Center School visited the Children's Room monthly and the Special Classes from the Lincoln School came several times during the year. A Girl Scout Troop was given instruction in the use of the library.

With the cooperation of the Evening Division of the Natick Woman's Club, it is hoped that a story hour for pre-school children will be started early in 1966. This will be held in the Children's Library in the morning, once or twice a month.

Early in the fall the Adult Department gradually began to use its new charging desk, reference room, young people's section and the adult browsing area. These too are most attractive and pleasing to the library patrons. Now the adults and the teen-agers each have their own areas. The new work room under the children's library is a large spacious room which is being used for all the cataloging, processing and mending of books.

The record collection will be expanded next year. It is now located near the entrance to the stacks and is already being used to a greater extent. The records are more accessible and there is more shelf space. Early in 1966 there will be two turntables, equipped with earphones, for playing records in the library, for those who do not wish to borrow them.

The Library is grateful to all those who loaned their collections for exhibit in the display cases in both the adult and children's libraries. They were varied and most interesting and were a great attraction for the library patrons.

The Librarian attended State and Regional meetings in Boston, Wellesley, Westwood and the American Library Association Conference in Detroit.

There were three changes on the staff in 1965. In January Mrs. Doris Bower was appointed to fill the vacancy left when Mrs. Ruth Powers retired. Mrs. Stella Shen, a Library School graduate, was appointed to fill the vacancy left when Mrs. Sandra Cecil resigned. Mrs. Sarah Sellew was appointed Treasurer's Clerk to take the place of Mrs. Dorothy Holbrook who resigned after ten years of faithful service. The position of Children's Librarian is still open. It has not been possible to find an experienced Library School graduate to fill this vacancy.

Many books and magazines were presented to the library during the year. Of these, several of the books were memorial gifts. The Library is very grateful for these. Thanks should go to the Natick *Bulletin* and the Suburban Press for the gift of their respective papers and for printing the library news; also to the Natick Federal Savings and Loan Association for the bookmarks and to the Natick Trust Company for the envelopes for the borrowers' cards.

The Library is very grateful to the Natick Garden Club for its gift of two lovely hawthorn trees which were planted on the lawn on either side of the front walk on Arbor Day. They add to the attractiveness of the newly landscaped grounds of the library. The several flower arrangements brought in by members of the club were greatly admired by the staff as well as by the library patrons.

The Memorial Garden for World War II and the Korean War veterans will not be completed before late spring. The name plaques still have to be installed. An espalier pear tree, which was a gift, was imported from France and planted last April in the garden.

The main part of the construction and renovating has been completed. But there are still a number of minor details to be finished before the building will be completed. It is hoped that everything will be ready for an open house in the late spring.

The Librarian would like to express appreciation to the many borrowers who were so patient and understanding, when greatly inconvenienced during the renovations. Many days it was difficult to find a way into the building. In spite of all the extensive changes that were being made in the old building, the library was able to stay open with the exception of the one week when the Children's Room was closed.

In 1966 the Library Staff is looking forward to giving library service in its newly expanded facilities. When it is complete, the second floor will be available for meetings of civic or cultural groups in the town. The seating capacity will be about 60. It is planned that a record player, movie screen and projector will be available later on in the year. Also on the second floor will be a historical room, which is being furnished by the Rotary Club in memory of one of its members. This room will be used by those doing research in Natick history or genealogy.

Next year the library plans to work out better public relations with the schools as regards the student assignments, so that there may be advance information on the subjects and books required for the students' papers. The library cannot hope to have enough copies of any one book for a whole class, but plans to have supplementary material available.

The Librarian would like to express her appreciation to the staff for their loyalty and cooperation, especially during all the confusion and difficult working conditions necessitated by the renovations, also to the Trustees for their devotion, help and understanding.

ELIZABETH H. PARTRIDGE, *Librarian*

Trustees of Morse Institute

During 1965 the Board of Trustees devoted much time to the construction phase of the addition to the library and to the renovation of the original structure — the culmination of a three-year modernization and expansion program authorized by the Annual Town Meeting of 1962 and 1964. We can assure our fellow townsmen that the “new” library will be an excellent facility and an outstanding asset to the community. The library staff, we feel, can point with justifiable pride to the fact that service to the library clientele was not curtailed during this most trying and irksome interval. At the time this report is submitted the project is practically complete. There remain some minor corrections and adjustments which have not yet been accomplished to our complete satisfaction. A final, separate and detailed report will be made available during 1966 by the Board in their capacity as a building committee.

Substantial gifts, for which the trustees are especially and immeasurably grateful, were presented to the library during the past year. The gift of a beautiful stained-glass window for the new Children’s Library was received from an anonymous donor. The Rotary Club of Natick has donated the furniture and furnishings for a study room on the second floor as a memorial to one of its deceased members.

We would be remiss if we did not express our sincere appreciation to the thousands of library patrons for their cooperation and understanding during the progress of the work. Special recognition and thanks also is hereby publicly extended to Miss Elizabeth Partridge, Head Librarian, and to her staff for their loyal and dedicated service. We recommend that Miss Partridge’s excellent 1965 report of the library activities, which is published nearby, be closely read by all residents of Natick.

HENRI PRUNARET, *President*

ANDREW B. GOODSPEED

WILLIAM F. BIGELOW
WILLIAM M. CAREY

Recreation Superintendent

Recreation is not facilities, fields, equipment, activities, etc. Rather Recreation is *PEOPLE*, people enjoying themselves, living a more full and rich life and at the same time satisfying many of life's basic social and psychological needs. Recreation means different things to different people and, therefore, is quite difficult to plan and administer, but the process can be greatly assisted by the suggestions of participants and the general public. We greatly appreciate, in fact solicit, your suggestions and comments. Our sole reason for existence is service to you.

One of the highlights in the Recreation Department's 1965 year was the hiring of Natick's first full-time Assistant Superintendent. The Recreation Commission's choice for this position was Mr. Michael J. Rourke, a native of Farmington, Connecticut and a graduate of Springfield College. Mr. Rourke majored in Community Recreation while attending Springfield. Mr. Rourke's main function is the supervision of the department's organized programs, a task formerly done by a rather large number of dedicated part-time personnel. It is anticipated that with a person specifically trained for this type of position and whose entire year-round attention is devoted to Recreation, the overall efficiency and level of service of the Department will increase appreciably.

REPORT OF ACTIVITIES

Summer Playgrounds:

The playgrounds in 1965 enjoyed one of their most successful seasons. Thirteen playgrounds plus two special areas, the Town Forest Natural History and Conservation Center and the new Teenage Sports Playfield at Coolidge Field provided 7 weeks of Recreation for over 2,475 different Natick youngsters. The 1965 attendance of 41,389 is an increase of 13% over the 1964 season figure of 35,588.

The value of the Playgrounds cannot simply be measured by statistics. The real value of playgrounds can be seen with the development of the *WHOLE* child as he participates with his group in Special Events, Arts and Crafts, Music, Rhythms, Puppetry, Creative Dramatics, Quiet Games, Active Games and Sports.

It is impossible to evaluate what the playgrounds meant to each youngster in Natick individually, but we do know from their regular attendance and sincere enthusiasm that they enjoyed themselves tremendously and were sorry to see the Playground season end.

Typical special events and activities of the playground included family nights, Joseph Lee Day, the All Town Tournament, a trip to Carousel Theatre to see "Sound of Music," a trip to the Trailside Museum at Blue Hills, and the annual Track and Field Day. A new program was the first annual Pet Fair — materials were distributed on the proper care of dogs, and of cats, nutrition hints for pets and proper care and treatment of all pets. These special activities added much to the regular program on the playgrounds.

Athletics and Sports on the playgrounds were extremely successful and greatly extended due to the efforts of the Boys Sports Specialist and

Neetega Group of Recreation Department hold birthday party for foreign exchange student

the Girls Sports Specialist. The annual Summer Basketball Tournament, won by Whitney Playground, ran very smoothly. Murphy captured the Senior Baseball Championship, while Bennett-Hemenway won the Junior Championship, Johnson Playground won the annual Track and Field Day Event and Cole accumulated the most points in the All Town Tourney. The Lincoln Playground girls won the Girls Softball Championship. These leagues and tournaments comprise but a small part of our daily sports program on all the playgrounds. This year's broad overall program included strong emphasis in the teaching of skills in Soccer, Badminton, Paddle Tennis, Flag Football, Tetherball and a variety of other individual, dual, and team sports to meet the needs of all the youngsters of Natick.

The first year pilot Teenage Boys Sports Program at Coolidge Field was successful. After a somewhat slow start attendance increased steadily and our last week's attendance was over twice that of the 1st week. The aim of the new program was to help teenage boys find constructive ways to spend their leisure time. With summer jobs becoming increasingly difficult to obtain, the teenager desperately needs an opportunity for wholesome activity. We feel this program contributes to this end. Boys enthusiastically participated in activities such as Baseball, Basketball, Flag Football, Horseshoes, Track and Field, Volleyball and Special Activities.

Tennis:

Tennis instruction for the children of Natick were again held this summer at the Natick High and Wilson Junior High Courts. Three Hundred and Twenty-One different youngsters took part in the program, which was a 25% increase over the previous year.

Because of the great demand, we plan to provide another program of tennis instruction at the Kennedy Junior High Courts in 1966, in addition to the two already in operation. This will give even more youngsters a chance to play and to learn the fundamentals of this popular and ever-growing sport.

The program concluded this year with a tournament between the youngsters at the High School and Wilson Courts, and finally with an inter-town meet with Framingham. The Natick youngsters won this Second Annual Framingham-Natick Match.

Outdoor Basketball League:

Another successful Summer Basketball season was enjoyed this year in both the Outdoor Basketball League and the P.A.L. League. In addition to pre-game practice sessions, 74 games were played which involved 130 boys. Large crowds were on hand at the Whitney Courts to view all the games, which not only provided spirited competition, but enjoyable exercise for the players.

The P.A.L. League wound up in a tie and the KNICKS finally won the championship in a playoff with the CELTICS. The Outdoor Basketball League was won by the Fair & Yeager team.

The success of these two programs is due mainly to the efforts of volunteer coaches and aids and through the generosity of sponsoring organizations such as the Elks, Fair & Yeager, Farrell Signs, First National Bank, Natick Federal Savings & Loan, Natick Five Cent Savings, Natick Trust Co. and the Police Department.

Memorial Beach:

Memorial Beach, at Dug Pond, is the Recreation Department's largest single program. The Beach, a very busy spot, had an attendance increase of 7,000 over 1964.

Interest in the Swimming Instruction program continues to grow, an all-time high of 2,200 were registered for the classes. To help alleviate the excessively large classes, an extra swimming instructor was added to the staff this past summer. Seven dedicated and tireless teenagers devoted almost 1,500 hours of volunteer service. Without their help the Instruction Program would have to be drastically reduced.

Beach improvements included the depositing of over 200 yards of fine beach sand this past summer. In addition, several large bicycle racks were constructed and installed. The most important improvement at the Beach is anticipated this year. At the 1966 A.T.M. an article will be introduced that will provide for the erection of a much needed swimming pier system.

Programs for the Handicapped:

A fine staff which provided a broad program of quiet, active, and table games, special events, music, arts and crafts, swimming, and camp crafts produced a most successful season for the Department's physically handi-

capped day camp, CAMP ARROWHEAD. A large part of each camper's day is spent in the water for recreational swimming as well as instructional swimming. Strong emphasis, in all program activities, is placed upon developing the potential of each child to the limit of his capabilities. All activities, of course, are adapted to the individual child's ability.

The Recreation Department owes a great debt of gratitude to the Amputee Veterans Association for the use of the Association's property on Lake Cochituate. A combined reunion of Camp Arrowhead campers and a workshop in Campcraft skills for leaders was held at the Amputee Veterans property this past April. Over 60 persons were in attendance.

Transportation for **MENTALLY RETARDED CHILDREN** to the Framingham Day Camp was provided by the Recreation Department. A summer day camp in Natick for the mentally retarded child must be considered in the very near future. The Commonwealth Department of Education would reimburse Natick 50% of the cost of operating such a program.

The Department's 10 week Fall, and 10 week Spring **INDOOR SWIMMING PROGRAMS** for the physically handicapped have continued to increase in attendance. Both programs, which are held at Babson Pool, have capacity enrollments. A fine group of volunteers assist a very able staff.

Did you ever see a happier king and queen?

Fall-Winter-Spring—Indoor/Outdoor Children's Programs:

These afternoon, early evening, or Saturday morning programs show a small increase in attendance over the same period in 1964. These programs include: FALL PROGRAMS in Junior Flag Football for Junior High age boys, Elementary Age Flag Football for boys, and Elementary Age Soccer for Girls. WINTER PROGRAMS include: Girls Recreation for Elementary and Junior High age girls, Elementary age Boys Basketball, Junior High age Boys Basketball, Elementary age Boys and Girls Volleyball, High School age Boys and Girls Gymnastics, and Children's Theatre which in 1965 concluded their season with the production of "The Emperor's Clothes." SPRING PROGRAMS included: Boys and Girls Indoor Swimming Instruction, Elementary age Boys Soccer and Track, and Elementary age Girls Softball and Track.

NEETEGA:

This group, supervised by the Recreation Department, reached a new high in membership (1275) this past year. In addition to the 24 dances it operated, Neetega also conducted a Leadership Training Workshop for its Council members and officers and two Orientation Seminars for its new Council members. Neetega and the Recreation Department would like to thank Town Moderator, Mr. Francis McGee for his presentation of "Parliamentary Law and Procedures."

Neetega activities also included a trip to Crane's Beach and a 2-day ski trip to Vermont. The ski trip this year had a slightly different wrinkle. After skiing the first day, the group was served supper by a group of local mothers at the Woodstock Vermont Community Center. A dance with the Woodstock Community Center's Teenage Club followed.

Neetega also took part in several community service projects such as serving as volunteer Santa's Helpers, fund raising for the American Field Service Foreign Exchange Student Program, fund raising for the 4th of July Celebration, Sponsorship of a team in the Babe Ruth League, and distribution of Recreation Department Program Outlines. Neetega also provided recreation services for nursing homes.

Adult Programs:

Adult programs this past year included Men's and Women's Golf Instruction (a new Monday morning class was added this year), Men's and Women's Badminton, Men's Volleyball, Men's Slo-Pitch Softball, Men's Hoop League and the ever popular Adult Hobby Classes. Adult Hobby Classes this past year included: Sewing, Advanced Dressmaking, Cake Decorating, Bridge, Oil Painting, Painting Workshop, Ceramics, Interior Decorating, Flower Arranging and Design, Furniture Refinishing, Rug Braiding, and Women's Slim Trim. Two new and very popular classes were added this year — Investments and Securities and Holiday Crafts Workshop.

Senior Citizens Club:

This very active group meets the 1st and 3rd Wednesdays of each month during the Fall, Winter, and Spring at 1:30 P.M. in Sherrill Hall.

This past summer, as in previous years, the Senior Citizens Club sponsored numerous bus field trips. Any "Senior Citizen" of Natick is cordially invited to come to the meetings and share in the fellowship.

Special Events:

Several Special Events highlighted the Department's 1965 year. Our Annual TABLE TENNIS TOURNAMENT, with a great assist from Mr. and Mrs. Ted Nowak, continued to be a popular event for boys and men. The tournament held during the February School Vacation at Wilson Junior High School had competition for children in the afternoon and competition for adults in the evening.

An AWARDS DINNER honoring the volunteers at Memorial Beach and Camp Arrowhead was held at V.F.W. Hall. Members of the Emblem Club and the V.F.W. Auxiliary prepared and served the meal; the first of what we hope will be an annual affair. Recognition programs for other volunteers are also planned.

By far the most popular 1965 Special Event was the Department's 1st Annual FESTIVAL OF ARTS held the Saturday after Labor Day. This "sidewalk" art exhibit, on the Natick Common, attracted 59 exhibitors (displaying 15 different media) and well over 1,000 visitors.

Areas and Facilities:

The remaining 50% of the chain link fence and the backstops at Coolidge Field were painted this year. A new floodlight was installed to light the children's skating area just outside the Coolidge Hockey Rink. The Hockey Rink boards were also painted. The Department will introduce an Article in the 1966 A.T.M. which would authorize the installation of a much needed 2" water service, which would help to maintain this very heavily used area. An attempt was made to reseed a large bare turf area: Mother Nature, however, lent little support. The success of the seeding will not be able to be determined until May.

The Multi-Purpose, hard surfaced area constructed in South Natick this past summer received a great deal of use by adults and children alike. Also in South Natick the remaining Hunnewell Field stone walls were repaired. An Article will be introduced at the 1966 A.T.M. seeking authorization to repair a portion of the stone wall at Shaw's Park.

A new water fountain to replace the present Common fountain is planned for this year. The present fountain is a constant maintenance problem. The Natick Garden Club, in cooperation with the Department, is planning a program of beautification for the Common.

The Family Outdoor Recreation Area on Speen Street is beginning to take form. A large number of 6-10 ft. Lombardy Poplars, and pine seedlings were planted to act as a sound and visual screen for the abutters. Clearing and pruning of the area was begun and a gate was installed in the Speen Street fence. The fence, authorized by 1965 A.T.M., which would run perpendicular to Speen Street and Lake Cochituate separating the present Town property and the Commonwealth property has not been constructed pending availability of the adjacent parcel of land. The 1965 A.T.M. requested State legislation to purchase this parcel. With the help of the

People of all ages enjoy art exhibit on Natick Common sponsored by the Recreation Department

Public Works Commission and with the permission of the National Guard, a rather sizable amount of loam on the adjacent Commonwealth property was moved to the planned turf play area and graded.

Plans for the Speen Street area call for the introduction of an Article in the 1966 A.T.M. which would authorize: (1) The construction of 12 picnic units (a table, a grill, and a refuse container). (2) Construction of a small concrete shelter, near the entrance which would provide storage facilities for a weekend attendant when needed, and single unit public toilet facilities. (3) Provision of water and sewage to the shelter and water to the picnic area. (4) Construction of a semi-improved roadway and parking area with a rustic traffic safety fence. (5) Construction of the "buffer fence" as recommended at the 1965 A.T.M. by the Site Study Committee. (6) Construction of a turf play area.

To meet the requirements of the deed this land must be in approved recreational use by May 1967 or the deed will revert to the Commonwealth.

A LOOK AT THE FUTURE

The greatest revolution ahead is the time revolution made possible by automation. Instead of the leisure-class societies of the past, America is on the threshold of becoming a leisure society in which time is available not for the privileged few, but for the many who will have a new dimension of freedom added to their lives. Americans must use this time to replace the current cult of fun . . . tension filled and frenetic, and replace it by the idea of play as a full expressiveness and harmony of body, spirit, and mind. The people and the community must recognize how important is the role of parks, playgrounds, and recreation in this concept. There is scarcity of accessible space today and yet the workday is shorter and leisure time greater. Instead of defacing and polluting the natural environment, instead of filling space and time with unfilling pursuits, we must put space and time to use for all people, and give them a chance to develop the values of work and play. — Dr. Max Lerner, speaking at the 17th annual California and Pacific Northwest Recreation and Parks Conference in San Francisco, March 1965.

CONCLUSION

No Town department can survive without the cooperation, aid and assistance of many people, and I was very fortunate in receiving a great deal of this help from such groups as Town Officials, Town Boards, Committees, Commissioners, Departments, and many other lay organizations, groups and individuals. To my own Commission and the Department's full and part-time staff I also am indebted. Last, but certainly not least, my deepest thanks to 336 persons who donated almost 20,000 hours of volunteer service so that others more fully might enjoy their leisure. In 1965 over 50 Recreation Programs served 227,460 persons.

Contagious diseases reported in 1965 as follows:

Chicken Pox	396
German Measles	17
Infectious Hepatitis	2
Measles	200
Meningitis	2
Mumps	72
Salmonella	23
Scarlet Fever	31
Tuberculosis	4

No cases of Anthrax or Tetanus were reported for 1965

Home visits made and releases given to 771 students. For the past 8 years Chicken Pox has been more prevalent than any other contagious disease. The number of out-patients brought to the Middlesex County Sanatorium for x-rays and other diagnostic services totaled 118. The number of active cases of Tuberculosis reported for 1965 was 5: five of which were pulmonary.

A total of 1109 students were Tine tested this year. This included all new kindergarten children and new students. From this total, 4 were put on chemotherapy.

Nineteen Well Baby Clinics were held in 1965. A total of 382 babies participated and 102 new registrations were entered. Diphtheria, Whooping Cough and Tetanus were given to 124 babies. Polio Vaccine (Salk and Sabin) given totaled 165. A total of 51 babies received Smallpox Vaccination.

There were 35 premature births reported to the Department for 1965. One family applied for aid and aid was granted to none.

Your Board of Health: Frank A. East, M.D., Ernest E. Adams, D.M.D., John E. Goodman, D.M.D.

The Natick Board of Health and the Natick Lions Club jointly participated again this year in a Glaucoma Detection Clinic. A total of 125 Natick residents were checked for this insidious disease. Sixteen (16) were referred to their Ophthalmologists for further examination. Two positive cases of Glaucoma were found and 12 suspicious cases were found from the 16 referrals.

A total of 1629 foodhandlers and School Personnel were x-rayed in May. There were no abnormal readings as far as Lung Diseases were concerned.

The following permits and licenses were issued in 1965:

General Licenses (Day Nurseries, Rubbish, keeping of animals)	38
Removal or Transport Garbage or Offal	10
Septic Tanks	59
Burial Permits	233
Methyl Licenses	3
Milk Licenses (store)	81
Milk Licenses (vehicle)	17
Oleomargarine	23
Camps, Cabins, Trailer Coach Park and Motels	7
Massage	10
Beverages	1
Mfg. Ice Cream Frozen Desserts	10
Funeral Directors	6
Swimming Pools	23
Rubbish (residents)	3,087
Rubbish (trucks)	367
International Certificates of Vaccination	48

Fees collected and returned to the Town Treasurer for rubbish stickers amounted to \$7,683.50.

Our Veterinarian has inspected all barns and livestock therein. Through the office of this Department a total of sixty-six dog bites were reported. Reports involving dogs licensed in Natick came from Boards of Health of surrounding towns, totaled eight. This total of 74 dogs were examined and found to show absolutely no evidence of the contagious Rabies disease. The dogs were, therefore, released from quarantine after the prescribed ten-day confinement. One squirrel bite, three rat bites and two cat bites were also reported.

The head specimens of fourteen animals were sent to the Harvard Wassermann Laboratory, Jamaica Plain, Massachusetts for Laboratory diagnosis of Rabies. The Laboratory findings of the specimens submitted were negative.

The Annual Rabies Clinic was held in June under the direction of the Natick Board of Health and a total of 1228 dogs were vaccinated. The total income of \$614.00 was returned to the Town Treasurer.

All other regulatory matters were investigated and filed.

The Dental Clinic located in the Center School staffed by two Dentists and a Dental Assistant opened as usual in September with the school year.

A little known function of the Health Department is to ditch brooks to keep the water moving

All children from grades one through six were examined. Dental notices were sent home to their parents for signatures on work required. This work could be done by their family dentist or by the dentists at the Dental Clinic.

Work at the Dental Clinic includes charting, fillings, x-rays, cleanings and the extraction of deciduous teeth when necessary.

The following is a breakdown of work done by the Dental Clinic for the year:

Operations	1886
Patients	843
Sessions	283

Fees collected and returned to the Town Treasurer totaled \$1,837.00.

The Health Department Laboratory under the supervision of our Health Officer was again certified by the State Department of Public Health. Approval is determined by up-to-date equipment and yearly qualitative and quantitative examination of samples submitted by the State.

Dug Pond, Lake Cochituate and Non-such Pond all tested within bacterial standard for swimming purposes throughout the summer. The Charles River swimming area again could not be approved because of its high bacterial count and color factor.

The following is a summary of the activities excluding administrative duties for the Health Officer for 1965:

Complaints (all types)	68
Consultations (drainage, disposal units, etc.)	140
Dairy Inspections	8
Final Inspections (disposal units)	50
Inspections (eating establishments, canteens, markets, etc.)	140
Inspections (day camps, nursing homes, etc.)	30
Lot Surveys	78
Milk Samples	80
Percolation Tests	1
Progress Inspections (complaints, disposal units, etc.)	150
Swab Tests	12
Water Samples (beaches and drinking)	85

Health Department Dental Clinic

The Mosquito Control Program is in operation throughout the year with weather permitting. Ditch cleaning is accomplished throughout the year which includes brooks, culverts, swamps and bog holes. This is done to prevent stagnation and breeding. The Town was sprayed a total of five times. Until the insecticide issue has been cleared by either Federal or State authorities, the use of D.D.T. or Chlordane has again been discontinued. Instead an organic phosphate — Malathione — is used. Swampy, stagnant water areas and the Town Dump were sprayed with oil. In areas too treacherous to be done by foot, the fog gun was used. The six large swampy areas in the town were dusted once by helicopter and sprayed two times during 1965. Dusting is done before the thaw season to prevent spring hatching. Dusting of swampy frozen areas is also carried out during the winter months by the Department's Mosquito Control Foreman.

The Board of Health was involved in litigation at Superior Court in Cambridge on land off Cottage Street, concerning the issue of subsurface sewage disposal systems.

REPORT OF THE TRUSTEES OF THE LEONARD MORSE HOSPITAL

The Trustees are indebted to the Medical Staff, the Nursing Staff and all other Hospital employees who maintain the services of the Leonard Morse Hospital on the highest professional plane.

This past year the Town Meeting voted a sum of money for architect's plans to provide expansion and renovation at the Hospital. These facilities will provide the Town with the best up-to-date, and newest equipment and medical techniques available.

Mrs. Lorraine D. Nelson resigned from the Board and Mr. John R. Gray was appointed to fill the vacancy.

Many thanks are extended to the Leonard Morse Hospital Aid Association, Town Departments and volunteer workers who have contributed services to the Hospital and its patients.

The reports of the Administrator and the Treasurer follow and are to be considered a part of this report.

MARY R. LEAVITT, *Secretary*

REPORT OF THE ADMINISTRATOR For the Hospital Fiscal Year October 1, 1964, through September 30, 1965

I have the privilege of reviewing another year of hospital activity directed entirely toward giving comfort, professional care and human understanding to several thousand of our citizens who suffered health problems and needed their hospital. This was made possible by capable hospital administrators who preceded me, by a highly skilled and professional medical staff, by our wonderful volunteers, and by the Trustees who serve without material compensation as well as the hospital staff members who are dedicated to care of the sick.

Leonard Morse Hospital trustees pose with administration officials. Seated, left to right: Thomas H. Mahoney, Jr., George S. Hodgson, Mary R. Leavitt, William A. Mahaney. Standing: John R. Gray, Mrs. Rachel Cassidy, Secretary to Administrator, Walter J. Maloney, Thomas Hennessey, Administrator

The combined efforts of all these people provided hospitalization for over four thousand seven hundred patients, cared for a record five thousand seven hundred thirty-two emergency patients and received more than eighteen thousand four hundred ambulatory (or outpatients) seeking treatment or diagnosis in the several outpatient services of the hospital. This was people helping people. This was service to the community. It is of interest to note that of the patients hospitalized, exclusive of babies born in Maternity, 2287 were Natick residents, 356 were from Framingham, 301 from Wayland, 161 from Millis, 155 from Medfield, and the remaining 863 came from fourteen surrounding communities.

Medicare became a new law of the land in 1965. Recognizing the great impact this program will have on all hospitals, the Trustees of the Leonard Morse Hospital have greatly accelerated planning for equipment, new services, additional technicians, and other skilled personnel and improved methods of providing patient care. Any hospital which layed careful, long range plans prior to passage of the 1965 Social Security amendments (Medicare), is currently forced to set new sights and broader goals in order to offer the health care which this program guarantees.

This past year the Leonard Morse Hospital installed a \$7581.57 image intensifier in the Radiology Department. The same department also received an automatic film processor and a Polaroid unit for instant film processing while X-ray studies are underway in Surgery. The hospital extended air conditioning to Physical Therapy, Pharmacy, Chemistry Laboratory, and several other vital areas. An extensive interior painting program costing several thousand dollars resulted in repainting six major departments last year and several patient rooms. There is still much to do as every room, corridor, and closet receives attention. Space does not permit mentioning numerous other improvements such as new anesthesia equipment and an additional electrocardiograph unit.

Important plans were made in the past year, some of which are bearing fruit even before the close of 1965. For example, the Leonard Morse Hospi-

tal Aid Association has signed a lease agreement with a hospital television company which will install a personalized five inch television unit on each bed in the hospital. Installation will be completed in January, 1966, permitting clear reception of several channels plus an FM radio station for all day music reception. The patient will have a disposable ear piece to hear programs and should derive much comfort from the personal television providing finger control at arm's length.

Much should be said about the high quality of diagnosis and care accomplished by members of the Medical Staff. One of the outstanding programs supervised by our doctors was the 7 P.M. Friday, to 8 A.M. Monday weekend staffing of the emergency room. A surgically trained, licensed physician was on duty in the hospital every weekend this past year. We are currently exploring the possibility of extending this service to include emergency care physicians on duty in the hospital week day nights as well as weekends.

All of this patient care in a professional hospital environment was expensive. The financial statement, shown elsewhere in the Town Report, indicates how difficult it is for a non-profit hospital to find sufficient income to meet the cost of providing modern medical care. We were \$6,824.27 short of meeting our expenses. This means that the hospital began its next fiscal year with the necessity of budgeting estimated income needs for the new year plus income to cover a \$6,824.27 loss from the year just ended.

It is well to remember that every dollar the hospital receives (whether a gift or payment for hospitalization) returns to the patients in the form of services and facilities. Any surplus made possible by donations is used to expand services, modernize facilities and provide free and part-free care for needy patients. The hospital reinvests its resources in the hospital . . . for the well-being of the thousands of citizens it serves each year.

Most of the \$51,720.90 in trust fund income was made available to our patients from the Samuel G. Chickering Fund. This generous endowment along with many other gifts provided a total of \$73,193.90 in supplementary income last year. Another way to appreciate what this meant to patients from Natick and surrounding communities is to know that without this income we would have been required to charge every hospitalized patient an additional \$2.00 per day last year and also add 25¢ to 50¢ to every Laboratory and X-ray procedure.

The hospital's statistics for the year are compared to previous years. Growth continues especially in total patient days of care, medical and surgical occupancy, Laboratory, X-ray, Physical Therapy, and Emergency Room. As this increased service places further demands on our already limited space, we look to the energetic and capable Building Committee appointed by the Town Moderator and place our faith in them and in the people of our community. The planning and construction of a major new addition to the Hospital is something our patients, large and small, must have.

I am especially grateful to Police Chief Shea and his Department, Fire Chief Fahey and his Department, the Public Works Department, Forestry Department, and many other Town services for their assistance.

Our dedicated Trustees, kind Volunteers of the Aid Association, physicians, and hospital staff contributed their unselfish efforts to our patients

in great measure. I have appreciated their fine teamwork and hope they have enjoyed the rewards that come from doing the job well.

THOMAS F. HENNESSEY, *Administrator*

Civil Defense

The Civil Defense program in Natick has been administrated and directed on a day to day basis by personnel of the Fire Department since the program began during World War II. On May 1, 1965 Lyman G. Brown, Jr. retired as Fire Chief.

No report on Natick's Civil Defense status would be accurate or complete without clearly stating that Natick's current position as one of Massachusetts most progressive and prepared communities is largely due to Chief Brown's interest and direction of Civil Defense matters.

Chief Richard D. Fahey's succession to the position of Fire Chief has in no way lessened Natick's leadership in Civil Defense matters. Many

steps have been taken during 1965 which will help to strengthen our position.

The now famous "Blackout" in the late fall gave Natick an opportunity to test its emergency resources. Natick was even called upon to furnish assistance to State authorities. This was accomplished with ease.

As Director I wish to thank the various members of the several town departments most concerned with Civil Defense problems, particularly Fire, Police, Public Works, Public Welfare and the School Department.

JEREMIAH J. HEALY, JR., *Director*

Natick Industrial Council

The Industrial Development Committee authorized under Article 62 Section H of the warrant for the annual town meeting of 1964, hereby makes its report. A 1965 Organizational Meeting of the committee was held and unanimously elected its officers: Alfred L. Connell, Chairman; Marvin R. Gould, Vice-Chairman; Arthur L. Glynn, Secretary. Regular monthly meetings of the committee were held. The Natick Industrial Council has met with the Commonwealth of Massachusetts Department of Commerce in seeking new ideas and ways to promote the industrial growth of the town.

Through the courtesy of the press, owners of properly owned zoned industrial and commercial land have been requested to contact the committee in order that listings of available land and buildings may be compiled; and individual or company representatives seeking business sites are invited to meet with the committee. The Assessors Department has helped to compile a list of all industrial land available in the town of Natick.

Natick Housing Authority

Pursuant to Section 26U of the General Laws, the Natick Housing Authority, Town of Natick, Commonwealth of Massachusetts, submits herewith its Annual Report for the calendar year 1965.

For the past 15 years the fifty-two units of the Veterans Housing Project have been operating successfully inasmuch as they have provided modern low-cost housing for Natick veterans who would find comparable commercial rentals difficult or impossible.

The monthly rent is based on a percentage of the tenants' monthly income as follows: families with less than three minor dependents, 18% of their income; families with three or more minor dependents, 14% of their income.

Housing for the Elderly (Cedar Gardens)

There are at present 92 units of housing for the elderly, located at Cedar Ave. in the High School area. These apartments are modern in every respect and provide for our senior citizens of limited income comfortable, low-cost housing. This facility imposes no financial burden on the town, since it is subsidized by the Commonwealth.

The Housing Authority is conscious of the needs and desires of the elderly folk and make every effort to provide means of satisfying them; the Morse Institute bookmobile visits Cedar Gardens weekly, the Visiting Nurses Association has a representative available bi-weekly for dietary and general advice, a shuffleboard court has been installed in the spacious Community Hall, etc.

The Authority wishes to express its appreciation to all town departments and the veterans and fraternal organizations for their invaluable co-opera-

Natick Housing Authority: seated, Louise McManus, Secretary; William J. McDermott; Edward J. Odell; Dr. Vasil W. Petro; standing, John A. Grady, David I. Keniry, Executive Director

tion and assistance; a special expression of thanks to the Women's Clubs and Organization Auxiliaries who have so considerably feted and entertained the elderly at Fleming Hall in the Community Building.

The Housing Authority has requested and been awarded a Contract for Financial Assistance from the Commonwealth to underwrite the construction of 60 additional units of elderly housing. Preliminary work is advancing at such a rate that actual construction could commence in early spring.

At the annual meeting held in April of 1965, election of officers was duly held with the following unanimous choices:

Chairman	William J. McDermott
Vice-Chairman	Edward J. Odell
Treasurer	Dr. Vasil W. Petro
Asst. Treasurer	John A. Grady
Member	Robert J. Ryan

During 1965, the Natick Housing Authority paid to the Town of Natick \$1,872.00 in lieu of taxes.

WILLIAM J. McDERMOTT, *Chairman*

EDWARD J. ODELL	JOHN A. GRADY
DR. VASIL W. PETRO	ROBERT J. RYAN
DAVID I. KENIRY, <i>Executive Director and Secretary</i>	

Dog Officer

As Dog Officer, I respectfully submit the Annual Report for the period ending December 31, 1965.

Investigation complaints	187
Lost dogs returned to owner	78
Stray dogs captured and disposed of after time limit by the Law	88

As a Burial Officer during the year ending December 31, 1965, I was called upon to dispose of the following number of animal bodies which were killed by motor vehicles or died of disease or natural causes:

Cats	128
Dogs	93
Skunks	107
Squirrels	81
Muskrats	38
Raccoons	54
Birds	78

POMPILIO ZULLO, *Dog Officer*

Happiness is . . . having Dog Officer Zullo find your pet which has strayed from home

Planning Board

Planning is the effort by a community to establish a pattern for orderly development and growth. The Planning Board's responsibilities are in the general areas of zoning and subdivision control. In the former is included the mandate for proposing the direction of a municipality's growth in consonance with "orderly development." The final responsibility for zoning is, of course, that of the Town Meeting, but the forethought and guidance of the Planning Board can be of assistance.

In the matter of subdivision control, the Planning Board this year has received seven Preliminary Plans, has considered and conducted hearings on four Definitive Plans, and has given final approval to four plans. It has also monitored the progress in the construction of various of the subdivisions in process, including removal of soil, protection of trees, and the general adherence to the specifications and requirements of the approved plans.

Further, the Board has begun to revise, clarify and improve its *Rules and Regulations Governing the Subdivision of Land*, including requirements for underground utilities, fire alarm systems, and definition of frontage at a street corner. Additional work on this is planned for the coming year.

In the matter of zoning, the Planning Board has prepared articles for both the 1965 and 1966 Town Warrants, and has held hearings on these and other zoning articles in order to make recommendations to the Town Meeting. Some of the articles submitted by the Planning Board propose: the upgrading of certain areas in consonance with the pattern of development toward adjacent communities; the creation of the Conservatory District for maintaining scenic areas in their natural character; and clarification and refinement of the Zoning By-Laws; and up-dating the Town's Comprehensive Plan.

The proposed revision of a substantial portion of the Building Code is also being presented by the Planning Board for action at the 1966 Annual Town Meeting. The preparatory work for this was done largely by Mr. David Elovitz whose considerable efforts are gratefully acknowledged by the Board. This project is also expected to be continued during the coming year.

Three members of the Board completed a winter course in municipal planning and administration given at Boston College with lectures by a number of professional people highly qualified in the various aspects of the subject.

In the exercise of its duties, the Planning Board held an excess of 60 meetings and conferences.

The Board would like to acknowledge the cooperation and assistance of other Town Boards and Departments.

CARLETON R. LEAVITT, *Chairman*

ELIZABETH A. BRANSFIELD, *Secretary*

CHARLES M. HARDEN

GEORGE T. HAZEN, JR.

Building Department

<i>Year</i>	<i>Employees</i>
1965	2 Regulars
	3 Deputies

The Building Department issued a total of 1,833 permits and received in fees the sum of \$14,945.11, which amount was turned over to the Town Treasurer. These permits are broken down as follows:

New Building	99
Alterations	390
Electrical	508
Gas	436
Plumbing	326
Elevator Inspections	13
Occupancy	61

Your Building Inspector

Several large commercial buildings on Route 9 have been completed this year, including Sears Roebuck, Sears Roebuck Automotive Center, Filene's and Chrysler Sales and Service. This section of Worcester Street is now one of the largest shopping areas in the country. Chrysler Corporation's new offices and warehouse on Speen Street have also been completed.

The Natick Mall, Star Market and Hoover Building are progressing rapidly and it is anticipated that they will be open for business early in 1966. The addition to the Natick Five Cents Savings Bank is near completion and it is contemplated that the addition to the Natick High School will be in use in January, 1966.

Mr. Frederick L. Sanford, Jr. was appointed Building Inspector on June 8, 1965 and Mr. Robert Durkee was appointed Deputy Building Inspector on November 22, 1965. Mrs. Marion McCarthy resigned as Secretary to the Building Inspector and Mrs. Dorothy Rierdan has taken over the duties of the Secretary to the Building Inspector.

CHESTER E. JOHNSON, *Town Collector*

Committee Reports

HIGH SCHOOL ADDITION BUILDING COMMITTEE

The High School Addition Building Committee, appointed by the Town Moderator at the 1964 Annual Town Meeting, has met monthly during the past year. In June Joseph T. Wignot was appointed to the committee to serve in the place of Morris W. Wilson who resigned because of a change in residence.

Construction of the addition commenced last February and has progressed according to schedule. At the date this report is submitted about 75% of the work has been completed. It is anticipated that the new classroom wing, the gymnasium, and the cafeteria will be ready for use in January. The library, science laboratories, and planetarium are expected to be completed during the spring and summer months of 1966.

In October specifications were written and bids obtained for classroom furniture. Contracts for the items in this category were awarded to Public Seating Company of Swansea, to Milton Bradley Company of Springfield, and to H. W. Wolkins Company of Boston. The contract for supplying and installing the food service equipment was given, subsequent to the bidding process, to Peters and Company of Boston.

The committee desires to thank the various town departments for their assistance and cooperation during the progress of the construction. We expect a year hence to submit our final detailed report.

JOHN T. SCHOMER, *Chairman*

IDA C. EVANS

JOSEPH T. WIGNOT

MILDRED G. PRUNARET

ROBERT C. YARDLEY

KENNEDY JUNIOR HIGH BUILDING COMMITTEE

The Kennedy Junior High School, having been partially completed last April, was initially occupied during that month. The students and faculty were able to carry on the educational program without interference, while the remainder of the building was in the final phases of construction. Occupancy of the complete building took place with the opening of school for the fall term last September. On October 17 an "Open House" invitation was extended to the citizens of Natick to inspect this modern school building which, because of its functional and practical aspects, has been cited by the Educational Facilities Laboratories, Inc., of New York in its national publication, *"Profiles of Significant Schools."*

At the time this report is submitted there remain some minor corrections which need to be accomplished to the complete satisfaction of the committee. Too, not all the bills for equipment and furnishings have been received for payment from the suppliers. For these reasons, therefore, the committee respectfully requests that it be continued into 1966.

MYRON J. DOUGLAS, *Chairman*

MARGARET D. HORTON

PAUL S. AMBLER

MINOT B. MACDONALD

TOWN MEETING MAP COMMITTEE

This committee was appointed under Article 20 of the Annual Town Meeting of 1958 and met several times during 1965 for the purpose of preparing a three-colored map for the Annual Town Meeting.

The committee also met to prepare the map for the Special Town Meeting held in 1965.

The committee believes that this map and map service are helpful to all town meeting members as well as to the various town boards, and again respectfully requests that the committee be continued and requests that a sum of \$200.00 be approved for their use.

MINNA B. SATTERFIELD, *Chairman*

DANIEL J. O'LEARY

GEORGE T. HAZEN

COMMITTEE TO STUDY WAR MEMORIALS

The names of World War 2 and Korean War Veterans have been checked in the Veterans Service Office and published in the Suburban Free Press and the Natick Bulletin.

I wish to thank Mr. Torti and his two clerks, Dorothy G. Gurney and Emma B. Byrne for the wonderful job they have done.

The list has been sent to the architects, Kilham, Hopkins, Greeley and Brodie.

The Honor Roll will be completed in time for Memorial Day.

MICHAEL A. TORTI

CARLETON R. LEAVITT

BACON FREE LIBRARY MAINTENANCE COMMITTEE

The Committee appointed under Article 12 of the third session of the annual town meeting, March 27, 1956, for the maintenance of the Bacon Free Library is pleased to report that three conductors have been cleaned and repaired, a new bookcase has been installed in the Children's Department, all windows have been puttied and sashes drawn on both the interior and exterior of the building. Also the exterior front entrance has been painted.

The Committee requests the acceptance of this report of progress and asks to be continued.

ARNOLD W. HUNNEWELL, *Chairman*

CHARLES H. PFEIFFER

MARION PFEIFFER, *Secretary*

ROBERT W. EISENMENGER

ROBERT M. WHITE

RECREATION CENTER COMMITTEE

The Recreation Center Committee has continued to investigate the needs of a recreation center in Natick. They have had Waldo Haynesworth of the National Recreation Committee as a guest speaker for the C C O of Natick.

The committee has interviewed certain professional fund-raisers. The committee continues to study fund-raising methods and locations and facilities most needed. To complete these studies, the committee would like to be continued.

FRANCIS R. GARBARINO, *Chairman*
JAMES ARGIR

MURIEL MANNOS
HY FINKELSTEIN

HENRY WILSON SCHOOL BUILDING COMMITTEE

The situation regarding the Wilson Junior High School continues in the hands of the town counsel.

On May 7, 1963 the general contractor filed an action law in Middlesex County against the Town in which he seeks extra compensation for work which he alleges to have performed.

Until this matter is finally resolved, we believe that the committee should be continued.

ALVIN W. CRAIN, *Chairman*

GEORGE M. ROGERS

EDITH TRIPP

SIDEWALK STUDY COMMITTEE

The Sidewalk Study Committee was established under Article 35, Section g of the Annual Town Meeting, 1962, and continued at the Annual Town Meetings of 1963, 1964, and 1965 for the purpose of studying the necessity of sidewalks on main roads and in the vicinity of schools.

Pursuant to the Committee's recommendations on safety, the 1965 Annual Town Meeting authorized the construction of sidewalks on West Street between Oakland Street and Campus Drive and on Mill Street from Hartford Street to Beaver Dam Road.

The last three Annual Town Reports included the Committee's continued recommendation to promote safety by constructing sidewalks on Mill Street from West School to West Central Street and on Speen Street from Purington Avenue to the railroad bridge. Our new recommendations are sidewalks on the corner of Pine and North Main Streets and on West Central Street from Mill Street to Wellesley Avenue.

These recommendations are the subject of an article for the warrant of the 1966 Annual Town Meeting since they are urgently required with the increased traffic hazards due to the constantly higher vehicular and pedestrian use of our roads. The Committee believes that Natick requires these sidewalks now as a minimal safety precaution.

The Police Department and the School Committee have endorsed these safety measures and the Board of Public Works has provided plans and cost data for construction of the sidewalks.

The Sidewalk Study Committee is studying the need for sidewalks on Grove Road and on Speen Street between West Central and Pond Street. The Committee recommends that consideration be given to providing the Department of Public Works with additional sidewalk snow plows and

operators to expand the sidewalk clearing after snowfalls to facilitate travel of school children.

The Committee respectfully requests that this report be accepted and, in order to continue this study as well as to assist in implementing these recommendations, asks that it be continued.

JAMES P. POWERS, *Chairman*

HELEN B. GALVANI

THOMAS L. HUDDY

VIRGINIA TARTAKOFF

CHRISTMAS DECORATING COMMITTEE

The Christmas Lighting Committee continued with the second phase of the three year plan approved in 1964. In addition to the post fixtures on light poles from Moran Square to southwest corner of the Common, on Main Street, fixtures have been placed this year on Washington Street, East Central Street, North Avenue. In addition, the Children's tree in the Common has been decorated again, this time with the help of "The Fifteen Gardeners" a study group which volunteered its services. The trees in Lincoln and Moran Squares have been highlighted again, and the committee has assumed the responsibility for lighting the war memorial plaque, the trees at the police station, and for coordinating the Library lighting. In addition to the \$2000. allocated this year as the second of the three year phase, three banks have donated funds to provide a Santa and candy for children for one day during the holiday season.

The Fire Department, as in previous years has been indispensable to the carrying out of the plans, and indeed to the initiating of some of these plans.

RUTH KHIRALLA, *Acting Chairman*

ARTHUR B. FAIR, JR.

CENTRAL EQUIPMENT PURCHASING COMMITTEE

The committee originally appointed and organized as the Central Equipment Purchasing Committee to carry out the procurement of new equipment for the designated town departments was continued under Article 17 of the Warrant for the Annual Town Meeting of March 9, 1965.

Appropriation balance of 1964	\$ 39,667.00	
Appropriation of 1965	94,774.00	
		<hr/>
		\$134,441.00
		<hr/>
Less purchases and	\$116,233.69	
Encumbered Purchases	1,239.00	
		<hr/>
		\$117,472.69
		<hr/>
Balance returned to Revenues		\$ 16,968.31*

*Includes \$7,000.00 for fire alarm operations desk not procured.

Purchases were made in accordance with Article III (a), Section 1 of the Town By-Laws. All designated purchases were effected except the fire alarm operations desk which will be resubmitted to the 1966 Annual Town Meeting by the Finance Board.

The Committee wishes to commend its newest member, Mr. Richard H. Knight, for his excellent contributions to this group.

The Committee requests that it be continued. No additional operating funds are necessary for the year 1966.

ROBERT H. O'BRIEN

RICHARD H. KNIGHT

LONG RANGE SEWERAGE PLANNING COMMITTEE

The Long Range Sewerage Planning Committee's functions are: 1) to review sewerage construction priority scheduling, 2) to review application of the unit method of cost apportionment, 3) to review the financing of future sewerage construction and 4) to take actions as necessary in further meeting the sewerage needs of Natick.

The Committee's primary concern this year was 1) the financing of sewerage extensions in relation to the order of priority for pumping districts established last year and 2) establishing an order of priority for extending trunk main extensions.

1) *Financing* If the Town is to be largely sewered within the next fifteen year period, approximately \$350,000 will have to be expended per annum at today's prices. Although the final engineering estimates for the East Natick project, the first in order of priority, are not available at this writing, preliminary estimates indicate it will cost in the vicinity of \$1,630,700 to be phased over a three year period. Of this sum, the Town committed \$62,720 last year for engineering for this project. The South Natick project, scheduled for 1969, is estimated at approximately \$520,000. Bonding is suggested for both of these projects. Since projects following the first two should cost in the vicinity of \$350,000 it is suggested that the funds come from the tax levy instead of bonding, since these will be recurring expenses on an annual basis for a number of years. After 1972, over \$100,000 per year should be returned to the Town through betterment revenue as indicated in the following table.

SEWERAGE CONSTRUCTION COST AND REVENUE

<i>Sewerage Project</i>	<i>Preliminary Cost*</i>	<i>Estimated Betterment Revenue</i>				
		1969	1970	1971	1972	1973
1. East Natick	\$1,630,720	\$147,100	\$45,600	\$45,600	\$45,600	\$45,600
2. South Natick	520,000		47,800	14,800	14,800	14,800
3. Lake Shore	333,000			22,600	10,100	10,100
4. Farwell	364,000				33,100	10,200
Lake — South						
5. West Natick	364,000					33,100
		\$147,100	93,400	83,000	103,600	113,800

*Includes engineer's fee

One of the reasons for the large initial project in East Natick in addition to the need in the area and the necessity for a large trunk main in Route 9 to serve the several pumping districts, is that betterment revenues will start coming in sooner to help pay for forthcoming projects. Although the Committee considered the possibility of a revolving fund so that sewer revenue would be allocated to future sewer construction, Mr. Gould, former Town Comptroller, pointed out the necessity for special State legislation to do this. At his suggestion, the Committee recommends that a separate accounting system for sewer betterment revenues be established in the Town Comptrollers office. At the present time, sewer and water revenues are combined.

The Committee also investigated provisions in the Housing Act of 1965 and found that the Federal Government will pay up to fifty percent of the cost of sewerage projects such as those proposed in Natick. The Natick Department of Public Works is currently waiting for the Federal Government to set up processing procedures so they can make application under this new act. If Federal funds are forthcoming the cost as itemized in the table could be halved.

Another financial matter the Committee dealt with was sewer easements. Under the proposed amendment to the cost apportionment by law to be submitted as a warrant article by the Department of Public Works, maximum compensation for easements would be based on the distance of an easement from a structure on a lot.

2) *Trunk Main Priorities* Under the Subdivision Control Act, The Planning Board can require a developer to connect into a public sewer if it is within a reasonable distance. If trunk sewer mains were to be extended into parts of the undeveloped lands in Natick, the developer would be responsible for paying for the lateral mains in the development and a proportional share of the trunk mains under the unit method of cost apportionment. It is therefore, to the Town's advantage to extend trunk mains into areas likely to develop in the near future. The Committee held a joint meeting with representatives of the Planning Board, Board of Health, School Committee, and the Public Works Commissioners to determine the potential growth areas and the feasibility of extending mains to service these areas. The committee has not drawn any conclusions on this matter to date.

The Committee thanks Mrs. Lois M. Masterson, who resigned this year, for her services. The Committee respectfully requests that this report be accepted and the Committee continued as a seven instead of eight member committee.

JOHN E. GOODMAN, D.M.D.
RICHARD LONG
FRANKLIN G. MUSSEN
DANIEL J. O'LEARY

LEONARD MORSE HOSPITAL BUILDING COMMITTEE

The Leonard Morse Hospital Building Committee was appointed by the Moderator on July 15, 1965 under authority of Article 42 of the Annual Town Meeting of 1965. This Article appropriated \$175,000.00 for the purpose of obtaining final working plans, borings, specifications and bids for increasing the size and improving the physical plant of the Leonard Morse Hospital at its present site.

The Committee met and organized July 19, 1965. The first few meetings were spent in interviewing architects, and the committee members inspected hospitals designed by these architects. The final choice of the committee was the firm of Markus and Nocka, Inc. of Boston. The contract was signed on September 30, 1965 after its form was approved by Town Council.

At the date this report is filed, the full committee has met nine times. The Hospital Administrator and Architect with the sub-committees have conducted 26 meetings with the Physician-chairmen of the various medical departments, the hospital department heads and members of the hospital staff. Conferences have also been held with the Leonard Morse Hospital Trustees, Physicians on the Hospital Medical Staff, the Town Engineer, the Town Building Inspector and Dr. A. Daniel Rubenstein, Director of Bureau of Hospital Facilities. The main concern of these preliminary discussions is the determination of specifications to meet professional requirements and space capacities, evaluate the present facilities, consider necessary new departments and replacements, as well as additional patient facilities to be incorporated in the design of the hospital addition. A Master Plan projection for future years, based on the Decker Report of the former Hospital Needs Committee, is being prepared and updated to comply with the new federal regulations including Medicare which will create additional needs for providing hospital services.

Final plans and specifications are expected to be completed by late 1966. It is anticipated that bids for actual construction will be obtained for a Town Meeting early in 1967.

The Committee wishes to express their appreciation of the co-operation given them by the Administrator and his staff, the Board of Trustees the Hospital Medical Staff and such other Town Departments which have been called upon from time to time.

It is requested that the Annual Report be accepted and this Committee be continued.

REDEVELOPMENT AUTHORITY STUDY COMMITTEE

This committee, established under the provisions of Article 52 of the Warrant for the 1963 Annual Town Meeting, met at regular intervals and studied the need for a redevelopment authority. From the outset, it was assumed that an appraisal by this committee of the need for a redevelopment

ment authority would necessarily involve the ultimate acceptance or rejection of the applicability of the whole concept of urban renewal of the Town of Natick.

The conclusion reached by the Committee is that there is a considerable need for such a renewal program to obtain federal and state funds to aid in the revitalization of the central business district.

The age and condition of many of the buildings and the lack of parking in the center has led to congestion and a poor "image" of the Town to transients. The Comprehensive Plan of Natick, completed in 1960, and prepared for the Planning Board by Economic Development Associates, made a detailed analysis of the entire realm of community development. Included in these analyses was a Central Business District Plan. In addition to other studies, the results of an opinion poll were published with regard to the business district. High in the list of desirable improvements to the area was the consolidation of dispersed Town offices into a central Town Office Building. Other needs given primary consideration were the provision of additional off-street parking and improvements to the visual character of the business district. After an appraisal of the physical characteristics of the business district and its surrounding area, it was a recommendation in the Comprehensive Plan that these needs were correctly identified and that a program of urban renewal, utilizing assistance from state and federal governments, represented the most economically and administratively feasible method of effecting a solution to the problems. However, the existing legislative framework within which urban renewal of the business district would have had to have been accomplished in 1960 was inadequate, and no action was taken on the recommendations. It is important to note that subsequent state and federal legislation has substantially broadened and liberalized the scope of renewal and this framework is not quite adequate. This broadening of scope is especially important as the needs of the Town as identified in 1960 are still quite apparent in 1965.

It was of significance that many downtown merchants agreed without qualification to the recommendations of this Committee and expressed hope that the Town Meeting would give favorable consideration to forming a Redevelopment Authority.

While this Committee did not limit its analyses to the central business district, it is significant to note that its ultimate conclusion was that community needs for revitalization did, in fact, center around the business district. The need for a centralized Town Office Building, additional facilities for Town protective services, the provision of additional shopper and employee parking, and possible revisions to the traffic pattern remain prime considerations. While privately sponsored commercial rehabilitation has been impressive, there is a definite need for a concerted program of municipal action. The expanded concept of "air rights" offers significant possibilities which should be analyzed in relation to urban renewal.

All of these factors point to a need for concerted Town effort, and the adoption of a program that would achieve the desired results. It is the opinion of this Committee that this total effort can best be channeled through an urban renewal program.

It follows, then, that a properly constituted local agency to administer such a concerted program is needed. It should be emphasized from the

outset, that the creation of a redevelopment authority *does not* commit the Town to an urban renewal project, but it does establish the administrative framework within which future renewal projects can be proposed to the Town. The Town Meeting relinquishes none of its legislative or financial responsibilities to a redevelopment authority.

In summary, it is the finding of this Committee that there are certain needs of the community which can best be met through urban renewal activities, the administrative operations of which should be carried out by a redevelopment authority. This Committee will submit an article to the 1966 Annual Town Meeting calling for the establishment of a redevelopment authority under Section 121 of the General Laws.

BY-LAWS STUDY & REVISION COMMITTEE

The By-Laws Study and Revision Committee completed the revision of the by-laws with assistance from attorney Joel Rome, a former committee member, and submitted the revision to the Selectmen as a subject for a Special Town Meeting.

In accordance with the Selectmen's wishes, the revisions were sent to all of the boards, departments, and committees to which they pertained. Amendments were returned to the by-laws committee by the Board of Selectmen, Board of Public Works, Personnel Board, Finance Committee, the Moderator, Chief of the Fire Department, and Chief of Police. These amendments were submitted to the Selectmen exactly as requested.

Most of the revisions of the by-laws were made in rewording sections which were involved, rearranging the articles in a more logical order, and deleting sections which no longer apply. However, new sections were added which in the opinion of the by-laws committee or a department or committee seemed of value for consideration by the town.

Such new sections include: a definition of the scope and duties of the Selectmen and the Board of Public Works; the sale of tax title land; the submission of the organization, rules, regulations, and yearly schedule by all elected boards and committees to the Town Clerk; the labeling of all town-owned cars and vehicles; the record of attendance of Town Meeting members to be submitted as a news item after the dissolution of the annual town meeting; the Town Counsel's notification of all officers or Boards of changes in the laws of the Commonwealth which affect them; the use of town-owned road machinery and equipment to be restricted to Town or civic projects; the inclusion of part-time employees (who work continuously each year for more than six months and more than 1040 hours) in sick leave, holiday, and vacation benefits; a barking dog ordinance and defacing of public property ordinance; and a section on bonfires in a public way.

RAYMOND J. DOWD

MARSHALL LEBOWITZ

TOWN MEETING SITE STUDY COMMITTEE

On Sunday, March 7, 1965, seventy-six Town Meeting Members availed themselves of the tour by bus to the twenty-three sites under consideration at the Town Meeting. Two buses were utilized and applicable details of the individual sites were described by members of the Town Boards sponsoring or ruling on the various related articles. The tour was arranged by the Committee over several meetings, utilizing town maps and street directories.

Printed copies of the itinerary of the tour were distributed to the attending Town Meeting Members.

The Committee sincerely regrets the resignation of one of its charter members, Mary Pipe, who initially proposed the establishment of this service at the 1960 Town Meeting.

JOHN K. CARR, *Chairman*

MARY PIPE

OSCAR A. ZULLO

GARAGE STUDY COMMITTEE

Under the provisions of paragraph F, Article 82, of the Annual Town Meeting of 1965, the Moderator appointed the following individuals to study the feasibility of housing the vehicles and equipment of the Health Department, Recreation Department and Forestry Department in a single structure:

Joseph W. Brown
Donald W. Cook, Sr.
John W. Flood
James F. Gannon
Frederick L. Sanford

Mr. Sanford was appointed as Building Inspector and submitted his resignation because of a possible conflict of interest. Mr. Cook's business appointments prevented him from attending any of the meetings.

An organizational meeting resulted in the following elections:

Joseph W. Brown, *Chairman*
James F. Gannon, *Secretary*
John W. Flood, *Engineering Analyst*

A number of business meetings were held and the present garaging and storage facilities of each department were investigated by members of the committee. The rental costs and equipment servicing agreements were also discussed with each department head.

At one business meeting, all department heads were invited to attend and discuss all factors of present and future requirements for garaging and storage for vehicles and equipment. The advantages and disadvantages of present arrangements were debated.

After considering all factors, the committee —

1. Acknowledges that the present facilities occupied by the Recreation and Forestry departments leave some things to be desired (lack of toilet

facilities, heated work areas and sufficient garage space for all pieces of equipment).

2. Recommends that something be done to effect temporary relief of conditions (partitioning, additional heated work areas, toilet facilities) but only if a 3 to 5 year lease can be obtained.

3. Recommends that future garage and storage requirements for all town departments be reviewed to consider the feasibility of incorporating all requirements into one structure.

4. Recommends that no action be taken at this time to change the present garage and storage arrangements of the Health, Recreation and Forestry departments. At the present time, all three departments pay less than \$2500.00 per year for garage and storage facilities. Based upon this experience, the committee does not feel it can recommend an expenditure of a minimum of \$30,000.00 for a small garage. This figure does not include land costs, utilities and maintenance expenses.

JOSEPH W. BROWN, *Chairman*

JAMES F. GANNON, *Secretary*

JOHN W. FLOOD, *Engineering Analyst*

TOWN FOREST COMMITTEE

The Natick Town Forest Committee was reorganized following appointment by the Selectmen on February 8, 1965.

The Committee adopted the following "Statement of Policy":

1. That we reaffirm the position of the Natick Town Forest Committee in regard to the General Laws, Chapter 45, as accepted by the Town, which states that the management and care of that portion of public domain known as the Town Forest shall be in charge of a special Town Forest Committee appointed by the Selectmen. (This land includes the "Old Town Farm Forest" and the Henry S. Hunnewell Memorial Town Forest. The Old Town Forest, an area of 8.6 acres, was originally a portion of the Town Farm, transferred to the Town Forest Committee in 1930. The Henry S. Hunnewell Memorial Town Forest was given to the Town in 1933 and is approximately 97.5 acres).
2. That the prime purpose of these Town Forest areas be directed to the culture and care of a natural area, integrating sound forestry and wild-life educational practices.
3. That these Town Forest areas be available for recreational uses to the degree that such purposes do not encroach upon the natural conditions of these areas.
4. That strenuous effort be made by the Town Forest Committee to halt any diversion of land under our control for other purposes.
5. That the Town Forest Committee explore the availability and the acquisition of all open land adjacent to present holdings by all devices (gift, purchase, easement) to enhance the potential benefits that will accrue to the residents of the Town.

The Annual Town Meeting of 1965 voted to transfer an area of approximately 5 acres of the Hunnewell Memorial Town Forest to the jurisdiction of the Department of Public Works for the construction of a water storage facility.

At the Special Town Meeting on November 9, 1965, the Town Forest Committee sponsored Article III which called for an appropriation "to construct and maintain a system of roads for forest fire protection and gen-

Tree department crew performs a two-fold operation, removing an unwanted spruce and using the top as a Christmas tree in Natick Square

eral forest improvements for the Town Forests, said appropriation to be expended under the supervision of the Town Forest Committee."

This article was designed to correct certain engineering problems on the existing system of trails, in order to provide maximum accessibility for protection and maintenance equipment. This is generally considered the basic step in good forest management. Town Meeting action was Indefinite Postponement.

Future consideration will be given to the development of plans in the areas of:

General Forest Protection and Improvement
Reactivating the Natural Science Forest
Recreational Possibilities and Limitations
Public Awareness and Appreciation of Forest Lands

The Town Forest Committee wishes to express their gratitude to the many individuals and organizations who have indicated sound conservation support, and especially our deepest appreciation for the efforts of the late Arthur L. Hathorne, who gave so untiringly of himself in creating public concern for the Town Forest areas of Natick.

GEORGE H. WALLACE, *Chairman*

MARY E. GETCHELL, *Secretary*

RICHARD A. ROBBINS

VOTING MACHINE STUDY COMMITTEE

The Committee

The Committee was originally established under Article 35 of the 1962 ATM, and last continued under Article 82d of the 1965 ATM for the purpose of investigating the feasibility of Voting Machines for Natick.

Appointments to the Committee were completed and the appointees were notified by the Town Clerk on May 25, 1965. In addition to various subcommittees, informal, and special meetings, the committee held 5 formal meetings in the period from June through December, 1965. In addition the Committee sponsored a Voting Machine Exhibit at the Special Town Meeting on November 10, 1965. All formal meetings of the Committee had perfect attendance.

Joel S. Poley, one of the original appointees to the Committee, resigned September 30, 1965, and he has not been replaced.

Scope

A feasibility study was made to determine the cost of obtaining equipment, the proper currently legal equipment to procure, and the possible long range savings to the town.

Why Machines?

About 67% of the votes cast in the United States in the last Presidential Election was on Voting Machines. Neighboring Connecticut, New York

and Rhode Island are equipped 100% with Voting Machines. In Massachusetts 27% of the vote was cast on machines.

Elections, like other official town meeting business, are conducted in public view. The counting and announcement procedures are open to observation by ordinary citizens. Procedures, wisely, have remained simple so violations can be easily recognized and dealt with by ordinary citizens.

From long detailed and thorough experience the following requirements for the current Massachusetts voting system have evolved:

1. The voter must be assured absolute secrecy in making his choice and his choice must remain secret through the counting procedure.
2. The method of indicating or recording his vote should be simple and foolproof. There should be no need for any other person to judge or interpret the voter's intent.
3. There should be adequate safeguards against fraud.
4. The addition of vote totals must be made with accuracy.
5. All candidates' names and questions to be voted should be fairly displayed.
6. Canvass of returns should be performed in public view with procedures simple enough to be audited by ordinary citizens.

Machine Must Come

In order to best utilize the Massachusetts system in the most efficient manner possible some sort of mechanical or electronic vote tabulation system is inevitable. We have a large and growing population which operates with horse-and-buggy methods in the area of vote counting which is not geared to an age where speed and accuracy are essential.

Shortcomings of Paper Ballots

The many shortcomings of the familiar paper ballot include:

1. The expense of the large number of precinct workers required.
2. The often impossible task of deciding what the voter meant by the type of marking he used.
3. The very slow process of a recount when necessary.
4. The time to count when we need fast and accurate returns.
5. The inevitable inaccuracies due to human error.

Voting Machine Systems

Currently there are a total of eight mechanical and/or electronic voting systems on the market, but only two have been approved for use in Massachusetts. These two systems are completely mechanical. They are produced by the Automatic Voting Machine Corporation and the Shoup Voting Machine Corporation.

An intensive investigation of these two machines has proved that both are reliable, accurate and foolproof machines. The Automatic Voting Machine, however, has significant advantages over the Shoup Machine in spite

of the fact that it is somewhat more expensive. The basic advantage of the Automatic Machine is that it produces a printout of the vote total at the end of the voting day. It is, likewise, more compact and thus requires less space when stored. The serious disadvantage of the Shoup Machine is that the names printed at the bottom of the ballot cannot be easily seen without bending down. A comparison breakdown of the two machines is included as Figure 1 on page 99.

It should be pointed out that although no machine is 100% foolproof, it would be a great deal more difficult to defraud an election on the machines than an election by written ballot. Only through collusion or extreme carelessness on the part of all the election officials can the machine be foiled.

Advantages

A few of the major advantages of Voting Machines appear to be as follows:

1. Simplicity
2. Freedom from error — an accurate count
3. Speed and convenience
4. Immediate returns
5. Freedom from fraud

Possible Disadvantages

The major disadvantage may be that the law does not provide enough machines to prevent peak voting hour waiting time.

Known Disadvantages

There appear to be no known disadvantages.

Expenses in Addition to Initial Cost

There are several expenses, in addition to the purchase price, that must be kept in mind.

1. Storage of equipment
2. Insurance
3. Education of Election Officials and Voters

Machines Necessary for Natick

Massachusetts law requires that one machine be made available for every 400 registered voters or major fraction thereof. This means that in a precinct with 1200 voters three machines are necessary, and in a precinct with 1401 voters four machines will be required.

It appears that 40 Voting Machines will be required by law to equip Natick, based on a breakdown of registered voters by Precinct. However, the Committee would recommend 3 machines instead of the required 2 for Precinct 2:

<i>Precinct</i>	<i>Registered Voters</i>	<i>Machines Necessary</i>
1	2,284	6
2	911	2 = necessary 3 = recommended
3	2,311	6
4	2,326	6
5	2,336	6
6	1,268	6
7	1,866	5
8	1,045	3
Total	15,347	40 = necessary 41 = recommended

Cost

The cost to equip the town with machines, based on the current price of \$1,960.00 per machine, will be \$80,360. The machines are also available on a one year rental trial basis for \$150. per machine with full credit allowed on rentals paid.

Work Completed

After a complete review of all the facts both tangible and intangible, the Committee feels that some sort of mechanical vote tabulation equipment would improve the election count in Natick. A study was made of all the available systems, with particular emphasis on those currently permissible under Massachusetts law, and it was determined that the system offered by the Automatic Voting Machine Corporation of Jamestown, New York, would best fill the needs of Natick.

Conclusion

In fulfilling its assigned responsibilities, the Committee has submitted an Article for the Warrant of the 1966 Annual Town Meeting with respect to Voting Machines.

The Committee respectfully requests that this report be accepted and, in order to continue its study as well as to assist in implementing its recommendations, asks to be continued.

Annual Town Warrant

WARRANT FOR NON-PARTISAN PRELIMINARY ELECTION — 1965

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet:

The Voters of Precinct No. 1 in Center School Auditorium.
The Voters of Precinct No. 2 in School House Hall, South Natick.
The Voters of Precinct No. 3 in Brown School, West Natick.
The Voters of Precinct No. 4 in Congregational Church.
The Voters of Precinct No. 5 in Lilja School (Oak Street), East Natick.
The Voters of Precinct No. 6 in Bennett-Hemenway School, North Natick.
The Voters of Precinct No. 7 in Harold H. Johnson School.
The Voters of Precinct No. 8 in West Natick School.

MONDAY, FEBRUARY 1, 1965

at 12 o'clock noon, at which time in all Precincts of said Town of Natick, the polls will be opened and will remain open continuously until 8:00 p.m. of said day, when they will be closed, during which time the aforesaid qualified inhabitants of said Town may bring in their votes to the Election Officers, duly appointed and sworn for said Precincts for said Town of Natick in said meeting so assembled for:

One Moderator, one Town Treasurer, all for one year; also one Selectman, one Assessor of Taxes, one member of the Board of Public Welfare, three members of the School Committee, one member of the Board of Health, one Commissioner of Public Works, one Tree Warden, six Constables, all for three years; also one member of the Planning Board, one member of the Housing Authority, all for five years; also one Trustee of the Leonard Morse Hospital for seven years; also two Recreation Commissioners for three years, two for two years and one for one year; also one member of the School Committee for two years, to fill the unexpired term of Morris W. Wilson, resigned; one Trustee Morse Institute for three years, to fill the unexpired term of Charles H. Brady, resigned.

All ballots to be furnished by the Town and the election will be conducted according to the Australian system, as enacted in Massachusetts, and in conformity with the election laws of said Commonwealth.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole # 144 on No. Main Street, opposite Pine Street, North Natick; Pole # 15 at intersection of Everett and Cottage Streets, Little South; Drug Store at southeast corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said February 1, 1965; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald" and "The Natick Bulletin" said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 7th day of January A.D. 1965.

ANNUAL TOWN MEETING, 1965 SECOND SESSION, MARCH 9, 1965

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Invocation delivered by Rev. William H. Likins.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. Joseph J. Donovan.

ARTICLE 1 (Personnel Board)

To see if the Town, pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws, will vote to amend the By-Laws by adding to Article VIA, Section XIV, a new paragraph deleting certain position titles, adding new position titles and effecting certain changes in the salary ranges as presently established and will provide the money necessary therefor.

The Finance Committee recommends that pursuant to the authority contained in Section 108-A of Chapter 41 of the General Laws, vote to amend its By-Laws in Section XIV of Article VI-A Employees Classification and Pay Plan, by substituting for the present Official Pay Plan, a new Official Pay Plan as follows:

Library Assistant A	2.20	2.25	2.30	2.35	2.40

and further to amend the appropriation under Article one so as to provide \$1350 for the above purpose by striking out the sum of \$3088 at Morse Institute Library Personal Services and substituting therefor the sum of \$4438 and by striking out the total of \$36,647 and substituting a new total of \$37,997, this additional sum to come from the current tax levy; hand vote, with tellers; yeas, 95; nays, 90; motion carried.

Motion of Finance Committee, as amended, was now put and carried.
Motion to take up Article 60 at this time, carried unanimously.

ARTICLE 60

(Finance Committee)

To see if the Town will vote to amend its by-laws by adding thereto in Article III (a) the following:

"10. All Town officers shall pay into the Town Treasury all fees received by them by virtue of their office."

and said by-law to become effective as of July 1, 1965, or otherwise act thereon.

Voted, to amend Article III(a) of the Town By-Laws by adding thereto a new section to read as follows:

"Section 10. All Town officers shall pay into the Town Treasury all fees received by them by virtue of their office, except in the case of the Town Clerk where this shall become effective at the expiration of the term of the present incumbent."

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

July 12, 1965

The foregoing amendment to by-law is hereby approved.

EDWARD W. BROOKE

Attorney General

JAMES H. FLEMING

Town Clerk of Natick

(Published according to law)

ARTICLE 2

(Town Comptroller)

To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 General Laws, as amended.

Voted, to fix the yearly salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

Board of Selectmen, Chairman	\$ 600.00
Board of Selectmen, Second Member	500.00
Board of Selectmen, Third Member	500.00
Board of Assessors, First Member	550.00
Board of Assessors, Second Member	550.00
Board of Assessors, Third Member	550.00
Board of Public Works, Chairman	350.00
Board of Public Works, Second Member	350.00
Board of Public Works, Third Member	350.00
Board of Health, Chairman	350.00
Board of Health, Second Member	350.00
Board of Health, Third Member	350.00
Board of Public Welfare, Chairman	350.00
Board of Public Welfare, Second Member	350.00
Board of Public Welfare, Third Member	350.00
Town Treasurer	3,200.00

Town Collector	6,850.00
Town Clerk	1,000.00
Tree Warden	450.00

except that elective public officers as a condition to receiving pay for a month in which there are regular scheduled meetings, must attend at least one such meeting and, as provided in Section 4-A of Chapter 41 of the General Laws, to authorize the employment of Physicians who are members of the Board of Health to conduct Diphtheria, Tetanus, Whooping Cough and Bay Clinics at a Yearly Salary of \$300.00 per member.

All other elective officers to serve without pay; and that the salary rates as fixed shall be effective from January first.

The finance Committee further recommends that the Town fix the salary of the Town Clerk, effective with the expiration of the term of the present incumbent, at \$6,850.00.

ARTICLE 3 (Town Comptroller)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for General Government for maintenance and operation of the following departments, and other purposes, for the current year.

Recreation Commission	2,906.00
PWD Water	1,000.00

and that said sum of \$94,774.00 be appropriated as follows: \$1,000.00 to be taken from the earnings of the Water Division; \$2,199.45 from the Road Machinery Fund; and \$91,574.55 from the Current Tax Levy and that the above sums of money be expended by the Central Purchasing Equipment Committee established under Article 18 of the Warrant for the Annual Town Meeting of 1955, and that said Committee be authorized to trade in all equipment being replaced by these purchases.

ARTICLE 18

(Town Accountant)

To see if the Town will vote to raise and appropriate, or otherwise provide, such sums of money as may be required for the payment of Unpaid Bills of previous years incurred by the several departments, Boards, and officers of the Town.

Voted, to appropriate the sum of \$30.00 from the Current Tax Levy for the purpose of paying an unpaid bill from the Glenwood Cemetery Association for the care of veterans' graves in 1962.

ARTICLE 19

(Board of Selectmen)

To see what sum of money, if any, the Town will vote to appropriate to settle claims for damage pending against the Town in which the claimants are willing to accept the sums recommended by the Selectmen, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 20

(Town Treasurer)

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1966 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or otherwise act thereon.

Voted, unanimously, that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1966 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 21. **Voted**, on motion of Miss Leavitt, to table action on this Article until after action on Article 42.

— See Sixth Session — Page 140.

ARTICLE 22

(Natick Contributory Retirement System)

To see if the Town will vote to accept Chapter 486 of the Acts of 1964 increasing the amounts of pensions and retirement allowances, payable to certain former public employees; appropriate a sum of money therefor, or otherwise act thereon.

Voted, to accept Chapter 486 of the Acts of 1964 increasing the amounts of pensions and retirement allowances, payable to certain public employees; and that the sum of \$1,050.00 be appropriated from the Current Tax Levy for Contributory Retirement System Pension Fund.

ARTICLE 23

(Bacon Free Library Maintenance Committee)

To see what sum of money the Town will vote to raise or borrow or transfer and appropriate for the maintenance of the Bacon Free Library, or otherwise act thereon.

Voted, to appropriate the sum of \$5,533.00 from the Current Tax Levy for the maintenance of the Bacon Free Library; said sum of money to be expended by the Bacon Free Library Maintenance Committee, appointed under Article 12 of the Warrant for the Annual Town Meeting of 1956.

ARTICLE 24

(Board of Selectmen)

To see if the Town will vote to increase the coverage of group general or blanket hospital, surgical and medical insurance benefits to town employees and to appropriate the necessary funds or otherwise act thereon.

Voted, to increase the coverage of group general or blanket hospital, surgical and medical insurance benefits to Town Employees; and that the sum of \$5,350.00 be appropriated from the Current Tax Levy.

Article 25. **Voted**, on motion of Mr. Lebowitz, to table this Article.
— See Eighth Session — Page 160.

Article 26. **Voted**, on motion of Mr. Gould, to table this Article.
— See Sixth Session — Page 141.

ARTICLE 27

(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to extend water mains, to replace existing water mains with pipe not less than six (6) inch diameter on Speen Street from West Central Street to Pond Street; on Fiske Lane from Fiske Street to Pond Street; on Lowell Road from North Main Street to end; appropriate or borrow money to pay for some, or otherwise act thereon.

Voted, to appropriate the sum of \$19,700.00 from Water Surplus Revenue and to authorize the Board of Public Works to extend water mains, to replace existing water mains with pipe not less than six (6) inch diameter on Speen Street to Pond Street; on Fiske Lane from Fiske Street to Pond Street, on Lowell Road from North Main Street to end; and that said appropriation be segregated as follows:

Replace Water Mains — Speen Street, from West Central Street to Pond Street	\$9,900.00
Replace Water Mains — Fiske Lane, from Fiske Street to Pond Street	\$6,400.00
Replace Water Mains — Lowell Road, from North Main Street to end	3,400.00

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 10:50 P.M.

A Record of the Proceedings of the Third Session.

ANNUAL TOWN MEETING, 1965 FOURTH SESSION, MARCH 16, 1965

Meeting called to order by the Moderator at 7:45 P.M. and stated that there was a Quorum present.

ARTICLE 28

(Department of Public Works)

To see if the Town will vote to authorize the Board of Selectmen to take by right of eminent domain a certain parcel of land on the northerly side of Bacon Street in the Hunnewell Town Forest, being bounded and described as follows: Beginning at a stone bound on the northerly side line of Bacon Street at the southwesterly lot corner of the land now or formerly owned by Vincent F. and Edith C. Murphy;

Thence bearing N 02°-54'-15" E a distance of 1037.86 feet;

Thence bearing N 06°-02'-25" W a distance of 122.97 feet;

Thence bearing N 01°-03'-31" E a distance of 417.42 feet;

Thence bearing N 88°-56'-29" W a distance of 417.42 feet;

Thence bearing S 01°-03'-31" a distance of 417.42 feet;
Thence bearing S 88°-56'-29" E a distance of 391.55 feet;
Thence bearing S 03°-08'-05" W a distance of 1155.84 feet;
Thence bearing S 84°-02'-35" E a distance of 50.0 feet;
to the point of beginning, or otherwise act thereon.

Voted, to authorize the Board of Selectmen to take such action as may be appropriate to secure for the Board of Public Works, for the purpose of erecting a water storage facility thereon, a certain parcel of land on the northerly side of Bacon Street in the Hunnewell Town Forest, being bounded and described as follows: Beginning at a stone bound on the northerly side line of Bacon Street at the southwesterly lot corner of the land now or formerly owned by Vincent F. and Edith C. Murphy;

Thence bearing N 02°-54'-15" E a distance of 1037.86 feet;
Thence bearing N 06°-02'-25" W a distance of 122.97 feet;
Thence bearing N 01°-03'-31" E a distance of 417.42 feet;
Thence bearing N 88°-56'-29" W a distance of 417.42 feet;
Thence bearing S 01°-03'-31" W a distance of 417.42 feet;
Thence bearing S 88°-56'-29" E a distance of 391.55 feet;
Thence bearing S 03°-08'-05" W a distance of 1155.84 feet;
Thence bearing S 84°-02'-35" E a distance of 50.0 feet;
to the point of beginning.

ARTICLE 29

(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct a water storage facility and water mains on land owned by the Town of Natick in the "Hunnewell Town Forest," north of Bacon Street, appropriate by borrowing or otherwise money therefor, or otherwise act thereon.

Voted, unanimously, that the sum of \$350,000.00 be appropriated to the Board of Public Works to construct a standpipe and the laying of water mains of not less than 6 inches in diameter in a portion of the Henry S. Hunnewell Memorial Town Forest north of Bacon Street and near Bay State Road and for the acquisition of land or any interest in land necessary in connection with the foregoing and that to meet this appropriation the treasurer with the approval of the Selectmen is authorized to issue \$350,000.00 in bonds or notes of the Town payable fifteen (15) years from their dates.

ARTICLE 30

(Department of Public Works)

To see if the Town will vote to appropriate a sum of money to pay medical expenses of Joseph Saviano and to request its representative to the General Court to seek legislation ratifying this action or otherwise act thereon.

Voted, to appropriate the sum of \$80.00 from the Current Tax Levy to idemnify Joseph Saviano for medical expenses sustained by him and to request its representative to the General Court to seek legislation ratifying this action.

Article 31. Voted, to table this Article.

— See Sixth Session — Page 141.

Article 32. Voted, to table this Article.

— See Sixth Session — Page 141.

ARTICLE 33

(Department of Public Works)

To see if the Town will vote to adopt the Sewerage Construction Priority Policy as approved by the Commissioners of Public Works and Board of Public Health

of the Town of Natick which shall be updated and revised every five years from this date and resubmitted for the Town's approval,

Project Number	Pumping District	Approximate Location	Construction Period
1	21 Oak Ridge	East Natick	1965-67
	22 Jennings Pond		1965-67
	23 East Natick		1965-67
	24 Overbrook		1965-67
	37 College Pond Area		1965-67
2	18 South Natick	South Natick high density area	1968
3	3 Lake Forest	North Main west to Lake Cochituate and Route 9 north to	1969
	Park Area		
	36 Lake Shore Rd.	Mass. Turnpike	

or otherwise act thereon.

The Finance Committee recommends: Pass Over.

Motion by Mr. O'Leary, to read the same as printed on Page 43 of the Finance Committee Report with the exception that the right hand column — Construction Period and Dates be deleted from the Article; carried.

Amendment by Mr. Gould to strike words "or otherwise act thereon"; carried.

ARTICLE 34

(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains, lateral lines, trunk mains, pumping facilities and force mains in the East Natick area including all or part of the following named streets: Abbott Road, Arlington Circle, Arlington Road, Bacon Street, Bass Road, Bass Terrace, Beverly Road, Border Road, Browning Road, Buena Vista Road, Byron Road, Carlisle Terrace, Centre Street, Cleveland Circle, College Road, Connecticut Avenue, Cooper Road, Craft Road, Eisenhower Avenue, Erlandson Road, Euclid Circle, Gannett Road, Gibbs Street, Grove Road, Grove Terrace, Halsey Way, Harwood Circle, Harwood Road, Ingleside Road, Jennings Pond Road, Keane Road, Keane Terrace, Laconia Road, Leland Road, Longfellow Road, MacArthur Road, Maine Avenue, Manor Avenue, Marshall Road, Massachusetts Avenue, Melvin Road, Naples Road, New Hampshire Avenue, Nimitz Circle, Oak Street, Oak Ridge Avenue, Orchard Road, Otis Street, Overbrook Terrace, Overlook Road, Oxford Street, Patton Road, Paul Street, Peterson Road, Pineridge Road, Pleasant View Road, Princeton Road, Rhode Island Avenue, Richmond Road, Rolling Lane, Shore Road, Shore Terrace, Sunshine Avenue, Traverse Road, Upland Road, Vermont Avenue, Walnut Avenue, Walnut Street, Walnut Park Road, Wellesley Road, Wells Street, Westwood Road, Wheeler Lane, Whittier Road, Euclid Avenue, Winslow Road, Worcester Street, Foxhill Drive, or otherwise act thereon.

Voted, to appropriate the sum of \$62,720.00 to obtain Engineering plans, borings and specifications in the East Natick Area including all or part of the following named streets: Abbott Road, Arlington Circle, Arlington Road, Bacon Street, Bass Road, Bass Terrace, Beverly Road, Border Road, Browning Road, Buena Vista Road, Byron Road, Carlisle Terrace, Centre Street, Cleveland Circle, College Road, Connecticut Avenue, Cooper Road, Craft Road, Eisenhower Avenue, Erlandson Road, Euclid Circle, Gannett Road, Gibbs Street, Grove Road, Grove Terrace, Halsey Way, Harwood Circle, Harwood Road, Ingleside Road, Jennings Pond Road, Keane Road, Keane Terrace, Laconia Road, Leland Road, Longfellow Road, MacArthur Road, Maine Avenue, Manor Avenue, Marshall Road, Massachusetts Avenue, Melvin Road, Naples Road, New Hampshire Avenue, Nimitz Circle, Oak Street, Oak Ridge Avenue, Orchard Road, Otis Street, Overbrook Terrace, Overlook Road, Oxford Street, Patton Road, Paul Street, Peterson Road, Pineridge Road, Pleasant View Road, Princeton Road, Rhode Island Avenue, Richmond Road, Rolling Lane, Shore Road, Shore Terrace, Sunshine Avenue, Traverse Road, Upland

Road, Vermont Avenue, Walnut Avenue, Walnut Street, Walnut Park Road, Wellesley Road, Wells Street, Westwood Road, Wheeler Lane, Whittier Road, Euclid Avenue, Winslow Road, Worcester Street, Foxhill Drive and that said sum of \$62,720.00 be appropriated as follows: \$16,177.76 to be taken from Sewer Surplus Revenue and \$46,602.24 from the Current Tax Levy.

ARTICLE 35

(Chief of Police)

To see if the Town will vote to amend Article XI of the Town By-Laws by adding thereto a new section to read as follows:

Every keeper of a shop for the purchase, sale or barter of junk, old metals, or second-hand articles, within the limits of the town, shall keep a book, in which shall be written, at the time of every purchase of any such article, a description thereof, the name, age, and residence of the person from whom, and the day and hour when, such purchase was made; such book shall at all times be open to the inspection of the Selectmen and of any person by them authorized to make such inspection; every keeper of such shop shall put in a suitable and conspicuous place on his shop a sign having his name and occupation legibly inscribed thereon.

Voted, to amend Article XI of the Town By-Laws by adding thereto a new section to read as follows:

"Section 3. Every keeper of a shop for the purchase, sale or barter of junk, old metals, or second-hand articles, within the limits of the town, shall keep a book, in which shall be written, at the time of every purchase of any such article, a description thereof, the name, age, and residence of the person from whom, and the day and hour when, such purchase was made; such book shall at all times be open to the inspection of the Selectmen and of any person by them authorized to make such inspection; every keeper of such shop shall put in a suitable and conspicuous place on his shop a sign having his name and occupation legibly inscribed thereon."

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

July 12, 1965

The foregoing amendment to by-law is hereby approved.

EDWARD W. BROOKE

Attorney General

(Published according to law)

ARTICLE 36

(Board of Selectmen)

To see if the Town will vote to appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, to purchase or take by eminent domain for public school building and use, all or any part of a certain parcel of land in Natick, described as follows:

"Beginning at a concrete bound on the easterly side line of West Street at land of the Town of Natick;

Thence running N15-25-12E 607.29 feet by land of the Town of Natick to a point;

Thence running S75-09-09E 1007.39 feet by the town forest to a point on a stone wall at land of Kamitian;

Thence running S04-09-15W 166.76 feet by land of Kamitian and Guido to a drill hole in a stone wall;

Thence running S52-56-06E 103.36 feet along a stone wall to a drill hole;

Thence running S53-20-25E 154.99 feet along a stone wall to a point; Said last two courses being by land of Guido;

Thence running S36-39-35W 75.00 feet to a point;

Thence running S82-11-37W 1246.56 feet to a point on the easterly side line of West Street; Said last two courses being by land of Hill;

Thence running N12-13-10W 136.76 feet along the easterly side line of West Street to a point;

Thence running N13-19-43W 92.15 feet along the easterly side line of West Street to a concrete bound at the point of beginning.

Being shown as Parcel 2 on a plan of land owned by Eugene H. and Gladys F. Hill, dated June 12, 1964, by MacCarthy Engineering Service, Inc., Natick, Mass."

or otherwise act thereon.

Voted, to appropriate the sum of \$18,500.00 from the Current Tax Levy and to authorize the Board of Selectmen to expend said sum to purchase by negotiation for public school building and use, all or any part of a certain parcel of land in Natick described as follows:

"Beginning at a concrete bound on the easterly side line of West Street at land of the Town of Natick;

Thence running N15-25-12E 607.29 feet by land of the Town of Natick to a point;

Thence running S75-09-09E 1007.39 feet by the Town Forest to a point on a stone wall at land of Kamitian;

Thence running S04-09-15W 166.76 feet by land of Kamitian and Guido to a drill hole in a stone wall;

Thence running S52-56-06E 103.36 feet along a stone wall to a drill hole;

Thence running S53-20-25E 154.99 feet along a stone wall to a point; Said last two courses being by land of Guido;

Thence running S36-39-35W 75.00 feet to a point;

Thence running S82-11-37W 1246.56 feet to a point on the easterly side line of West Street; Said last two courses being by land of Hill;

Thence running N12-13-10W 136.76 feet along the easterly side line of West Street to a point;

Thence running N13-10-43W 92.15 feet along the easterly side line of West Street to a concrete bound at the point of beginning.

Being shown as Parcel 2 on a plan of land owned by Eugene H. and Gladys F. Hill, dated June 12, 1964, by MacCarthy Engineering Service, Inc., Natick, Mass."

ARTICLE 37

(Board of Assessors)

To see if the Town will vote to authorize the Board of Assessors, effective January 1, 1964, to contract for professional appraisal of all new taxable real estate; to raise and appropriate a sum of money, transfer from available funds, or otherwise act thereon.

Voted, to appropriate the sum of \$4,500.00 from the Current Tax Levy and to authorize the Board of Assessors, effective January 1, 1966, to contract for professional appraisal of all new taxable real estate, using the full and fair market value or the replacement cost methods of appraisal.

ARTICLE 38

(Personnel Board)

To see if the Town of Natick will vote to amend its By-Laws by deleting the words "such emergency leave shall be chargeable against the employees' sick leave benefits" from sub-section D4 of Section 4 of Article IIIA.

The Finance Committee recommends: Pass By.

ARTICLE 39

(Personnel Board)

To see if the Town will vote to amend Section XXIII of Article VIA by adding after the word "Christmas" in paragraph 2 the words: "and for a purpose of this section legal holidays shall include holidays which fall on Saturdays but which are generally observed by the Commonwealth of Massachusetts on the preceding day in whole or in part, and such other times as the Selectmen may authorize. Such time off shall not be considered time actually worked."

Voted, to refer the subject matter of this Article to the Personnel Board.

ARTICLE 40

(Archie C. Gaskin et als)

To see if the Town will vote to raise and appropriate, or otherwise provide for, a sum of money to straighten, widen and resurface Conn. Ave. from Oak St. to Maine Ave., or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 41

(Board of Selectmen)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the construction of sidewalks as follows:

1. The west side of Mill Street, from the entrance to the West School, approximately 500 feet to West Central Street.
2. The west side of Speen Street, from opposite Purington Avenue south approximately 4,100 feet to the Boston and Albany Railroad bridge.
3. The north side of West Street, from Campus Drive, approximately 700 feet to Oakland Street.
4. The east side of Mill Street from Hartford Street approximately 3,700 feet to the Boston and Albany Railroad Bridge.

or otherwise act thereon.

The Finance Committee recommends: That the Town vote to refer the subject matter of this Article to the Sidewalk Study Committee for further action, lost.

Voted, on motion of Mr. Powers, to authorize the Board of Public Works to construct sidewalks on:

1. The north side of West Street from Campus Drive approximately 700 feet to Oakland St.
2. The east side of Mill Street from Hartford Street approximately 2700 feet to the existing sidewalk near Beaver Dam Road.

and that the sum of \$6925.00 be appropriated from Surplus Revenue, and that assessments be made upon the abutments as authorized by any general or special law; said betterments to be borne not less than fifty percent by the abutments and the remainder by the Town.

Article 42. **Voted**, on motion of Mr. Mahoney, to table this Article.

— See Fifth Session — Page 138.

ARTICLE 43
(Planning Board)

To see if the Town will vote to amend its By-Laws by adding to Article 8 a new Section No. as follows:

“No person shall have more than one unregistered vehicle ungaraged on a lot in a residential district at any time unless authorized by the Board of Selectmen. In no event will an unregistered vehicle be stored in a front yard or on a vacant lot.
or otherwise act thereon.

The Finance Committee recommends that the Town vote to amend Article VIII of the Town By-Laws by adding thereto a new section to read as follows:

“Section 26. No person shall have more than one unregistered vehicle ungaraged on a lot in a residential district at any time unless authorized by the Board of Selectmen. In no event will an unregistered vehicle be stored in a front yard or on a vacant lot.”

— For further action — see Fifth Session — Page 132.

Voted, to adjourn to next Thursday evening 7:30 in this hall.

Adjourned 11:10 P.M.

A Record of the Proceedings of the Fourth Session.

ANNUAL TOWN MEETING, 1965
FIFTH SESSION, MARCH 18, 1965

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Article 43. Continued.

Motion of Finance Committee, lost.

Voted, on substitute motion by Mr. Brown, that the Town amend its by-laws by adding to Article VIII a new Section No .26, as follows:

“Unless authorized by the Board of Selectmen, no person shall in a residential district store any unregistered motor vehicle or component part or parts thereof in a front yard, front driveway, or on a vacant lot; nor shall any person, without such authorization keep ungaraged on any lot in such a district more than one such unregistered motor vehicle or component parts thereof.”

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

July 12, 1965

The foregoing amendment to by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

JAMES H. FLEMING
Town Clerk of Natick

(Published according to law)

ARTICLE 44

(Planning Board)

To see if the Town will vote to amend its Zoning By-Laws by striking out the wording under Section III, Use Regulations Schedule, IIIA, subsection 4, and inserting a new wording of subsection 4 to read as follows:

4. Multi-family dwelling or apartment house for not less than three families if located on a lot having an area in accordance with the following schedule: first four families — 20,000 square feet; each family thereafter — an additional 4,300 square feet.
or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 44 at its office on February 4, 1965, at 7:30 P.M. The hearing was advertised in the January 14, 1965, and January 21, 1965, issues of the Natick Bulletin.

While past town meetings have not approved requests for multiple residence zones, it is, nevertheless, desirable to maintain standards for such zones should they be established at a future date.

This article is intended to make the requirements for a multiple residence zone conform more nearly to the requirements for single residence zoning of comparable sizes. To that end, area requirements are related to the number of families, while setbacks, side yards, and other similar restrictions match those of comparable single family residence zones.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend its Zoning By-Laws by striking out the wording under Section III, Use Regulations Schedule IIIA, subsection 4, and inserting a new wording of subsection 4 to read as follows:

4. Multi-family dwelling or apartment house for not less than three families if located on a lot having an area in accordance with the following schedule: first four families — 20,000 square feet; each family thereafter — an additional 4,300 square feet.

Amendment by Mr. Lebowitz, by adding after the words an additional 4,300 square feet 'and in addition to the minimum frontage required per lot for four families; each family thereafter an additional 10 feet of street frontage', carried.

The motion of the Finance Committee, as amended, was now put, to amend its Zoning By-Laws, as amended, by striking out the wording under Section III, Use Regulations Schedule IIIA, subsection 4, and inserting a new wording of subsection 4 to read as follows:

4. Multi-family dwelling or apartment house for not less than three families if located on a lot having an area in accordance with the following schedule: first four families — 20,000 square feet; each family thereafter — an additional 4,300 square feet and in addition to the minimum frontage required per lot for four families; each family thereafter — an additional 10 feet of street frontage; hand vote, with tellers; yeas, 132; nays, 32.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

July 12, 1965

The foregoing amendment to zoning by-laws is hereby approved.

ARTICLE 45
(Planning Board)

To see if the Town will vote to amend its Zoning By-Laws, as amended, by making the following changes in Section IVB, Intensity Regulations by Zoning Districts:

1. In the horizontal row of specifications applicable to District RM:
 - a. Change Area from 16,000d to 20,000d;
 - b. Change Continuous Frontage from 100 to 120k;
 - c. Change Depth from 100 to 125k;
 - d. Change Front from 30 to 30k;
 - e. Change Side from 12h to 12i;
 - f. Change Rear from 25g to 25m;
 - g. Change Maximum % of building coverage (Inc. Access buildings) from 35 to 25;
 - h. Change Open Space Required per Lot from 40% to 40% n.
2. In place of the present footnote "d", substitute the following:
"d. 20,000 square feet for first four families; 4,300 square feet for each family thereafter."
3. Add footnotes "k, l, m and n" as follows:
 - "k. For lots with an area of 40,000 square feet or larger, the minimum dimensions for Continuous Frontage, Depth, and Front Yard shall be those of the Residential Single Zone of comparable minimum area: i.e., RSB, RSD, or RSE."
 - "l. One-third height of building but in no case less than the Side Yard dimension for the Residential Single Zone of comparable minimum area: i.e. RSC, RSB, RSD, or RSE."
 - "m. One-half height of building but in no case less than the Rear Yard dimension for the Residential Single Zone of comparable minimum area: i.e., 25 feet if the area of the lot is 20,000 square feet or more but not 40,000 square feet; 40 feet if the area of the lot is 40,000 square feet or more."
 - "n. Conventional outdoor recreational facilities such as tennis courts, playgrounds, swimming pool, etc., may be considered as part of the Open Space requirement."

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 45 at its office February 4, 1965, at 7:30 P.M. The hearing was advertised in the January 14, 1965, and January 21, 1965, issues of the Natick Bulletin.

While past town meetings have not approved requests for multiple residence zones, it is, nevertheless, desirable to maintain standards for such zones should they be established at a future date.

This article is intended to make the requirements for a multiple residence zone conform more nearly to the requirements for single residence zoning of comparable sizes. To that end, area requirements are related to the number of families, while setbacks, side yards, and other similar restrictions match those of comparable single family residence zones.

The Planning Board recommends favorable action.

 - "l. One-third height of building but in no case less than the Side Yard dimension for the Residential Single Zone of comparable minimum area: i.e. RSC, RSB, RSD, or RSE."
 - "m. One-half height of building but in no case less than the Rear Yard dimension for the Residential Single Zone of comparable minimum area: i.e., 25 feet if the area of the lot is 20,000 square feet or more but not 40,000 square feet; 40 feet if the area of the lot is 40,000 square feet or more."
 - "n. Conventional outdoor recreational facilities such as tennis courts, playgrounds, swimming pool, etc., may be considered as part of the Open Space requirement."

Amendment by Mr. Lebowitz, by adding in Section 2, footnote "d" after the words for each family thereafter "and in addition to the minimum frontage required per lot for four families; each family thereafter an additional 10 feet of street frontage", carried.

Motion of Finance Committee, as amended by Mr. Lebowitz, was now put and carried, unanimously.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

July 12, 1965

The foregoing amendment to zoning by-laws is hereby approved.

EDWARD W. BROOKE

Attorney General

A true copy.

Attest:

JAMES H. FLEMING

Town Clerk of Natick

(Published according to law)

ARTICLE 46

(George T. Hazen)

To see if the Town will vote to amend its Zoning By-Laws by striking out the wording under Section III, Use Regulations Schedule, IIIA, Residential Use subsection 4, and inserting a new wording of subsection 4 to read as follows:

- 4. Multi-family dwelling or apartment house for not less than three families if located on a lot having an area in accordance with the following schedule: first four families — 20,000 square feet; each family thereafter — an additional 4,300 square feet and in addition to the minimum frontage required per lot for four families; each family thereafter — an additional 10 feet of street frontage.

or otherwise act thereon.

Passed over.

ARTICLE 47

(George T. Hazen)

To see if the Town will vote to amend its Zoning By-Laws, as amended, by making the following changes in Section IVB, Intensity Regulations By Zoning Districts:

1. In the horizontal row of specification applicable to District RM:
 - a. Change Area from 16,000d to 20,000d;
 - b. Change Continuous frontage from 100 to 120k;
 - c. Change Depth from 100 to 125k;
 - d. Change front from 30 to 30k;
 - e. Change Side from 12h to 12i;
 - f. Change Rear from 25g to 25m;
 - g. Change Open Space Required per lot from 40% to 40%n.
2. In place of the present footnote "d", substitute the following:
 - "d. 20,000 sq. feet for first four families; 4,300 square feet for each family thereafter and in addition to the minimum frontage required per lot for four families; each family thereafter an additional 10 feet of street frontage."
3. Add footnotes "k, l, m, and n" as follows:
 - "k. for lots with an area of 40,000 square feet or larger, the minimum dimensions for Continuous Frontage, Depth, and Front Yard shall be those of the Residential Single Zone of comparable area: i.e., RSB, RSD, or RSE."
 - "l. One-third height of building but in no case less than the Side Yard dimension for the Residential Single Zone of comparable area: i.e., RSC, RSB, RSD, or RSE."
 - "m. One-half height of building but in no case less than the Rear Yard dimension for the Residential Single Zone of comparable minimum area: i.e., 25 feet if the area of the lot is 20,000 square feet or more but not 40,000 square feet; 40 feet if the area of the lot is 40,000 or more."
 - "n. Conventional outdoor recreational facilities such as tennis courts, playgrounds, swimming pool, etc., may be considered as part of the open space requirement."

or otherwise act thereon.

The Planning Board recommends Indefinite Postponement.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 48

(George T. Hazen)

To see if the Town will vote to amend its Zoning By-Laws by adding letter Oa to Section III, Use Regulations Schedule, IIIA, 1:

1. Oa if RG abuts a CI, CII, In I, In II within 250 feet the land may be used for R.M.

Planning Board recommends that the subject matter of this Article be referred to it for further study.

Voted, on motion of Finance Committee, to refer the subject matter of this Article to the Planning Board for further study.

ARTICLE 49

(George T. Hazen)

To see if the Town will vote to amend its Zoning By-Laws by striking out letter under Section III, Use Regulations Schedule, IIIA, subsection 4, R.G., and inserting a new letter of subsection 4, R.G.

1. Change O to Oa.

Planning Board recommends that the subject matter of this Article be referred to it for further study.

Voted, on motion of Finance Committee, to refer the subject matter of this Article to the Planning Board for further study.

ARTICLE 50

(George T. Hazen)

To see if the Town will vote to amend its Zoning By-Laws by striking out letter under Section III, Use Regulations Schedule, IIIA, subsection 4, CI, and inserting a new letter of subsection 4, CI.

1. Change O to A.

Planning Board recommends that the subject matter of this Article be referred to it for further study.

Voted, on motion of Finance Committee, to refer the subject matter of this Article to the Planning Board for further study.

Article 51. Finance Committee motion for Indefinite Postponement, laid on table, carried.

Voted, on motion of Mr. Stanton, to table this Article.

— See Seventh Session — Page 150.

Article 52. **Voted**, on motion of Mr. Fox, to table this Article.

— See Seventh Session — Page 151.

ARTICLE 53

(Natick Recreation Commission)

To see what sum of money the town will vote to raise and appropriate, or otherwise provide for the construction of a hard surface multi-purpose court (tennis, basketball, ice skating, roller skating, etc.) approx. 184' x 96' on Pleasant St. (West side, South Natick on the present site of the Northern skating area, or otherwise act thereon.

Motion of Finance Committee for Indefinite Postponement, lost.

Voted, on amendment by Mr. Potter, that the town vote to appropriate the sum of \$9,136.00 from Surplus Revenue for the construction of a hard surface multi-purpose court (tennis, basketball, ice skating, roller skating, etc.) approx. 184' x 96' on Pleasant St. (West side, South Natick on the present site of the Northern skating area.

ARTICLE 54

(Natick Recreation Commission)

To see what sums of money that the Town will vote to raise and appropriate, or otherwise provide, for repairing the walls at Shaw Park and Hunnewell Field, or otherwise act thereon.

Voted, to appropriate the sum of \$1,780.00 from the Current Tax Levy to be expended by the Recreation Commission to point up and replace missing stone on (1) the wall between the upper Hunnewell Field and the residential property and (2) the wall running parallel to the Coatings Engineering right-of-way.

Article 55. See Sixth Session — Page 147.

Voted, to take Article 42 from table.

ARTICLE 42

(Hospital Needs Committee)

To see if the Town will appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, for the purpose of obtaining plans and specifications for an addition to the Leonard Morse Hospital, or otherwise act thereon.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$175,000.00 for the purpose of obtaining final working plans, boring, specifications and bids for increasing the size and improving the physical plant of the Leonard Morse Hospital at its present site; the total sum to be expended under the direction of a committee of seven to be appointed by the Moderator; and that said sum of \$175,000.00 be appropriated as follows: \$100,000.00 to be transferred from the Stabilization Fund and \$75,000.00 from the Current Tax Levy.

Motion by Mary R. Leavitt, to amend the motion of the Finance Committee as follows: That the town vote an appropriation of \$175,000 for the purpose of obtaining final working plans, borings, specifications and bids for increasing the size and improving the physical plant of the Leonard Morse Hospital at its present site; said appropriation to come from current tax levy and the total sum to be expended under the direction of a committee of seven to be appointed by the Moderator; hand vote, with tellers; yeas, 116; nays, 57; motion carried.

Motion to amend by Robert M. Schwaner, after — “at its present site” — add — “, with such plans and specifications to describe facilities not to exceed \$3,000,000.00 in total cost; if bids received exceed \$3,000,000.00, such items as may cause the overrun shall be broken out as separate items for separate action by the town meeting;” motion carried.

Motion of the Finance Committee, as amended, was now put and was: —

Voted: That the Town appropriate the sum of \$175,000.00 for the purpose of obtaining final working plans, boring, specifications and bids for increasing the size and improving the physical plant of the Leonard Morse Hospital at its present site with such plans and specifications to describe facilities not to exceed \$3,000,000 in total cost, if bids received exceed \$3,000,000 such items as may cause the overrun shall be broken out as separate items for separate action by the town meeting; the total sum to be expended under the direction of a committee of seven to be appointed by the Moderator; and that said sum of \$175,000.00 be appropriated as follows: from the Current Tax Levy.

Committee: — George S. Hodgson (Temporary Chairman), Lyman Brown, Jr., Rudman J. Ham, Margaret D. Horton, Aaron S. Kaufman, Francis E. Sullivan and John I. Taylor, Jr.

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 11:00 P.M.

A Record of the Proceedings of the Fifth Session.

Attest:

JAMES H. FLEMING
Town Clerk of Natick

Special Town Meeting, March 23, 1965

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Voted, to waive the reading of the Warrant Article.

The Finance Committee reported through its Secretary, Mr. Joseph J. Donovan.

The following Resolution was presented at this time by Marvin R. Gould and was unanimously adopted:

Be it resolved that the Town of Natick express its most grateful thanks and appreciation to Safety Officer William J. Garvey for his 36 years of faithful and dedicated service to the citizens of Natick and their children.

ARTICLE 1

(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains, lateral lines, trunk mains, pumping facilities and force mains in Natick Farms area including all or part of the following named streets: Barchestead Place, Bolser Avenue, Bunker Lane, Carlson Circle, Cross Street, Draper Street, Fairview Avenue, Fern Street, Fiske Lane, Fiske Street, Green Street, Herbert Road, Hudson Street, Lakeview Avenue, Lena Road, Moore Street, Pond Street, Proctor Street, Speen Street, Sylvester Road, West Central Street, Whitcomb Street, and Windsor Avenue, or otherwise act thereon.

Voted, to appropriate the sum of \$112,000.00 to be used in conjunction with the appropriation voted under Article 42 of the Warrant for the Annual Town Meeting of 1964 and to authorize the Board of Public Works to construct sewer mains, lateral lines, trunk mains, pumping facilities and force mains in Natick Farms area including all or part of the following named streets: Barchestead Place, Bolser Avenue, Bunker Lane, Carlson Circle, Cross Street, Draper Street, Fairview Avenue, Fern Street, Fiske Lane, Fiske Street, Green Street, Herbert Road, Hudson Street, Lakeview Avenue, Lena Road, Moore Street, Pond Street, Proctor Street, Speen Street, Sylvester Road, West Central Street, Whitcomb Street and Windsor Avenue and that said sum of \$112,000.00 be appropriated as follows: \$24,107.66 to be taken from Sale of Real Estate Fund and \$87,892.34 from Surplus Revenue.

ANNUAL TOWN MEETING, 1965

SIXTH SESSION, MARCH 23, 1965

Voted, to take Article 21 from table.

ARTICLE 21

(Town Comptroller)

To see if the Town will vote to appropriate a sum of money from available funds for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961, as authorized by Chapter 40, Section 5 of the General Laws, or otherwise act thereon.

Voted, to appropriate the sum of \$100,000.00 from the Current Tax Levy for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961, as authorized by Chapter 40, section 5B of the General Laws.

Motion by Mr. Gould, for reconsideration, lost.

Voted, on motion by Mr. Donovan, to take Article 26 from table.

ARTICLE 26

(Department of Public Works)

To see what sum of money the Town will appropriate by borrowing or otherwise, to widen, resurface, reconstruct or drain Mill Street from the 1964 construction southerly to West Central Street; such sum or part thereof to be used in conjunction with money contributed by the State and County, or otherwise act thereon.

Voted, to appropriate the sum of \$13,700.00 and to authorize the Board of Public Works to widen, resurface, reconstruct or drain Mill Street from the 1964 construction southerly to West Central Street; work to be done under "Chapter 90"; said money to be used in conjunction with money contributed by the State and County; and that said sum of \$13,700.00 be appropriated as follows: \$12,357.87 to be transferred from the unencumbered appropriation balance of Resurface Various Streets, Article 41, Annual Town Meeting of 1964 and \$1,342.13 from Chapter 782, Acts of 1962 Highway Fund.

Voted, to take Article 31 from table.

ARTICLE 31

(Department of Public Works)

To see if the Town will vote to accept the Acts of 1965, if authorized by the General Court, relative to the methods of apportioning sewerage construction costs in the Town of Natick by the Natick Department of Public Works, as filed by its Representative in the General Court in accordance with Town Meeting authorization in Article 1 of the June 25, 1964 Special Town Meeting, or otherwise act thereon.

Voted, to accept Chapter 155 of the Acts of 1965 relative to the methods of apportioning sewerage construction costs in the Town of Natick by the Natick Department of Public Works.

Voted, to take Article 32 from table.

ARTICLE 32

(Department of Public Works)

To see if the Town will vote to amend its By-Laws by adding in Article V (A) a new section, the Sewerage Cost Apportionment By-Law, specifying that Commissioners of Public Works of the Town of Natick shall assess future sewerage construction costs on the basis of the unit method, which is substantially as follows:

Section 5.

A. Purpose and Authorization

To assess all properties receiving benefit or advantage from public sewerage construction within a limited and determinable area in accordance with the formal vote or order of the Commissioners of Public Works of the Town of Natick in accordance with Chapter 80, Section 1 of the General Laws and any other applicable statute, general or special.

B. Basic Requirements

The Commissioners of Public Works of the Town of Natick shall assess sewerage construction costs to all properties receiving benefit or advantage on the basis of the unit method as hereinafter defined. Said Commissioners shall separate the costs of the general benefit facilities, such as pumping stations, trunk, and force mains, from that of the special benefit facilities, such as the sewer mains serving adjacent properties. The proportional cost of the special and general benefit facilities shall be assessed against all properties abutting a sewered street upon such sewer becoming operational. The cost of the general benefit facilities, attributable to lands not abutting a sewered street, shall not be assessed until the properties are serviced by public sewerage. The Town will temporarily pay this delayed cost of the general benefit facilities until such lands are serviced by public sewerage.

C. Definitions. For the purpose of this By-Law the following words shall be considered to have the following meanings:

1. Unit Method: a means by which sewerage construction costs shall be equally divided between the total number of existing and potential sewer units to be served after having proportioned the costs resulting from special and general benefit facilities.
2. Sewer Unit: assessment equivalent correspondent to a single family residential lot as permitted under the zoning by-laws of the Town of Natick.
3. Dwelling Unit: one or more rooms providing complete living facilities for one family, including equipment for cooking or provisions for the same, and including room or rooms for living, sleeping, and eating.
4. Multifamily Use: occupancy of premises with two or more dwelling units.
5. Commercial Use: occupancy of premises for financial gain including profit such as business and industrial uses.
6. Semi-public Uses: occupancy of premises by private non-profit organizations such as schools, hospitals, and religious institutions.
7. Lateral Line: sewer conduit from a house to a street.
8. Sewer Main: the line serving as a conduit for sanitary sewage from the lateral lines from each individual property.
9. Trunk Main: the line serving as a conduit for sanitary sewage from a number of sewer mains and lateral lines. Trunk mains shall be considered as those lines ten (10) inches and over in diameter.
10. Force Main: a line without access from individual properties providing access from pumping station to pumping station or to trunk and sewer main.
11. Zoning By-Law: the Zoning By-Law in effect in the Town of Natick at the time the sewerage betterment assessment is levied.
12. Special Benefit Facilities: the sewer main to which a lateral line from an individual abutting property can be connected.
13. General Benefit Facilities: improvements such as pumping stations, trunk and force mains which will provide benefit or advantage to an area exceeding that served by the special benefit facilities. Ordinarily general benefit facilities will serve a major part of a pumping district.
14. Commissioners of Public Works: the Commissioners of the Natick Board of Public Works.

D. Sewerage Cost Apportionment

All properties to receive benefit or advantage from public sewer construction after the adoption of this By-Law shall be subject to the unit method of sewerage betterment cost apportionment. Betterments shall be assessed for 75 per cent of the cost of special and general benefit facilities with 25 per cent of the cost to be paid by the Town.

Each parcel of land in a pumping district shall be converted into permanent sewer units for the purpose of proportionally dividing the construction costs. For assessment purposes a sewer unit shall be equivalent to a single family residential lot of the minimum frontage and depth requirements specified in the Zoning By-Law for the district in which the property is located.

If a lot containing a dwelling unit or structure used for commercial or semi-public purpose is smaller than that required by the Zoning By-Law for residential purposes, it shall be assessed one unit. If a dwelling unit is so situated on two or more adjacent residential lots so that only one residence is allowable, or if an owner with two or more such adjacent lots is using one lot for his house and the remainder is vacant, he will be assessed one sewer unit until such land is further developed. At the time of development proportional assessment will be made based on previously established permanent sewer units. Multifamily residences shall be assessed one sewer unit for each dwelling unit.

Commercial and industrial and semi-public uses shall be converted into sewer units on the basis of the minimum frontage and depth requirements of the nearest single family residential district with the largest common frontage.

If any parcels of land are ever converted to a more intensive use by new construction, zoning changes, or variance of the Zoning By-Laws, resulting in an increment in sewerage benefit to the parcel greater than that established at the

time of the original assessment, the Commissioners of Public Works shall proportionally assess the more intensive use.

The following methodology is presented as a guide for apportioning the cost of sewerage construction using the unit method:

1. The cost of the general benefit facilities and the special benefit facilities shall be separated from each other. The cost of the general benefit facilities shall be divided into two parts:
 - a. The costs apportioned to the lands abutting existing streets which will receive direct benefit and advantage upon connection to the sewerage system and
 - b. the costs apportioned to the lands not abutting the existing streets to be sewer, which cost will accrue at a later date.
2. The proportion of a property abutting a street to be sewer that will benefit from the improvement shall be converted into sewer units as follows:
 - a. Existing residential uses including multi-family uses shall be converted into sewer units on the basis of the number of dwelling units in the structure.
 - b. Existing commercial and semi-public uses shall be converted into sewer units. The street frontage of the property including all which is actually developed for use at the present time shall be divided into sewer units on the basis of the frontage and depth requirements specified for the single family zoning district in closest proximity to it. These parcels shall be assessed for both special and general benefit costs. The remainder of the property shall be divided into residential units as above after having made allocation for potential roadways and lands not useable. These latter parcels shall be assessed only for the general benefit facilities.
 - c. Potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Law for the district in which such lands are located.
 - d. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage.
3. Properties not immediately benefiting from sewer improvements in the determinable area but which will benefit at a later date shall be converted into sewer units.
 - a. Existing and potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Law for the district in which such lands are located after having made allocation for potential roadways and lands not useable.
 - b. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage after having made allocation for potential roadways and lands not useable.
4. The unit cost for special benefit facilities shall be allocated to all properties abutting an existing street by dividing the cost of the special benefit facilities (item D-1) by the total number of sewer units calculated for such area (item D-2).
5. The unit cost for general benefit facilities shall be allocated to all properties within the limited and determinable area by dividing the cost of the general benefit facilities (item D-1) by the total number of sewer units within such area (item D-2 plus D-3).
6. The total unit cost for all properties abutting an existing street shall be calculated by adding the unit cost of the general and special benefit facilities together.
7. The proportional unit cost which will temporarily be payable by the Town, but reimbursable when the properties directly benefit from the general benefit facilities shall be calculated by multiplying the number of sewer

units attributable to the area not receiving immediate benefit (item D-3) by the unit cost for general benefit facilities (item D-5).

E. Sewerage Connection

An abuttor to a completed section of a sewer line may connect to the completed line before the entire sewer project is completed and assessed, provided that he makes a stipulated monetary deposit and signs an agreement with the Department of Public Works to the effect that he will pay the balance of the assessment when levied,

or otherwise act thereon.

Voted, to amend Article V (A) of the Town By-Laws by adding thereto a new section to read as follows:

Section 5.

A. Purpose and Authorization

To assess all properties receiving benefit or advantage from public sewerage construction within a limited and determinable area in accordance with the formal vote or order of the Commissioners of Public Works of the Town of Natick in accordance with Chapter 80, Section 1 of the General Laws and any other applicable statute, general or special.

B. Basic Requirements

The Commissioners of Public Works of the Town of Natick shall assess sewerage construction costs to all properties receiving benefit or advantage on the basis of the unit method as hereinafter defined. Said Commissioners shall separate the costs of the general benefit facilities, such as pumping stations, trunk, and force mains, from that of the special benefit facilities, such as the sewer mains serving adjacent properties. The proportional cost of the special and general benefit facilities shall be assessed against all properties abutting a sewered street upon such sewer becoming operational. The cost of the general benefit facilities, attributable to lands not abutting a sewered street, shall not be assessed until the properties are serviced by public sewerage. The Town will temporarily pay this delayed cost of the general benefit facilities until such lands are serviced by public sewerage.

C. Definitions. For the purpose of this By-Law the following words shall be considered to have the following meanings:

1. Unit Method: a means by which sewerage construction costs shall be equally divided between the total number of existing and potential sewer units to be served after having proportioned the costs resulting from special and general benefit.
2. Sewer Unit: assessment equivalent correspondent to a single family residential lot as permitted under the zoning by-laws of the Town of Natick.
3. Dwelling Unit: one or more rooms providing complete living facilities for one family, including equipment for cooking or provisions for the same, and including room or rooms for living, sleeping and eating.
4. Multifamily Use: occupancy of premises with two or more dwelling units.
5. Commercial Use: occupancy of premises for financial gain including profit such as business and industrial uses.
6. Semi-public Uses: occupancy of premises by private non-profit organizations such as schools, hospitals, and religious institutions.
7. Lateral Line: sewer conduit from a house to a street.
8. Sewer Main: the line serving as a conduit for sanitary sewage from the lateral lines from each individual property.
9. Trunk Main: the line serving as a conduit for sanitary sewage from a number of sewer mains and lateral lines. Trunk mains shall be

- considered as those lines ten (10) inches and over in diameter.
10. Force Main: a line without access from individual properties providing access from pumping station to pumping station or to trunk and sewer main.
11. Zoning By-Law: the Zoning By-Law in effect in the Town of Natick at the time the sewerage betterment assessment is levied.
12. Special Benefit Facilities: the sewer main to which a lateral line from an individual abutting property can be connected.
13. General Benefit Facilities: improvements such as pumping stations, trunk and force mains which will provide benefit or advantage to an area exceeding that served by the special benefit facilities. Ordinarily general benefit facilities will serve a major part of a pumping district.
14. Commissioners of Public Works: The Commissioners of the Natick Board of Public Works.

D. Sewerage Cost Apportionment

All properties to receive benefit or advantage from public sewer construction after the adoption of this By-Law shall be subject to the unit method of sewerage betterment cost apportionment. Betterments shall be assessed for 75 per cent of the cost of special and general benefit facilities with 25 per cent of the cost to be paid by the Town.

Each parcel of land in a pumping district shall be converted into permanent sewer units for the purpose of proportionally dividing the construction costs. For assessment purposes a sewer unit shall be equivalent to a single family residential lot of the minimum frontage and depth requirements specified in the Zoning By-Law for the district in which the property is located.

If a lot containing a dwelling unit or structure used for commercial or semi-public purpose is smaller than that required by the Zoning By-Law for residential purposes, it shall be assessed one unit. If a dwelling unit is so situated on two or more adjacent residential lots so that only one residence is allowable, or if an owner with two or more such adjacent lots is using one lot for his house and the remainder is vacant, he will be assessed one sewer unit until such land is further developed. At the time of development proportional assessment will be made based on previously established permanent sewer units. Multi-family residences shall be assessed one sewer unit for each dwelling unit.

Commercial and industrial and semi-public uses shall be converted into sewer units on the basis of the minimum frontage and depth requirements of the nearest single family residential district with the largest common frontage.

If any parcels of land are ever converted to a more intensive use by new construction, zoning changes, or variance of the Zoning By-Laws, resulting in an increment in sewerage benefit to the parcel greater than that established at the time of the original assessment, the Commissioners of Public Works shall proportionally assess the more intensive use.

The following methodology is presented as a guide for apportioning the cost of sewerage construction using the unit method:

1. The cost of the general benefit facilities and the special benefit facilities shall be separated from each other. The cost of the general benefit facilities shall be divided into two parts.
 - a. The costs apportioned to the lands abutting existing streets which will receive direct benefit and advantage upon connection to the sewerage system and
 - b. the costs apportioned to the lands not abutting the existing streets to be seweraged, which cost will accrue at a later date.
2. The proportion of a property abutting a street to be seweraged that will benefit from the improvement shall be converted into sewer units as follows:

- a. Existing residential uses including multi-family uses shall be converted into sewer units on the basis of the number of dwelling units in the structure.
 - b. Existing commercial and semi-public uses shall be converted into sewer units. The street frontage of the property including all which is actually developed for use at the present time shall be divided into sewer units on the basis of the frontage and depth requirements specified for the single family zoning district in closest proximity to it. These parcels shall be assessed for both special and general benefit costs. The remainder of the property shall be divided into residential units as above after having made allocation for potential roadways and lands not useable. These latter parcels shall be assessed only for the general benefit facilities.
 - c. Potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Laws for the district in which such lands are located.
 - d. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage.
3. Properties not immediately benefiting from sewer improvements in the determinable area but which will benefit at a later date shall be converted into sewer units.
 - a. Existing and potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Law for the district in which such lands are located after having made allocation for potential roadways and lands not useable.
 - b. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage after having made allocation for potential roadways and lands not useable.
 4. The unit cost for special benefit facilities shall be allocated to all properties abutting an existing street by dividing the cost of the special benefit facilities (item D-1) by the total number of sewer units calculated for such area (item D-2).
 5. The unit cost for general benefit facilities shall be allocated to all properties within the limited and determinable area by dividing the cost of the general benefit facilities (item D-1) by the total number of sewer units within such area (item D-2 plus D-3).
 6. The total unit cost for all properties abutting an existing street shall be calculated by adding the unit cost of the general and special benefit facilities together.
 7. The proportional unit cost which will temporarily be payable by the Town, but reimbursable when the properties directly benefit from the general benefit facilities shall be calculated by multiplying the number of sewer units attributable to the area not receiving immediate benefit (item D-3) by the unit cost for general benefit facilities (item D-5).

E. Sewerage Connection

An abuttor to a completed section of a sewer line may connect to the completed line before the entire sewer project is completed and assessed, provided that he makes a stipulated monetary deposit and signs an agreement with the Department of Public Works to the effect that he will pay the balance of the assessment when levied.

APPROVAL OF THE ATTORNEY GENERAL

Boston, Mass.

May 27, 1965

The foregoing amendment to by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

JAMES H. FLEMING
Town Clerk of Natick

(Published according to law)

ARTICLE 55

(Natick Conservation Commission)

To see if the Town will vote to transfer the following parcel of land assessed for real estate taxes and taken by the Town for nonpayment of such taxes under General Laws Chapter 60, Sections 79 and 80, to the custody of Conservation Commission for all purposes as set out in Chapter 40, Section 8-C, as amended:

"A parcel of land recorded in Book 326, page 557 and described as being 5.35 acres, as shown as lot 16 parcel B on Town of Natick Block Map #14 in Precinct 5, Shown to be land formerly owned by Rudnick, Louis E. et al. and Parker, Melvin Natick Development Trust."

or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 56

(Natick Conservation Commission)

To see if the Town will vote to raise and appropriate or otherwise provide a sum not exceeding \$15,000 to the Conservation Fund created by authority of the vote under Article 38 of the Annual Town Meeting of 1963, or otherwise act thereon.

Voted, to appropriate the sum of \$2,000.00 from the Current Tax Levy to the Conservation Fund for future land acquisition, administrative costs or other similar approved expenditures of a Conservation Commission; any unexpended balances of said Conservation Fund to be allowed to accumulate from year to year, in accordance with the provisions of Chapter 40, Section 5, Clause 51 of the General Laws, as amended.

ARTICLE 57

(Municipal Skating Arena Committee)

To see if the Town will vote to raise and appropriate a sum of money for the purpose of obtaining plans, specifications and bids for the construction of an indoor ice skating arena on land owned by the Town of Natick on West Street, said sum to be expended by a committee of seven members to be appointed by the Moderator, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 58

(Vincent Bamford et als)

To see if the Town will vote to raise and appropriate a sum of money for the purpose of preparing the land purchased by the Town to comply with the require-

ments of Chapter 461 of the Acts of 1962 for recreational purposes, or take any action relative thereto.

Motion of Finance Committee for Indefinite Postponement, lost.

Substitute motion by Mr. Stoddard, that the Town vote to appropriate the sum of \$950.00 for the purpose of preparing the land purchased from the Commonwealth of Massachusetts under Chapter 461 of the Acts of 1962, said preparation to follow, in general, the outline advised for the year 1965 by the Site Study Committee for this property and said money to be taken from Surplus Revenue and to be expended by the Recreation Commission for their expenditure on said land preparation, carried.

Amendment by Mr. Winterson, to amend the substitute motion on Article 58 by adding the sum of \$3,400.00 from Surplus Revenue for the construction of a Chain Link Fence on the southerly side of said land to comply with deed restrictions as set forth in Chapter 461 of the Acts of 1962, and that the work be done under the direction of the Recreation Commission, carried.

Substitute motion by Mr. Stoddard, as amended by motion of Mr. Winterson, was now put and carried.

ARTICLE 59

(Charles Stoddard et al.)

To see if the Town will vote to instruct its Representative to the General Court to file legislation to permit the Town to acquire for recreational purposes from the Commonwealth of Massachusetts the following described parcel of land, and appropriate the sum of one dollar to pay for the same, or take any action relative thereto:

Beginning at a point on the Southerly side of Speen St. at the Southwest lot corner, occupied now or formerly by the Massachusetts Department of Public Works; thence North 1 degree 32 minutes, 30 second East, a distance of 336.88 feet; thence North 89 degrees 14 minutes, 15 seconds West, a distance of 497.43 feet; thence South 0 degrees 57 minutes 00 seconds East, a distance of 68.15 feet; thence South 37 degrees 42 minutes 30 seconds East, a distance of 160.84 feet; thence in a Southerly direction, a distance of 107.0 feet; thence in a Westerly direction, a distance of 598.1 feet to the point of beginning, containing 4.2 acres. Said parcel of land is shown on a plan entitled "Natick Proposed Maintenance Depot," owned by the Commonwealth of Massachusetts on file in the Department of Public Works of the Town of Natick;

or otherwise act thereon.

Motion of Finance Committee for Indefinite Postponement, lost.

Motion by Mrs. Mannos, same as Article, carried.

Article 60 — See Second Session — Page 116.

ARTICLE 61

(Timothy B. Daly et al.)

To see if the Town will vote to amend Article III of its By-Laws by adding thereto a new Section 5 reading substantially as follows:

"All Town officials shall be required to pay all fees received by them by virtue of their office into the Town Treasury and to report the amount thereof from time to time to the Selectmen, who shall publish same in the annual Town Report, as defined by General Laws, Chapter 40, Section 21 (13)," or otherwise act thereon.

Passed over.

ARTICLE 62

(Walter L. Burke et al.)

To see if the Town will vote to accept the provisions of Section 53C of Chapter 262 of the General Laws of the Commonwealth of Massachusetts providing for compensatory time off to certain officers in attendance in certain criminal cases.

Voted, to refer the subject matter of this Article to the Personnel Board for further study.

ARTICLE 63

(John J. McHugh et al.)

To see if the Town will vote to accept the provisions of Section III G of Chapter 41 of the General Laws of the Commonwealth of Massachusetts providing for annual vacations for certain employees.

Voted, Indefinite Postponement.

ARTICLE 64

(William C. Wright, Jr. et al.)

To see if the Town will vote to instruct its Representative in the General Court to file such legislation as may be necessary to enable the Town to repeal the provisions of General Laws, Chapter 41, Section 97A (Ter. Ed.), or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 65

(Board of Selectmen)

To see if the Town will vote to appropriate a sum of money for extra signal equipment at Lincoln Square, or otherwise act thereon.

Voted, to appropriate the sum of \$683.00 from the Current Tax Levy and to authorize the Fire Chief to contract for (1) installation of detectors on East Central Street to obtain an adjustable maximum green period on East Central Street from 15 to 60 seconds, \$320.00, and (2) new post, signals and detector for making Dewey Street two-way, \$363.00.

A Record of the First and Final Session of the Warrant for the Special Town Meeting of March 23, 1965.

A Record of the Sixth Session of the Warrant for the Annual Town Meeting for 1965.

Voted, to adjourn to next Thursday evening 7:30 in this hall.

Adjourned 10:50 P.M.

Town Clerk of Natick

ANNUAL TOWN MEETING, 1965 SEVENTH SESSION, MARCH 25, 1965

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Voted, to take Article 51 from table.

ARTICLE 51

(Alice K. Schaefer, et al.)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing a portion of Zoning District Residential Single R.S. located off Winter Street to Industrial One in use district, said land being bounded and described as follows:

NORTHWESTERLY by Winter Street, fifty-six and 08/100 (56.08) feet;

NORTHERLY by lands now or formerly of Patrick J. Hansbury, and of Natick Land Trust, as shown on a plan entitled "Plan of Pinecliff in Natick, Mass. owned by Bradlee Trust," dated March 10, 1941, by H. W. Whittier, Land Surveyor, recorded with Middlesex South District Deeds, Book 6491, Page 277, by two lines, measuring respectively, three hundred eight and 75/100 (308.75) feet and six hundred fifty (650) feet;

WESTERLY by said land now or formerly of Natick Land Trust sixty-four and no/100 (64.00) feet;

NORTHERLY again by the same, by two lines, measuring respectively, six hundred eight and 21/100 (608.21) feet and three hundred thirty-four and 29/100 (334.29) feet;

EASTERLY by lands now or formerly of Olaf Olson, Elizabeth Eaton, Carleton S. Heddon and Addison R. Taintor as shown on said plan, by two lines measuring, respectively, one hundred ninety-six and 55/100 (196.55) feet and seven hundred seventy and no/100 (770.00) feet;

SOUTHERLY by land now or formerly of Maffei Sand & Gravel Corp. (Land Court Case No. 5784), as shown on said plan, by three lines measuring respectively, five hundred fifty and 43/100 (550.43) feet; seven hundred one and 74/100 (701.74) feet and two hundred fifty (250) feet, more or less, again.

WESTERLY by a Town of Natick school site, being Parcels #1 and #2 as shown on a plan entitled "Plan of Land in Natick, Massachusetts," dated Jan. 3, 1956, by MacCarthy Engineering Service, Inc., recorded with said Deeds, Book 8911, Page 472, by two lines, measuring respectively, two hundred and no/100 (200.00) feet and six hundred twenty-eight and 81/100 (628.81) feet;

SOUTHWESTERLY by said Parcel #1, two hundred thirty-nine and 07/100 (239.07) feet;

WESTERLY again by the same, one hundred twenty-one and 87/100 (121.87) feet;

SOUTHERLY again by the same, thirty (30) feet; and

WESTERLY again by land now or formerly of John P. and Thelma M. Ricci, as shown on said last mentioned plan, one hundred fifty and 07/100 (150.07) feet;

Excepting and excluding therefrom the land shown as Lot #2 on a plan entitled "Briarwood Park Subdivision of Land in Natick, Mass.," dated October 9, 1958 by MacCarthy Engineering Service, Inc., recorded with said Deeds as Plan No. 187 of 1959, conveyed by the grantors to the Town of Natick by deed dated December 9, 1958, recorded with said Deeds, Book 9324, Page 429, to which plan and deed reference is made for a more particular description of said excepted and excluded land.

Containing approximately 37 acres of land. Being the same premises conveyed to Edward J. Enright by deed of Kensington Enterprises, Inc. dated July 7, 1960 and being recorded in said Deeds, Book 9629, Page 52.

or otherwise act thereon.

The Planning Board recommends Indefinite Postponement.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 66

(Rita D. Channell et als)

To see if the Town of Natick will vote to accept the provisions of Section 8 of Chapter 40 of the General Laws of the Commonwealth of Massachusetts, an Act

authorizing the appropriation of money for the enforcement of Civil Service Law, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 67

(Gwendolyn C. Woods et als)

To see if the Town will vote to instruct its Representative to the General Court to secure legislation authorizing a Selectmen-Executive Secretary form of Town administration, or otherwise act thereon.

Voted, to refer the subject matter of this Article to a Town Government Study Committee of five to be appointed by the moderator for report back at the next Annual Town Meeting, and to appropriate the sum of \$500.00 from the unencumbered appropriation balance of Town Government Study Committee appointed under Article 55 of the Warrant for the Annual Town Meeting of 1963.

Committee: — Richard S. Sanderson (Temporary Chairman), Joseph W. Brown, Eileen M. Cornell, Lois M. Masterson and Irene Ginsburg.

Voted, to take Article 52 from table.

ARTICLE 52

(Waldo M. Maffei et als)

To see if the Town will vote to amend the Zoning By-Laws by adding thereto a Multiple Residence District to include land bounded and described as follows:

Beginning at a point on the Easterly side of Oak Street at the Northwesterly boundary of land now or formerly owned by the Town of Natick and running North 77 degrees 4' 55" East 70.22 feet to a point; thence running North 80 degrees 13' 00" East 386.76 feet to a point; thence turning and running North 7 degrees 52' 55" West 953.13 feet to a point; thence turning and running South 84 degrees 29' 45" West 188.03 feet to a point; thence turning and running South 55 degrees 41' 41" West 41.84 feet to a point; thence continuing South 56 degrees 03' 50" West 127.85 feet to a point; thence turning and running South 40 degrees 00' 52" West 70.29 feet to a point; thence continuing South 38 degrees 42' 25" West 140.00 feet to a point; thence turning and running South 31 degrees 24' 30" West 15.47 feet to a point; thence turning and running South 67 degrees 12' 55" West 145.00 feet to a point; thence turning and running North 22 degrees 47' 05" West 229.25 feet to the point of beginning. or otherwise act thereon.

The Planning Board recommends Indefinite Postponement.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 68

(Charles H. Stoddard et als)

To see if the Town of Natick will vote to increase the number of members of the Board of Selectmen from three to five members, such increase to be effected in the following manner; the two members of the Board of Selectmen whose terms have not then expired shall continue as such members until the expiration of the term for which they were elected, at such annual election there shall be elected one Selectman for one year, one for two years, and one for three years and at each annual election thereafter the Town shall elect successors of the members whose terms have expired for the terms of three years, or otherwise act thereon.

Voted, to refer the subject matter of this Article to the Committee set up under Article 67.

ARTICLE 69

(Charles H. Stoddard et als)

To see if the Town will vote to amend Article VI A Section 1 of its By-Laws by striking out the first sentence and substituting the following to read substantially as follows:

There shall be an unpaid Personnel Board consisting of five (5) persons none of whom shall hold an appointive or elective office, position or employment in the Town of Natick with the exception of any eligible Town Meeting Member, which shall be responsible for the administration and maintenance of this classification and pay plan.
or otherwise act thereon.

Voted, to refer the subject matter of this Article to a Personnel Board Study Committee of five to be appointed by the Moderator.

New Committee:

ARTICLE 70

(Arthur L. Hathorne et als)

To see if the Town will vote to create a committee of nine (9) members to investigate each and every department of the Town of Natick; said committee to be elected by the voters at the Town Meeting, shall choose its own officers, serve without pay and report not later than the next annual Town Meeting, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 71

(Charles H. Stoddard et als)

To see if the Town will vote to amend its By-Laws by adding in Article 4 a new section, substantially as follows:

"Section 5. To make public announcement through the news media of all vacancies and new appointments in Town Meeting Membership as they occur." or otherwise act thereon.

Voted, to amend Article IV of its Town By-Laws by adding thereto a new section to read as follows:

"Section 5. The Town Clerk, upon notification by petition of no fewer than three registered voters of the Town, indicating that a vacancy exists in Town Meeting Membership and explaining in what manner the vacancy exists, shall make public announcement through the news media within one month of the petition date, that there is or is not a vacancy, and shall, at the same time, announce the new appointment to fill this vacancy if it exists."

Boston, Mass.

ARTICLE 74

(Urban Renewal Study Committee)

To see if the Town will vote under the provisions of Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26QQ as amended to establish a redevelopment authority and in that connection to make any and all determinations and declarations deemed necessary or desirable and to take any action in relation thereto.

Voted, on motion of Finance Committee, Indefinite Postponement; hand vote, with tellers; yeas, 92; nays, 83.

ARTICLE 75

(Maurice O. Wheeler et als)

To see if the Town will vote to establish a committee of five appointed by the Moderator to investigate alleged encroachments on the Town owned property by private interests and to report back not later than the next annual Town Meeting, or otherwise act thereon.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 76

(Norman Zankel and others)

To see if the Town of Natick will vote to accept the provisions of Section 21 B, Chapter 40, Massachusetts General Laws, a statute authorizing the establishment of a Personnel Relations Review Board.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 77

(Norman Zankel and others)

To see if the Town of Natick will vote to amend its By-Laws by deleting Article VI-A, Section XXV, in its entirety, and Substituting therefor the following new Section XXV, or otherwise act thereon:

Section XXV. Personnel Relations Review Board

(a) There is hereby established an unpaid Personnel Relations Review Board, consisting of three (3) citizens of the Town of Natick who shall hold no appointive or elective office, position or employment with the Town of Natick, with the exception of Town Meeting Member. No former member of the Town Personnel Board shall be a member of the Personnel Relations Review Board.

(b) The Personnel Relations Review Board shall have the powers and duties and perform the functions authorized by Section 21 B, Chapter 40, of the General Laws, and shall be subject to the limitations imposed by said Section 21 B and by the By-Laws of the Town.

(c) One member of the Personnel Relations Review Board shall be appointed by the Board of Selectmen; a second member shall be chosen by an election held among all Town employees, except those subject to the provisions of the Massachusetts Civil Service Laws; and the third member shall be selected by unanimous vote of the other two members. If the third member is not chosen within thirty (30) days after the election of the second, the Chairman of the Board of Selectmen shall appoint him. If possible the make-up of the Personnel Relations Review Board shall consist of members, preferably professionally qualified, who are familiar with the principles, and experienced in the methods and practices, of labor relations and personnel administration. If any member of the Personnel Relations Review Board shall resign or otherwise vacate his office before the expiration of his term, his successor shall be selected to serve the balance of his term in the same manner as his predecessor.

The first regular meeting of the Personnel Relations Review Board shall be held not later than sixty (60) days following the vote of Town Meeting establishing this Board.

(d) The term of office for each member of the Personnel Relations Review Board shall initially be one member for a term of one year, one member for a term of two years, and one member for a term of three years, and thereafter each member for a term of three years, as his term of office expires.

(e) Members of the Personnel Relations Review Board may succeed themselves in office and may be removed for just cause only.

(f) The Personnel Relations Review Board may employ such clerical and other assistance and may make other expenditures as it deems necessary, subject to appropriation therefor.

(g) The Personnel Relations Review Board shall make an annual report to the Town and shall keep records of its proceedings, but such records shall not be open to public inspection, except as may otherwise be required by State Law. It shall not have jurisdiction over any matter belonging in the jurisdiction of the Town Personnel Board.

(h) The Personnel Relations Review Board shall hear and adjust the grievances of all Town employees of the Town of Natick, other than those appointed by the School Committee and other than those excluded by virtue of subsection (i) below.

(i) The word "grievance" as used in this Section shall be construed to mean any dispute between an employee of the Town and his appointing authority arising out of an exercise of administrative discretion, including matters involving discharge, suspension or demotion, except a dispute concerning a change in one or more of the terms of the employment contract, and except a dispute which is, or on proper appeal would be, within the jurisdiction of the Civil Service Commission or the Contributory Retirement Appeal Board of the Commonwealth of Massachusetts.

(j) Before any matter may be heard and considered by the Personnel Relations Review Board, an employee having a grievance must follow the procedures contained in the next subsections:

1. STEP I. The employee shall take up his grievance orally with his immediate supervisor, who shall reach a decision and communicate it orally to the employee within one (1) working day;

2. STEP II. If the grievance is not settled at Step I, the employee shall, within two (2) working days, present his grievance, in writing, to the Personnel Relations Review Board and to his superior, who shall forward it to the department head or, if no department is involved, to the Board or Commission having authority over the employee, who shall give the employee and his supervisor an opportunity to be heard. The department head, Board or Commission, as the case

may be, shall render his (its) decision in writing, within two (2) working days after its receipt by him (it). A copy of this written decision shall be forwarded forthwith to the aggrieved employee and the Personnel Relations Review Board.

3. STEP III. If the grievance is not settled at Step II, the employee may file a written request for a hearing before the Personnel Relations Review Board on a form prescribed by it. Such a request shall be filed by the employee within three (3) working days after receipt of the decision of the department head, Board or Commission. The Personnel Relations Review Board shall hold a hearing upon each grievance within seven (7) working days after receipt of the request for hearing. A copy of the request for hearing shall be delivered by the employee to his department head, Board or Commission, who (which), immediately upon its receipt, shall deliver all records and facts in the case to the Personnel Relations Review Board.

(k) The Personnel Relations Review Board shall meet at least once a month, and may convene more often in order to meet the requirements of Step III above. The Board shall hold hearings at these regular meetings upon the grievances duly filed, and if no hearings are scheduled, then it shall transact such other business as may be legally before it. The hearings of the Personnel Relations Review Board shall be public. All parties present at Step II, above, including the department head, Board or Commission, shall appear at the hearing. Any party may be represented by Counsel who, if he requests, shall be heard by the Personnel Relations Review Board. Ordinary rules of legal evidence shall not apply to hearings of the Personnel Relations Review Board.

(l) Within twenty (20) working days after the hearing, except in emergencies, the Personnel Relations Review Board shall render a written decision which shall be final and conclusive, except as affected by permissible judicial review, copies being forwarded to the employee, the department head, Board or Commission involved and his supervisor.

In its decisions, the Personnel Relations Review Board may affirm the action of the appointing authority if it finds such action was justified; otherwise, such action shall be reversed and any action detrimental to the employee shall be remedied. The Personnel Relations Review Board may also modify any penalty imposed by the appointing authority.

(m) If the aggrieved employee is yet aggrieved by the decision of the Personnel Relations Review Board, he may seek judicial review by filing a Notice of Intention to Appeal from the Decision of the Personnel Relations Review Board, on a form prescribed by it, not later than thirty (30) working days after the receipt of the Board's written decision. Such judicial review shall be as prescribed in Massachusetts General Laws, Chapter 31, Section 45.

(n) There shall be no discrimination shown any employee who may file a grievance or appear before the Personnel Relations Review Board, by any supervisor, department head, Board or Commission.

(o) The provisions of this Section XXV, Article VI-A are hereby declared to be severable, and if any such provision or the application of any such provision to any person or circumstances shall be held itself invalid, illegal or unconstitutional, such invalidity, illegality or unconstitutionality shall not be construed to affect the validity, legality or constitutionality of any of the remaining provisions or the application of said By-Laws to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

Voted, to refer the subject matter of this Article to the Committee set up under Article 69; hand vote, with tellers; yeas, 111; nays, 66.

ARTICLE 78

(Norman Zankel and others)

To see if the Town will vote to amend its By-Laws to delete therefrom the provisions of Article III (a), Section 3, paragraph 2.

Voted, to refer the subject matter of this Article to the Committee set up under Article 69.

ARTICLE 79

(Norman Zankel and others)

To see if the Town will vote to amend Section 4A of Article III (a) of the Town By-Laws to delete the following:

“shall have final determination of all matters arising out of this Section and”
and also to delete the words:

“The decision of the Personnel Board in any matter pertaining to sick leave benefits shall be final and conclusive.”

— so that Section 4A of Article III (a), as hereby amended, shall read as follows:

“A. The Personnel Board established under Section 1 of Article VI-A of the Town By-Laws may establish rules and policies for the administration hereof.”

Voted, to refer the subject matter of this Article to the Committee set up under Article 69.

ARTICLE 80

(Norman Zankel and others)

To see if the Town will vote to amend its By-Laws to delete therefrom the provisions of Article VI-A, Section XXIII, paragraph 4.

Voted, to refer the subject matter of this Article to the Committee set up under Article 69.

ARTICLE 81

(Norman Zankel and others)

To see if the Town will vote to amend the second paragraph of Section XXIV of Article VI-A of the Town By-Laws to delete the following:

“shall have final determination of all matters arising out of this Section and”
and also to delete the words:

“The decision of the Personnel Board in any matter arising under this Section shall be final and conclusive.”

— so that the second paragraph of Section XXIV, Article VI-A, as hereby amended, shall read as follows:

“The Personnel Board referred to above may establish rules for the administration thereof.”

Voted, to refer the subject matter of this Article to the Committee set up under Article 69.

ARTICLE 82

(Board of Selectmen)

To hear and act upon the reports of the several Town Officers and reports of Committees authorized by vote of any former Town Meeting and to authorize the appointment of any Committee the Town may deem necessary and to appropriate a sum of money for the purpose therefor or to take any action relative thereto.
(A separate Article to be taken up AFTER Committee Reports Article)

A. **Voted**, that the reports of the various Town Officers as printed in the Town Report of 1964 be acknowledged.

- B. **Voted**, that the reports of the following Committees as printed in the Town Report of 1964 be acknowledged and that the Committees be continued:
- Bacon Free Library Maintenance Committee appointed under Article 12 of the Warrant for the Annual Town Meeting of 1956;

M. (1) **Voted**, on motion by Mr. Thomas, that a committee of not less than five nor more than seven be appointed by the Moderator to study the Automobile Liability Insurance Territorial position of the Town of Natick and to make recommendations leading to the enhancement of said position for the financial, physical and moral betterment of the citizens of the Town of Natick.

Committee: — Norman S. Thomas (Temporary Chairman), Robert E. Fair, James G. O'Neill, Prescott R. Drowne, Ellsworth W. Getchell, Lois M. Masterson and Simon S. Olshansky.

M. (2) **Voted**, on motion by Mrs. Masterson, that a new committee of 8 appointed by the Moderator to be called the Rules Committee, said committee to consist of one town meeting member from each precinct whose purpose shall be to draw rules and procedures for the conduct of town meeting and its members and shall submit these rules in the form of amendments to the by-laws or resolutions for town meeting approval. Said committee shall report at the next Annual Town Meeting as to formation and composition of a standing Rules committee; hand vote, with tellers; yeas, 103; nays, 67.

Committee: — Precinct 1 — Anna E. Finn (Temporary Chairman), Precinct 2 — Edwin R. Swanson, Precinct 3 — Eileen M. Cornell, Precinct 4 — Howard K. Bere, Precinct 5 — Robert A. Howatt, Precinct 6 — Irene S. Golan, Precinct 7 — George M. Rogers and Precinct 8 — Edward F. Perry.
Howard K. Bere, unable to serve; Harry D. Baker, to fill vacancy.

ARTICLE 83

(The Natick Industrial Development Committee)

To see if the Town will vote as follows:

(a) To change the committee name from "The Natick Industrial Development Committee" to be "Natick Industrial Council";

(b) To appropriate to the Natick Industrial Development Committee the sum of Twenty-Five Hundred Dollars (\$2,500.00) of which sum Two Thousand Dollars (\$2,000.00) shall be for expenses and Five Hundred Dollars (\$500.00) shall be for Out-of-State Expenses;

(c) To appropriate to the Natick Industrial Development Committee the sum of Forty-Five Hundred Dollars (\$4,500) for brochures and other promotional matter for the purpose of promoting the development of Industrial and Commercial locations in the Town.

or otherwise act thereon.

Voted, to change the committee name from "The Natick Industrial Development Committee" to be "Natick Industrial Council"; and to appropriate to the Natick Industrial Council the sum of \$7,000.00 from the Current Tax Levy; itemized as follows:

Expense	\$6,500.00
Out of State Travel	500.00

ARTICLE 84

(Board of Health)

To see if the Town will vote to amend its Building Code, by adding the following sentence at the end of the first paragraph of Section 1.1.1:

"Each application for the construction of a building or structure or for the reconstruction of a building or structure, which building or structure is primarily intended for human habitation, shall be referred to the Board of Health for its examination and approval on general matters of health, including surface water drainage."

or otherwise act thereon.

Motion of Finance Committee, not carried.

Voted, on amendment by Mr. Sade, for Indefinite Postponement; hand vote, with tellers; yeas, 97; nays, 74.

Voted, to take Article 25 from table.

ARTICLE 25

(Department of Public Works)

To see if the Town will vote to accept the following streets as the same have been laid out and filed by the Board of Public Works: —

Indian Spring Road
Sassamon Road
Carlson Circle

No Appropriation.

The Finance Committee recommends that the Town vote to accept the following streets as the same have been laid out and filed by the Board of Public Works:

Indian Spring Road
Sassamon Road
Carlson Circle

Amendment by Mr. Lebowitz, to delete Carlson Circle; carried.

Motion of Finance Committee, as amended, was now put and carried.

ARTICLE 85

— Also known as Article 1-Addition to Warrant for Annual Town Meeting —

To see if the Town of Natick will vote to raise, appropriate or otherwise provide a sum of money for the Board of Selectmen to engage impartial professional municipal consultants to assist them in conducting an investigation into the organization, administration and operating procedures and equipment needs of the Natick Police Department, said consultants to submit a written report to the Selectmen to be presented by the Selectmen in its entirety to all Town Meeting members on or before the next Annual Town Meeting pursuant to the authority granted the Board of Selectmen under Chapter 41, section 23B of the General Laws of the Commonwealth of Massachusetts or act on anything relating thereto.

No motion offered by Finance Committee.

Motion by George Roberts, to see if the Town of Natick will vote to appropriate the sum of \$7,500 from Surplus Revenue for the Board of Selectmen to engage impartial professional municipal consultants to assist them in conducting a study of the organization, administration, operating procedures and equipment needs of the Natick Police Department, pursuant to the Authority granted the Board of Selectmen under Ch. 41, Sec. 23B of the General Laws of the Commonwealth of Massachusetts, said consultants to submit a written report to the Selectmen to be presented by the Selectmen in summary to all Town Meeting members on or before the next annual Town Meeting; lost.

Meeting dissolved 11:35 P.M.

WARRANT FOR SPECIAL TOWN MEETING

November 9, 1965

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet in Senior High School Auditorium, Natick on

Tuesday Eve., November 9, 1965

at 7:30 o'clock P.M., then and there to act on the following articles:

And you are directed to serve this Warrant by Posting attested copies thereof in each of the post offices in said Natick and at the following public places in said

Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville: Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at south east corner of Worcester and Oak Streets, East Natick; pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's store, South Natick, seven days at least before said November 9, 1965; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Bulletin" and "The Natick Herald", said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 7th day of October A.D. 1965.

DONALD R. SIMS
GEORGE P. SELLEW, JR.

JAMES H. FLEMING
Town Clerk of Natick

Special Town Meeting, November 9, 1965

First Session

Meeting called to order by the Moderator at 7:30 P.M. and he stated that there was no Quorum and undoubtedly would be none due to large scale electrical blackout in progress and that he would entertain a motion to adjourn this meeting until Wednesday evening, November 10, 1965 at 7:30 P.M. in this hall.

Upon motion duly made by Daniel O'Leary and seconded by Reginald Fitzgerald, it

was voted by those members present to adjourn the Special Town Meeting to November 10, 1965 at 7:30 P.M. at the High School Auditorium.

A Record of the Proceedings of the First Session.

Special Town Meeting, November 9, 1965

Second Session, November 10, 1965

Meeting called to order by the Moderator at 7:45 P.M. and stated that there was a Quorum present.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. Joseph J. Donovan.

ARTICLE 1

(Public Works Department)

To see if the Town will vote to appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, to purchase, take or acquire by eminent domain easements in lands hereinafter described for the purposes of constructing, completing, using and maintaining the West Natick Sewer Project, which was approved by the Town under Article 1 of the Special Town Meeting of March 23, 1965, and under Article 42 of the Annual Town Meeting of March 10, 1964, and use all or any part or parts of the said easements in the parcels of land in Natick described as follows:

Beginning at a stone bound on Fiske Lane and running Northwesterly 61.31 feet; thence turning and bearing S 6°-37'-00" E by land of the Commonwealth of Massachusetts 337.65 feet;

Thence turning and bearing S 22°-34'-45" W by the land of the Commonwealth of Massachusetts; 84.71 feet;

Thence turning and bearing S 37°-56'-15" W 98.09 feet and 72.75 feet by land of the Commonwealth of Massachusetts and James W. and Ruth J. Paul;

Thence turning and bearing N 37°-56'-15" E 36.51 feet by land of John J. and Ann H. Gallo;

Thence turning and bearing N 6°-52'-55" W 55.01 feet and 65.75 feet by land of John J. and Ann H. Gallo and Albert J. and Lydia I. Mabee, respectively;

Thence turning and running Westerly 16.06 feet;

Thence turning and running Southwesterly by land of the Commonwealth of Massachusetts to Bolser Avenue 277.32 feet;

Thence turning and running Easterly by Bolser Avenue to a stone bound 43.53 feet;

Thence turning and running Northeasterly 221.68 feet by land of William A. and Eleanor A. McKenzie, John P. and Barbara E. Lang and Albert P. and Ruth E. Licciordone; (Licadone)

Thence bearing S 6°-52'-55" W by land of John J. and Ann H. Gallo and Albert J. and Lydia I. Mabee 128.36 feet;

Thence bearing S 37°-56'-15" W 109.87 feet by land of John J. and Ann H. Gallo and James W. and Ruth J. Paul;

Thence bearing S 69°-3'-45" E to a stone bound by land of James W. and Ruth J. Paul 56 feet;

Thence turning and bearing N 22°-34'-45" E to a stone bound by land of Rielly, Poshefke, Dunce and McKenzie 185.50 feet;

Thence turning and bearing N 66°-37'-00" W by land of McKenzie and Bolser 291.00 feet to the point of beginning.

Said easement is more particularly shown on a plan entitled "Town of Natick, Mass., Public Works Department, Sewer Easements, Haley and Ward Engrs., Waltham, Mass.," dated November, 1964; said easement being described thereon as parcels numbered 1, 2, 3, 4, 5, 6, 7 and 8, containing a total area of approximately 28,705 square feet; or otherwise act thereon.

Voted, to authorize the Board of Selectmen to take by eminent domain an easement in land hereinafter described for the purposes of constructing, completing, using and maintaining a portion of the West Natick Sewer Project, which Project was approved by the Town under Article 1 of the Special Town Meeting of March 23, 1965, and under Article 42 of the Annual Town Meeting of March 10, 1964, and to take all trees and structures on said land that are deemed necessary by the Department of Public Works, their servants, agents and employees for the construction, completion, use and maintenance of said Project and that the sum of Six Hundred Thirty-eight (\$638.00) Dollars be appropriated, said sum to be taken from surplus revenue and that of the Six Hundred Thirty-eight (\$638.00) Dollars, One Hundred Six (106.00) Dollars be awarded to James W. and Ruth J. Paul of 9 Lena Road, owners of Parcel 2 of the land hereinafter described, One Hundred Thirty (\$130.00) Dollars be awarded to John J. and Ann H. Gallo of 11 Lena Road, owners of Parcel 3 of the land hereinafter described, Ninety-two (\$92.00) Dollars be awarded to Albert J. and Lydia I. Mabee, of 15 Lena Road, owners of Parcel 4 of the land hereinafter described, One Hundred Eighty-nine (\$189.00) Dollars be awarded to Ruth E. Licadone of 17 Lena Road, owner of Parcel 5 of the land hereinafter described, One Hundred Two (\$102.00) Dollars be awarded to John P. and Barbara E. Lang of 19 Lena Road, owners of Parcel 6 of the land hereinafter described and Nineteen (\$19.00) Dollars be awarded to William A. and Eleanor A. McKenzie of 7 Bolser Avenue, owners of Parcel 7 of the land hereinafter described.

The aforesaid easement to be taken is described as follows:

Beginning at a Stone Bound on the northerly corner of Bolser Avenue at the land now or formerly owned by William A. & Eleanor A. McKenzie, thence bearing northeasterly by the land now or formerly owned by the Commonwealth of Massachusetts; a distance of 230.42 feet;

Thence bearing southeasterly, a distance of 16.06 feet;

Thence bearing N 6° 52' 55" W by the land now or formerly owned by Albert J. & Lydia I. Mabee and John J. & Ann H. Gallo, a distance of 120.76 feet;

Thence bearing N 37° 56' 15" E by the land now or formerly owned by John J. & Ann H. Gallo and James W. & Ruth J. Paul, a distance of 109.26 feet;

Thence bearing S 69° 03' 45" E, a distance of 20.91 feet;

Thence bearing S 37° 56' 15" W by the land now or formerly owned by James W. & Ruth J. Paul and John J. & Ann H. Gallo, a distance of 109.87 feet;

Thence bearing S 6° 52' 55" W by the land now or formerly owned by John J. & Ann H. Gallo and Albert J. & Lydia I. Mabee, a distance of 128.36 feet;

Thence bearing southwesterly by the land now or formerly owned by Albert P. & Ruth E. Licadone, John P. & Barbara E. Lang, and William A. & Eleanor A. McKenzie, a distance of 221.68 feet to the point of beginning.

Said easement is more particularly shown on a plan entitled "Town of Natick, Mass., Public Works Department, Sewer Easements, Haley and Ward, Engrs., Waltham, Mass.," Dated November, 1964, and recorded in the South Middlesex Registry of Deeds: said easement being described thereon as parcels numbered 2, 3, 4, 5, 6 and 7; hand vote, with tellers; yeas, 92; nays, 28.

ARTICLE 2

(Natick Housing Authority)

To see whether the Town will approve the construction of a new housing project by the Natick Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-3, or otherwise act thereon.

Voted, to approve the construction of a new housing project by the Natick Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-3.

ARTICLE 3

(Town Forest Committee)

"To see what sum of money the Town will appropriate to construct and maintain a system of roads for forest fire protection and general forest improvement for the Town Forests and that said sum shall be expended under the supervision of the Town Forest Committee or otherwise act thereon.

Voted, Indefinite Postponement.

Meeting dissolved 10:40 P.M.

We hereby certify that the above is a correct list of Jurors for the Town of Natick, Massachusetts, for the years 1965-1966 as prepared and completed by us in accordance with the law this 3rd day of August, A.D. 1965.

DONALD R. SIMS
 GEORGE P. SELLEW, JR.
 JEREMIAH J. HEALY, JR.
 Selectmen of Natick, Massachusetts

Board of Assessors

The Board of Assessors respectfully submits its annual report for the year ending December 31, 1965. The Board has lacked one elected member, Mr. Paul Foley, for the entire year due to illness.

Chairman Mr. Robert Howatt was defeated by Mr. Nicholas Arthur in the March town election, at which time Mr. Francis R. Garbarino was elected Chairman of the Board, and Mr. Nicholas Arthur clerk.

The Board was pleased to announce to the citizens of Natick that there was no increase in the tax rate for 1965. The tax rate remained at \$38.00 per thousand, and with no increase in the tax rate there were less abatement requests. Mr. Garbarino and Mr. Arthur reviewed in person all real estate property on which abatement applications were filed. The Assessors kept the amount of abatements to the lowest figure (\$5,270.50) in many years.

The Board issued a statement at town meeting and also to the press, that the Board would not settle a major appellate tax case out of court and would not negotiate nor compromise with any major tax payer for a settlement out of court.

The Board has worked closely with other town departments to improve the overall efficiency and effectiveness of the office. We have hired for another year our capable appraisal firm of Whipple, Magane and Darcy who started appraising new construction, additions and alterations in November 1965 so that the March town meeting in 1966 will have approxi-

Assessors Garbarino and Arthur check valuation sheet

mate final valuation figures. Every citizen will know exactly what to expect for a new tax rate when the town expenditures are approved.

The Board also changed their meeting nights from Thursday to Monday to have the Assessors' office open to conform with other town offices. Now the Selectmen, Assessors and Planning Board all meet on Monday nights and this year the attendance of citizens has doubled.

Mr. Francis R. Garbarino and Mr. Nicholas Arthur also started a Local Board of Assessors' Conference and Workshop for over 20 towns surrounding Natick. This has been a tremendous success and meetings are held once a month. The workshop provides opportunity for the local towns to discuss their problems, and to observe how each town handles and solves various problems.

The Assessors' Department continues to press for a change in legislation to help ease the burden on the elderly and the veterans of towns that have gone in for full and fair cash value. We have asked Rep. Walter T. Burke to notify this Department immediately if we can speak before the house on both bills.

To our office force, those in other town departments who assisted us in our labors, and to the taxpayers who supported us in our effort to provide equitable assessments throughout Natick, we express our sincere thanks.

FRANCIS R. GARBARINO, *Chairman*

NICHOLAS ARTHUR, *Clerk*

1965 RECAPITULATION

(General Laws, Chapter 59, Section 23)

CITY OR TOWN:

Total appropriations raised by taxation	\$8,006,194.44
Total appropriations voted taken from available funds:

I have examined the books and records of the Leonard Morse Hospital, Natick, Massachusetts, for the fiscal year ended September 30, 1965, the foregoing "Statement of Income and Expense" and the Cash in Savings — Investment Statement at September 30, 1965.

In my opinion the "Statement of Income and Expense" fairly presents the results of operations of the hospital for the year ended September 30, 1965 and the Cash in Savings and Investment accounts are correctly reflected on the books of the hospital.

ARTHUR L. GLYNN
Certified Public Accountant

JOHN L. CASALY

AUGUSTINO P. LAURINI

GEORGE F. ROBERTS
Retirement Board

RICHARD H. POTTER, *Town Treasurer*

Accounting Department

Report of Town Comptroller

In compliance with Section 61, Chapter 41, General Laws, I submit herewith the annual report of the Accounting Department for the year ended December 31, 1965.

I succeeded to the position of Town Comptroller on January 26, 1966, and found the records of this office indicated that all invoices and payrolls presented during the year by the Town Departments have been examined both for their accuracy and legal requirements before being submitted to the Treasurer for payment. The payments, which were presented on 158 Treasury Warrants, amounted to \$19,941,198.99 for which the Treasury Department issued 54,876 checks.

The Treasurer's cash has been audited and found to be in order. The total receipts during 1965 totaled \$19,447,469.21. The cash balance on hand December 31, 1965 is \$472,355.52 plus invested cash of \$2,139,370.61 for a total of \$2,611,726.13 and is an increase of \$45,640.83 over the balance on hand at the end of 1964.

Monthly notices of appropriation condition were forwarded on State approved forms to all Town officers, committees and boards charged with the expenditure of Town funds. At the time of this report, the known unpaid bill of previous years is \$35.00 representing \$25.00 for postage stamps for Council for the Aging and \$10.00 for repairing a fluorescent light.

Upon the close of the financial year, statements were compiled in tabulated form showing the amounts appropriated throughout the year and the amounts expended from each appropriation for the year 1965 and the estimated for the year 1966, and copies were forwarded to the Finance Committee.

Again this year and for the 25th consecutive year the departments, collectively, have turned back substantial unexpended appropriation balances, from their operating budgets. The unexpended appropriation balances, exclusive of Sewer and Water, returned to the 1965 Revenue Account amounted to \$214,337.62.

As required by law, under Section 54-A, Chapter 41, General Laws, notice was given to the Assessors of the total 1965 receipts except from taxes, loans, trust funds, federal grants and revolving funds, and the source of such receipts was specified. The actual collection in this group of receipts was \$233,614.98 higher than the estimate used by the Assessors in determining the 1965 tax rate. This excess was due primarily to receipts for School Construction and Motor Vehicle Excise Tax being substantially more than anticipated.

Appended to this report the following schedules:

- a) Cash Receipts
- b) Summary of Appropriations and Expenditures
- c) Balance Sheet showing the financial condition of the Town
- d) Deferred Revenue Not Due
- e) Net Funded or Fixed Debt

- f) Trust Funds—Cash and Securities
- g) Debt Statement showing amounts due for Principal and Interest for 1966
- h) Analysis of Revenue and other Accounts

DOUGLAS BELL, *Comptroller*

Town Comptroller Douglas Bell takes a moment from his busy schedule to pose for the photographer
